4. SETUP AND ASSEMBLY

This desk requires assembly. Please follow the included assembly instructions carefully. It is recommended to have a Phillips head screwdriver and potentially a power drill (on a low torque setting) for faster assembly, especially for the numerous screws involved. Ensure all components are present before starting.

1. Unpack all components and verify against the parts list (usually found in the assembly guide).
2. Identify each panel and hardware piece.
3. Assemble the main frame of the desk, ensuring all connections are secure.
4. Install the drawer runners and assemble the drawers according to the instructions.
5. Attach the drawer fronts and handles.
6. Carefully place the desk in its desired location.

5. OPERATING INSTRUCTIONS

The Vida Designs 3331083 Computer Desk is designed for general office and home use. Place your computer, monitor, keyboard, and other peripherals on the main desktop surface. Utilize the three drawers for storing documents, stationery, and personal items. The open shelves are suitable for books, decorative items, or small electronic devices.

6. MAINTENANCE

To ensure the longevity and appearance of your desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth with mild soap can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** Clean up spills immediately to prevent damage to the finish.
- **Hardware:** Periodically check and tighten all screws and fittings to maintain stability.
- **Protection:** Use coasters under drinks and placemats under hot items to protect the surface.

7. TROUBLESHOOTING

If you encounter any issues with your desk, consider the following:

- **Wobbly Desk:** Ensure all assembly screws are fully tightened. Check that the desk is on a level surface; use furniture pads if necessary to stabilize.
- **Drawers Not Sliding Smoothly:** Verify that the drawer runners are correctly installed and free from obstructions. Ensure the drawers are not overloaded.

- **Damaged Parts:** If any parts arrived damaged or become damaged during assembly, please contact Vida Designs customer support for assistance.
