4. SETUP

4.1 Charging the Keyboard

Before initial use, fully charge the keyboard. Use the provided USB charging cable to connect the keyboard to a USB power source (e.g., computer, USB wall adapter). The charging indicator light will illuminate during charging and turn off once fully charged. A full charge typically takes approximately 2 hours.

4.2 Bluetooth Pairing

Follow these steps to pair your FINTIE keyboard with your device:

1. Turn on the keyboard by sliding the **ON/OFF** switch to the 'ON' position. The power indicator light will briefly illuminate.
2. Press the '**Connect**' button (usually located near the ON/OFF switch). The Bluetooth indicator light will start blinking, indicating the keyboard is in pairing mode.
3. On your device (iPad, Android tablet, etc.), go to **Settings > Bluetooth**.
4. Ensure Bluetooth is enabled on your device.
5. Your device will search for available Bluetooth devices. Locate and select '**Bluetooth Keyboard**' (or a similar name) from the list.
6. If prompted, enter the displayed pairing code on the FINTIE keyboard and press **Enter**.

7. Once successfully paired, the Bluetooth indicator light on the keyboard will stop blinking and turn off. Your device will show the keyboard as 'Connected'.

6. MAINTENANCE

To ensure the longevity and optimal performance of your FINTIE keyboard, follow these maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution to wipe the surface of the keyboard. Avoid harsh chemicals, abrasive cleaners, or excessive moisture.
- **Storage:** When not in use, store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures.
- **Protection:** Avoid dropping the keyboard or exposing it to impacts, which can damage internal components.
- **Liquid Exposure:** Keep the keyboard away from liquids. In case of accidental spills, immediately power off the keyboard and allow it to dry completely before attempting to use it again.

7. TROUBLESHOOTING

If you encounter issues with your FINTIE keyboard, refer to the following troubleshooting steps:

7.1 Keyboard Not Connecting/Pairing

- **Check Power:** Ensure the keyboard is turned on and has sufficient battery charge. Recharge if necessary.
- **Bluetooth On:** Verify that Bluetooth is enabled on your device (tablet, smartphone).
- **Re-enter Pairing Mode:** Press the 'Connect' button on the keyboard to re-enter pairing mode.
- **Forget Device:** On your device, go to Bluetooth settings, 'forget' or 'unpair' the keyboard if it was previously connected, then attempt to pair again.
- **Restart Devices:** Restart both your keyboard (turn off and on) and your device, then try pairing again.
- **Distance:** Ensure the keyboard is within the effective range of your device (typically up to 10 meters or 33 feet).

7.2 Keys Not Responding

- **Check Connection:** Ensure the keyboard is properly connected via Bluetooth to your device.
- **Battery Level:** A low battery can cause intermittent key responses. Charge the keyboard fully.
- **Restart:** Turn the keyboard off and then on again.

- **Clean Keys:** Check for any debris or obstructions under the keys.

7.3 Incorrect Characters Typed (AZERTY Layout)

- **Device Language Settings:** Ensure your device's keyboard input language is set to 'French (AZERTY)' or the appropriate AZERTY layout. If it's set to QWERTY, the characters will not match.

8. WARRANTY AND SUPPORT

FINTIE products are designed for reliability and performance. For specific warranty information, please refer to the warranty card included with your purchase or visit the official FINTIE website. For technical support or further assistance, please contact FINTIE customer service through their official channels.

You can often find support resources and contact information on the FINTIE brand store page:[FINTIE Amazon Store](#)
