adidas RPT-01

adidas RPT-01 Wireless On-Ear Sport Headphones User Manual

Model: RPT-01 (1002737)

INTRODUCTION

This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your adidas RPT-01 Wireless On-Ear Sport Headphones. Please read this manual thoroughly before using your headphones to ensure optimal performance and longevity.

The adidas RPT-01 headphones are designed for active lifestyles, offering wireless connectivity, durable construction, and extended battery life for your training sessions and daily use.

PRODUCT OVERVIEW

Figure 1: Front view of the adidas RPT-01 Wireless On-Ear Sport Headphones, showcasing the black and grey knitted fabric earcups and headband, with the adidas logo visible on the left earcup.

Figure 2: The adidas RPT-01 headphones resting on a wooden desk, positioned next to a clear water bottle and a computer monitor, illustrating their compact design and suitability for everyday use.

The RPT-01 headphones feature a durable, sweat-resistant design with removable and washable ear cushions, making them ideal for intense workouts. They offer intuitive controls and a long-lasting battery.

SETUP

1. Charging the Headphones

Before first use, fully charge your adidas RPT-01 headphones. A full charge provides up to 40 hours of playback time.

- Locate the USB-C charging port on the headphones.
- Connect the provided USB-C cable to the headphones and the other end to a USB power source (e.g., computer USB port, wall adapter).
- The LED indicator on the headphones will show charging status. It will turn solid when fully charged.

2. Pairing with a Bluetooth Device

The RPT-01 uses Bluetooth 5.0 for wireless connectivity.

1. Ensure your headphones are charged and turned off.
2. Press and hold the control knob (multi-directional control) for approximately 5 seconds until the LED indicator starts blinking blue, indicating pairing mode.
3. On your device (smartphone, tablet, computer), go to Bluetooth settings and enable Bluetooth.
4. Select "adidas RPT-01" from the list of available devices.
5. Once connected, the LED indicator on the headphones will turn solid blue.
6. If prompted for a passkey, enter "0000".

For subsequent connections, the headphones will automatically connect to the last paired device when turned on and within range.

OPERATING INSTRUCTIONS

Control Knob Functions

The adidas RPT-01 headphones feature a single multi-directional control knob for all primary functions.

| Action | Function |
|---------------------|-----------------------------|
| Press and hold (2s) | Power On/Off |
| Press (short) | Play/Pause, Answer/End Call |
| Press (double) | Next Track |
| Press (triple) | Previous Track |
| Push Up | Volume Up |
| Push Down | Volume Down |
| Push Left | Activate Voice Assistant |
| Push Right | Check Battery Status |

Making and Receiving Calls

The built-in microphone allows for hands-free calling.

- **Answer Call:** Press the control knob once.
- **End Call:** Press the control knob once during a call.

- **Reject Call:** Press and hold the control knob for 2 seconds when a call comes in.

MAINTENANCE

Proper maintenance ensures the longevity and hygiene of your adidas RPT-01 headphones.

Cleaning the Ear Cushions and Headband

The knitted fabric ear cushions and headband are removable and washable.

1. Gently detach the ear cushions and headband cover from the headphone frame.
2. Hand wash them with mild soap and cold water. Do not machine wash or tumble dry.
3. Rinse thoroughly and allow them to air dry completely before reattaching.
4. Ensure the headphones themselves do not come into contact with water.

General Care

- Wipe the non-fabric parts of the headphones with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners.
- Store the headphones in a cool, dry place when not in use.
- Do not expose the headphones to extreme temperatures or direct sunlight for extended periods.

TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|---------------------------------|--|---|
| Headphones do not turn on. | Low battery. | Charge the headphones fully. |
| Cannot pair with device. | Headphones not in pairing mode; device Bluetooth off; too many paired devices. | Ensure headphones are in pairing mode (blinking blue LED). Turn device Bluetooth off and on. Forget "adidas RPT-01" from device's Bluetooth list and re-pair. |
| No sound or low volume. | Volume too low on headphones or device; headphones not connected. | Increase volume on both headphones and device. Ensure headphones are properly connected to the device. |
| Sound cuts out or is distorted. | Out of Bluetooth range; interference; low battery. | Move closer to the paired device. Avoid strong Wi-Fi signals or other Bluetooth devices. Charge headphones. |

If the issue persists, try resetting the headphones. Consult the adidas Headphones app for advanced troubleshooting or firmware updates.
