MAINTENANCE

- Cleaning:** To clean your building set, gently wipe the pieces with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic.
- Storage:** Store the assembled model or individual pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping. The original packaging or a dedicated storage container is ideal.

TROUBLESHOOTING

- Missing Pieces:** If you find any pieces are missing, please contact Brick Loot customer support with your product model number and a description of the missing part.
- Difficulty Connecting Pieces:** Ensure pieces are correctly aligned. Apply gentle, even pressure. If a piece is consistently difficult to connect, check for any deformities or excess plastic.
- Loose Connections:** If pieces feel loose, ensure they are fully pressed together. For persistent looseness, check if the piece is damaged or if an incorrect piece is being used.
