ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your bar serving cart. It is recommended to have a second person for assistance during certain steps to ensure stability and ease of assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Refer to the parts list (if provided in physical manual) to identify

each piece.

2. **Attach Casters:** Secure the four 360° rotating casters to the bottom frame of the cart using the provided screws. Ensure the two casters with brakes are positioned on the same side for easy access.
3. **Assemble Frame:** Connect the vertical metal frame components using the provided hardware. Do not fully tighten screws until all parts are loosely assembled.
4. **Install Shelves:** Place the wooden shelves into their designated positions within the metal frame. The top shelf often has a raised edge and handles. The middle shelf includes the wine glass holders, and the bottom shelf has a metal guard rail.
5. **Attach Wine Rack and Glass Holders:** Secure the wine bottle rack and wine glass holders to the underside of the appropriate shelves as indicated in the diagrams.
6. **Tighten All Screws:** Once all components are in place, systematically tighten all screws and bolts to ensure the cart is stable and secure.

USAGE

Your SoBuy FKW56-HG Bar Serving Cart is designed for versatile use in various settings, offering both functionality and style.

Serving and Storage

- **Top Shelf:** Ideal for preparing drinks, holding serving trays, or displaying decorative items. The removable tray feature allows for easy transport of items.
- **Middle Shelf:** Utilize the integrated wine bottle rack to store up to 4 wine bottles horizontally. The hanging glass storage underneath can hold up to 6 wine glasses.
- **Bottom Shelf:** The lower shelf with its protective rail is suitable for storing larger bottles, bar accessories, or other kitchen essentials.

Mobility

- The four 360° rotating casters allow for easy movement of the cart between rooms or around your space.

- Engage the brakes on the two locking casters when the cart is in a stationary position to prevent unintended movement.

MAINTENANCE

To ensure the longevity and appearance of your SoBuy FKW56-HG Bar Serving Cart, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry cloth to remove dust and spills. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability.
- **Caster Care:** Keep the casters free of debris to ensure smooth movement.

TROUBLESHOOTING

If you encounter any issues with your bar serving cart, refer to the following common troubleshooting steps:

Cart is Wobbly

- Ensure all assembly screws are fully tightened.
- Verify that the cart is placed on a level surface.
- Check for any damaged components; contact customer support if parts are broken.

Casters Not Rolling Smoothly

- Inspect casters for any trapped debris (e.g., hair, lint) and remove it.
- Ensure the caster brakes are disengaged.

Missing Parts

- Review the package contents list. If any parts are missing, contact SoBuy customer support with your

model number and purchase details.
