### Mirage Ferrera Stiletto

# Mirage Ferrera Stiletto Eau de Parfum for Women - User Manual

Model: Ferrera Stiletto | Brand: Mirage

## INTRODUCTION

---

This manual provides instructions for the proper use and care of your Mirage Ferrera Stiletto Eau de Parfum. This product is a fragrance designed for women, presented in a 3.4 fluid ounce (100 ml) spray bottle. It is formulated as an Eau de Parfum, indicating a higher concentration of fragrance oils for a lasting scent.

## SETUP

---

The Ferrera Stiletto Eau de Parfum is ready for immediate use upon unboxing. No assembly or preparation is required.

- Unpack:** Carefully remove the perfume bottle from its packaging.
- Inspect:** Verify that the bottle and spray mechanism are intact and free from damage.
- First Use:** Before initial application, it may be necessary to prime the spray pump by pressing it a few times until a fine mist is dispensed.

Image: Ferrera Stiletto perfume bottle. The bottle is dark blue and shaped like a high-heeled shoe, with a black heel.

## OPERATING INSTRUCTIONS (APPLICATION)

---

For optimal fragrance diffusion and longevity, apply the Ferrera Stiletto Eau de Parfum to pulse points.

- **Identify Pulse Points:** Common pulse points include the wrists, neck (behind the ears and at the base), and inner elbows. These areas generate heat, which helps to project the fragrance.
- **Application Method:** Hold the bottle approximately 5-7 inches (12-18 cm) away from your skin and press the spray nozzle firmly to release a fine mist.
- **Avoid Rubbing:** After applying to wrists, avoid rubbing them together. Rubbing can break down the fragrance molecules, altering the scent and reducing its longevity.
- **Layering (Optional):** For a more intense and longer-lasting scent, consider applying to freshly moisturized skin.

# Fragrance Concentration Guide

## MAINTENANCE AND STORAGE

Proper storage and care will help preserve the quality and longevity of your Ferrera Stiletto Eau de Parfum.

- **Storage Location:** Store the perfume in a cool, dry place away from direct sunlight and extreme temperature fluctuations. A closet or drawer is ideal.
- **Keep Cap On:** Always replace the cap securely after each use to prevent evaporation and contamination.
- **Avoid Humidity:** Do not store perfume in bathrooms, as humidity can degrade the fragrance over time.
- **Cleaning:** If the bottle or spray nozzle becomes dusty, gently wipe with a soft, dry cloth. Do not use harsh chemicals.

## TROUBLESHOOTING

Issue	Possible Cause	Solution
Spray nozzle not working or clogged	Dried perfume residue; pump not primed.	Gently wipe the nozzle with a damp cloth. Prime the pump by spraying several times. If severely clogged, try soaking the nozzle in warm water for a few minutes.

Issue	Possible Cause	Solution
Fragrance scent seems weak or doesn't last	Improper application; storage issues; individual skin chemistry.	Ensure application to pulse points. Avoid rubbing skin after application. Store in a cool, dark place. Consider moisturizing skin before application.
Scent has changed or degraded	Exposure to heat, light, or air; product expiration.	Store perfume correctly (cool, dark, sealed). Perfumes typically have a shelf life of 3-5 years after opening.

## SPECIFICATIONS

---
