

## LEGO 11008

# LEGO Classic Bricks and Houses 11008 Building Toy Instruction Manual

Model: 11008 | Brand: LEGO

## INTRODUCTION AND OVERVIEW

---

The LEGO Classic Bricks and Houses 11008 set is designed to introduce children to creative construction and building. This set provides a foundation for developing valuable skills through building and imaginative play. It includes 270 pieces, allowing for the construction of six distinct models and encouraging free-building creativity.

- Introduces children to LEGO building with opportunities to develop imagination and building skills.
- Simple instructions for 6 homes enable immediate building and play, fostering creative free-building skills.
- This 270-piece set allows for the construction of a family home, a lighthouse, an igloo, a castle, a small house, and a windmill.
- An educational LEGO toy suitable for ages 4 and up, ideal for those interested in constructing various structures.
- Combines with other LEGO Classic brick sets to expand creative play and learning possibilities.

## WHAT'S IN THE BOX

---

Upon opening your LEGO Classic Bricks and Houses 11008 set, you will find the following components:

- LEGO Building Elements (270 pieces)
- Instruction booklet for building the six suggested models

## SETUP

---

To begin your building experience, carefully open the box and empty all LEGO elements onto a clean, flat surface. It is recommended to sort the bricks by color or type to make the building process easier. Refer to the included instruction booklet for step-by-step guidance on assembling the initial models.

## OPERATING AND BUILDING

---

The LEGO Classic Bricks and Houses set encourages both guided building and free-form creativity. Follow the simple, illustrated instructions to construct the six suggested models, which include a family home, a lighthouse, an igloo, a castle, a small house, and a windmill. Once these models are complete, or at any point, you can use the diverse range of bricks to design and build your own unique structures and creations.

potential for children.

## MAINTENANCE

---

To ensure the longevity and cleanliness of your LEGO bricks, follow these simple maintenance guidelines:

- **Cleaning:** Wash LEGO bricks by hand using water no warmer than 104°F (40°C) and a mild detergent. Rinse thoroughly with clear water and allow them to air dry. Avoid using a dishwasher or washing machine, as high temperatures can damage the bricks.
- **Storage:** Store LEGO bricks in a clean, dry place away from direct sunlight and extreme temperatures. Original containers or dedicated storage bins are ideal for keeping pieces organized and preventing loss.

## TROUBLESHOOTING

---

If you encounter any issues with your LEGO Classic Bricks and Houses set, consider the following:

- **Missing Pieces:** While rare, if you find a piece missing from your new set, please visit the official LEGO Customer Service website to request a replacement.
- **Difficulty Connecting Bricks:** Ensure bricks are aligned correctly and apply firm, even pressure. If bricks are consistently difficult to connect, check for any debris or damage.
- **Lost Instructions:** Digital versions of instruction manuals are often available on the official LEGO website.

## SPECIFICATIONS

---
