YouthWhisper Lite

YouthWhisper Lite Bone Conduction Headphones User Manual

Model: Lite

1. Introduction

The YouthWhisper Lite Bone Conduction Headphones offer an open-ear listening experience, transmitting sound through your cheekbones. This design allows you to remain aware of your surroundings while enjoying audio, making them suitable for various activities such as running, cycling, hiking, and daily use. The headphones are lightweight, sweat-resistant, and feature Bluetooth 5.0 connectivity.

3. Product Overview

The YouthWhisper Lite headphones are designed for comfort and durability. They feature a flexible titanium frame and intuitive controls.

3.1 Components and Controls

- **Anti-vibration silicone:** Ensures comfortable contact with the skin.
- **Multi-function button:** For power, play/pause, and call management.
- **Volume buttons:** Adjust audio volume.
- **Micro-USB port:** For charging the device.

4. Setup

4.1 Charging the Headphones

Before first use, fully charge the headphones. Connect the provided USB charging cable to the Micro-USB port on the headphones and to a compatible USB power source. The LED indicator will show charging status.

- **Charging Time:** Approximately 2 hours.
- **Battery Life:** Up to 6 hours of music play, 8 hours of phone calls, or 20 days standby time.

4.2 Bluetooth Pairing

Follow these steps to pair your headphones with a Bluetooth-enabled device:

1. **Step 1:** Press and hold the Power/Multi-function button for 3 seconds. The LED indicator will flash alternately in red and blue, indicating pairing mode.
2. **Step 2:** On your device (smartphone, tablet, etc.), open the Bluetooth settings menu.
3. **Step 3:** Search for available devices and select "YWLite" to connect. Once connected, the LED indicator will typically show a solid blue light or flash slowly.

5. Operating Instructions

5.1 Wearing the Headphones

Place the headphones with the transducers resting on your cheekbones, just in front of your ears. The band should wrap around the back of your head. Adjust for a comfortable and secure fit.

5.2 Basic Functions

- **Power On/Off:** Press and hold the Multi-function button.
- **Play/Pause:** Press the Multi-function button once.
- **Volume Up/Down:** Use the dedicated volume buttons.
- **Next Track:** Press and hold the Volume Up button.
- **Previous Track:** Press and hold the Volume Down button.

5.3 Call Management

- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button.

6. Maintenance

The YouthWhisper Lite headphones are sweat-resistant (IP54 rated). To ensure longevity:

- Wipe the headphones clean with a soft, dry cloth after each use, especially after intense workouts.
- Avoid submerging the headphones in water.
- Store in a cool, dry place away from direct sunlight and extreme temperatures.

7. Troubleshooting

Problem	Possible Solution
Headphones do not power on.	Ensure the headphones are fully charged.
Cannot pair with device.	Ensure headphones are in pairing mode (LED flashing red/blue). Turn off and on Bluetooth on your device. Move closer to the device.
No sound or low volume.	Adjust volume on both headphones and connected device. Ensure headphones are correctly positioned on cheekbones. If in a noisy environment, use the provided earplugs.

Problem	Possible Solution
Intermittent connection.	Reduce distance between headphones and device. Avoid obstacles. Ensure no other devices are interfering with the Bluetooth signal.
