**Feit Electric FY/G25/RGB/CR/LED**

## **Feit Electric G25 Decorative Fairy RGB LED Light Bulb Instruction Manual**

Model: FY/G25/RGB/CR/LED | Brand: Feit Electric

### **1. INTRODUCTION**

This manual provides instructions for the safe and proper use of your Feit Electric G25 Decorative Fairy RGB LED Light Bulb. This unique globe-shaped bulb features clear crackle glass and embedded mini-LEDs that create a multi-colored, magical glow. It is designed for use in standard medium base (E26) fixtures.

## 2. SAFETY INFORMATION

- **WARNING:** Risk of electric shock. Do not open.
- Ensure power is turned off at the switch and the main circuit breaker before installation, removal, or inspection.
- Do not use with dimmers. This bulb is non-dimmable.
- Suitable for damp locations. Do not expose directly to water.
- Do not use in totally enclosed fixtures as this may shorten bulb life.
- This device is not intended for use with emergency exits or emergency lights.
- Operating temperature: -4°F to 104°F (-20°C to 40°C).

## 3. PACKAGE CONTENTS

The package contains the following item:

- 1 x Feit Electric G25 Decorative Fairy RGB LED Light Bulb (Model: FY/G25/RGB/CR/LED)

#### 4. SPECIFICATIONS

## 5. INSTALLATION

- Turn off Power:** Before beginning installation, ensure the power to the fixture is turned off at the circuit breaker and the wall switch.
- Prepare Fixture:** Ensure the fixture is compatible with an E26 (medium) base bulb and meets the bulb's electrical requirements (120V).
- Install Bulb:** Carefully screw the Feit Electric G25 Decorative Fairy RGB LED Light Bulb into the fixture's socket until it is snug. Do not overtighten.
- Restore Power:** Turn the power back on at the circuit breaker and the wall switch.

The bulb is now ready for operation.

## 6. OPERATION

The Feit Electric G25 Decorative Fairy RGB LED Light Bulb provides a multi-color light effect. The bulb's color-changing function is controlled by cycling the power switch (on/off/on). Each time the bulb is turned off and then immediately back on, it will cycle to the next color or mode.

- **Power On:** Turn on the light switch to illuminate the bulb.
- **Change Color/Mode:** To cycle through the available colors (Red, Green, Blue, Purple, etc.) and color-changing modes, quickly turn the light switch OFF and then ON again.
- **Power Off:** Turn off the light switch to turn off the bulb. The bulb will remember the last selected color/mode when turned back on, unless the power is cycled quickly.

## 7. MAINTENANCE

This LED bulb requires minimal maintenance. Follow these guidelines to ensure longevity and optimal performance:

- **Cleaning:** Ensure the power is off and the bulb is cool before cleaning. Wipe the bulb with a soft, dry cloth. Do not use liquid or abrasive cleaners.
- **Replacement:** When the bulb reaches the end of its lifespan, replace it with a new Feit Electric G25 Decorative Fairy RGB LED Light Bulb or a compatible LED bulb.

## 8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bulb does not light up.	No power to the fixture. Bulb not screwed in properly. Bulb has reached end of life.	Check circuit breaker and wall switch. Ensure bulb is securely screwed into the socket. Replace the bulb.
Bulb flickers.	Loose connection. Incompatible dimmer switch.	Ensure bulb is securely screwed in. This bulb is non-dimmable; remove from dimmer circuit.
Color changing is inconsistent.	Power cycling too slow or too fast.	Ensure a quick OFF/ON cycle to change colors.

## 9. WARRANTY AND SUPPORT

This Feit Electric product is covered by a **2-year warranty** from the date of purchase. If you experience any issues or require technical assistance, please contact Feit Electric customer support.
