LEGO City Police Helicopter Transport 60244 Instruction Manual

Model: 60244

INTRODUCTION

This instruction manual provides detailed guidance for assembling and operating the LEGO City Police Helicopter Transport set (Model 60244). This set is designed for builders aged 5 and up, offering a multi-vehicle police theme including a ripcord helicopter, a transporter truck, a motorcycle, and an ATV.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

Always ensure all small LEGO elements are kept away from young children to prevent choking. Adult supervision is recommended during assembly and play for younger users.

WHAT'S IN THE BOX

The LEGO City Police Helicopter Transport set contains 317 LEGO building elements. These elements are organized into numbered bags to facilitate the building process. The set includes:

- Elements for a police helicopter transporter truck.
- Elements for a ripcord helicopter.
- Elements for a police motorcycle.
- Elements for a crooks' ATV.
- Minifigures: Rooky Partnur, Frankie Lupelli, a police officer, and a crook.
- Printed building instructions.

SETUP AND ASSEMBLY

Assembly of the LEGO City Police Helicopter Transport set is guided by the included printed instruction booklets. Follow the step-by-step visual instructions carefully. Each step indicates the specific LEGO elements required and their placement.

- 1. Unpack Components:** Open the box and sort the numbered bags of LEGO elements. It is recommended to open one bag at a time as instructed in the manual.
- 2. Follow Instructions:** Refer to the instruction booklets for detailed assembly steps. The instructions are visual and show exactly which pieces to use and where to place them for each stage of construction.
- 3. Build the Transporter Truck:** Construct the police truck, which features a detailed driver's cab and a mobile prison cell.
- 4. Assemble the Trailer:** Attach the trailer designed to transport the helicopter.
- 5. Construct the Ripcord Helicopter:** Build the helicopter, ensuring the ripcord mechanism is correctly assembled.
- 6. Build Additional Vehicles and Minifigures:** Assemble the police motorcycle, the crooks' ATV, and the included minifigures.

OPERATING INSTRUCTIONS

Once assembled, the LEGO City Police Helicopter Transport set offers various interactive play features:

- **Ripcord Helicopter:** Insert the ripcord into the helicopter and pull it quickly to launch the helicopter into the air. The helicopter is designed for short flights.
- **Transporter Truck:** The truck and its trailer can be rolled across surfaces. The mobile prison cell on the truck can be opened and closed to transport minifigures.
- **Minifigure Interaction:** Place the included minifigures (Rooky Partnur, Frankie Lupelli, police officer, crook) into the vehicles or use them to create various play scenarios.

MAINTENANCE

To ensure the longevity and cleanliness of your LEGO set, follow these maintenance guidelines:

- **Cleaning:** Clean LEGO elements using a mild soap solution and lukewarm water. Avoid hot water as it may deform the plastic. Rinse thoroughly and air dry.
- **Storage:** Store the assembled set or individual elements in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or damage.
- **Handling:** Handle the set with care to avoid accidental disassembly or loss of small parts.

TROUBLESHOOTING

If you encounter issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, contact LEGO Customer Service for assistance.
- **Assembly Errors:** Review the instruction manual steps carefully. Sometimes a small error in an earlier step can affect subsequent assembly. Disassemble and re-assemble the problematic section.

- **Ripcord Helicopter Not Flying:** Ensure the ripcord is fully inserted and pulled with sufficient speed and force. Check that the propeller is not obstructed.
