HAVIT Wired Mechanical Gaming Keyboard Mouse Headset Combo Kit User Manual

Model: 6560227295430 | Brand: HAVIT

1. INTRODUCTION

This manual provides detailed instructions for the HAVIT Wired Mechanical Gaming Keyboard, Mouse, and Headset Combo Kit. Please read this manual carefully before using the product to ensure proper operation and to maximize your gaming experience. This kit is designed for PC gamers, offering responsive controls, customizable RGB lighting, and comfortable ergonomics.

2. PACKAGE CONTENTS

- HAVIT Wired Mechanical Gaming Keyboard
- HAVIT Wired Gaming Mouse
- HAVIT Wired Gaming Headset with Microphone
- Detachable Wrist Rest for Keyboard
- User Manual (this document)

3. SETUP

1. **Keyboard Connection:** Connect the USB cable of the mechanical keyboard to an available USB port on your computer. The keyboard's RGB lighting will illuminate upon successful connection. For ergonomic comfort, attach the detachable wrist rest by aligning the clips and pressing firmly.
2. **Mouse Connection:** Plug the USB cable of the gaming mouse into another available USB port on your computer. The mouse's RGB lighting will activate.
3. **Headset Connection:** Connect the 3.5mm audio jack of the gaming headset to your computer's audio output port (usually green). Connect the 3.5mm microphone jack to your computer's microphone input port (usually pink). If your computer has a single combined audio jack, you may need a Y-splitter adapter (not included). The headset's RGB lighting is powered via a separate USB cable; connect this to an available USB port.

4. OPERATING THE DEVICES

4.1 Keyboard Functions

The HAVIT mechanical gaming keyboard features 14 pre-set RGB backlight modes, full N-key rollover, and anti-ghosting for precise input during intense gaming sessions.

- **Changing Backlight Modes:** Press the **FN + F9** key combination to cycle through the 14 different RGB backlight modes.
- **Adjusting Brightness:** Use **Fn + Page Up** to increase brightness and **Fn + Page Down** to decrease brightness (5 levels).
- **Adjusting Speed:** Use **Fn + "+"** to increase animation speed and **Fn + "-"** to decrease animation speed (5 levels).
- **Multimedia Keys:** Access multimedia functions using the FN key in combination with F1-F8, F10-F12.

14 KINDS OF PRE-SET RGB Backlight Modes & All Key-Rollover

Figure 4.2: Detachable wrist rest for enhanced comfort.

4.2 Mouse Functions

The HAVIT gaming mouse offers adjustable DPI settings, 7 kinds of RGB lighting effects, and programmable buttons for a personalized gaming experience.

- **DPI Adjustment:** Cycle through 6 levels of DPI (800-1600-2400-3200-4000-4800) using the DPI button located behind the scroll wheel. The indicator light will flash a specific color for each DPI setting: Green (800), Purple (1600), Blue (2400), Red (3200), Cyan (4000), Yellow (4800).
- **RGB Lighting:** The mouse features 7 kinds of light effects including Breathing mode, Colorful Streaming mode, Rainbow mode, Floe light mode, Waltz mode, 4-Seasons mode, and LED OFF. Adjust the RGB light mode using the "LED switch button".
- **Programmable Buttons:** The mouse has 7 programmable buttons. Refer to your operating system's mouse settings or third-party software for customization options.

4.3 Headset Functions

The HAVIT gaming headset provides immersive audio with 50mm drivers and a 360° adjustable noiseless microphone, complemented by unique RGB lights.

- **Audio Quality:** Dual large 50mm drivers deliver powerful audio for an immersive gaming experience.
- **Microphone:** The 360° adjustable noiseless microphone can be positioned at any angle for clear communication.
- **RGB Lights:** Unique RGB lights create a cool gaming aesthetic. Note that the headset LEDs are one color cycle mode only and cannot be changed.
- **Comfort:** Features an adjustable headband and cushioned ear cups for extended comfort during long gaming sessions.

5. MAINTENANCE

To ensure the longevity and optimal performance of your HAVIT Gaming Combo Kit, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe down the surfaces of the keyboard, mouse, and headset. For stubborn dirt, a slightly damp cloth can be used, but ensure no moisture enters the internal components. Avoid harsh chemicals or abrasive cleaners.
- **Keyboard Keys:** If keys become sticky or unresponsive, you may carefully remove the keycaps (using a keycap puller if available) and clean underneath with compressed air.
- **Cable Management:** Avoid sharp bends or excessive pulling on the cables to prevent damage.
- **Storage:** Store the devices in a cool, dry place away from direct sunlight and extreme temperatures when not in use.

6. TROUBLESHOOTING

If you encounter any issues with your HAVIT Gaming Combo Kit, please refer to the following common

troubleshooting steps:

Problem	Possible Cause	Solution
Keyboard/Mouse/Headset not responding.	Loose USB connection, incorrect port, driver issue.	Ensure USB cables are securely plugged into working USB ports. Try a different USB port. Restart your computer. Check device manager for driver issues.
RGB lights not working or incorrect.	Lighting mode not selected, power issue, software conflict.	For keyboard, press FN + F9 to cycle modes. For mouse, use the LED switch button. Ensure headset USB power is connected. Check for any conflicting software.
Headset audio issues (no sound/low volume).	Incorrect audio jack, volume settings, default device.	Ensure 3.5mm audio jack is fully inserted into the correct port. Check system volume levels and ensure the headset is set as the default playback device in sound settings.
Headset microphone not working.	Incorrect microphone jack, muted mic, privacy settings.	Ensure 3.5mm microphone jack is fully inserted into the correct port. Check system microphone settings to ensure it's not muted and is set as the default recording device. Verify privacy settings allow applications to access the microphone.

7. SPECIFICATIONS

Feature	Detail
Product Dimensions	17.05 x 4.88 x 1.38 inches (Keyboard)
