## SETUP AND INSTALLATION

Follow these steps to properly install your Incipio DualPro Case on your Apple iPhone 11 Pro:

1. Ensure your iPhone 11 Pro is clean and free of dust or debris.
2. Separate the two layers of the DualPro case: the soft, shock-absorbing inner core and the rigid polycarbonate outer shell.
3. Carefully place your iPhone 11 Pro into the soft inner core, ensuring all edges and corners are securely seated.
4. Align the rigid outer shell with the inner core and snap it into place, starting from one side and working your way around until it is fully secured.
5. Verify that all buttons are accessible and functional, and that port openings are clear.

# TWO LAYERS OF DEFENSE

DualPro is engineered with two layers of durable protection to help your iPhone survive significant drops.

RIGID POLYCARBONATE  
OUTER SHELL**

**SHOCK-ABSORBING INNER  
CORE PROTECTS FROM  
BUMPS & DROPS**

## OPERATING AND USAGE

The Incipio DualPro Case is designed for seamless integration with your iPhone 11 Pro, allowing full access to all functions while providing protection.

- **Button Access:** The case features responsive, raised button covers for the volume and power buttons, ensuring easy detection and adjustment without compromising functionality.
- **Port Accessibility:** Oversized port openings provide maximum accessibility for charging cables, headphones, and other accessories.
- **Camera and Screen Protection:** A coated camera ring and raised bezel protect the iPhone's screen and camera from scratches when placed on flat surfaces.

# PORT OPENINGS & BUTTON COVERS

iPhone-specific openings allow for maximum accessibility to all ports while tactile button covers further protect your phone without compromising functionality.

## MAINTENANCE

To keep your Incipio DualPro Case clean and in optimal condition:

- Remove the case from your iPhone 11 Pro.
- Wipe the case with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used.
- Avoid using harsh chemicals, abrasive cleaners, or solvents, as these may damage the case's finish.
- Ensure the case is completely dry before re-installing it on your device.

## TROUBLESHOOTING

---

If you encounter any issues with your Incipio DualPro Case, consider the following:

- **Case not fitting correctly:** Ensure your iPhone model is the 11 Pro. Remove the case and re-install, making sure both layers are properly aligned and snapped into place.
- **Buttons not responding:** Check for any debris obstructing the buttons. Re-seat the phone in the case to ensure proper alignment.
- **Ports obstructed:** Verify that the port openings are clear and that your charging cable or accessory is fully inserted.
