2. SAFETY INFORMATION

WARNING: Choking Hazard - small parts. Not for children under 3 years.

This product contains small pieces that could pose a choking hazard. Keep all puzzle pieces away from young children and pets. Adult supervision is recommended when children are assembling the puzzle.

3. SETUP AND PREPARATION

1. **Choose a Suitable Workspace:** Select a flat, stable surface large enough to accommodate the completed puzzle (approximately 26.89 x 18.9 inches or 68.3 x 48 cm). A puzzle mat or a large board can be helpful for portability.
2. **Ensure Good Lighting:** Adequate lighting will help in distinguishing colors and details of the puzzle pieces.
3. **Unpack the Puzzle:** Carefully open the puzzle box and empty all pieces onto your chosen workspace.
4. **Sort the Pieces:**
 - Separate all edge pieces from the interior pieces. Edge pieces typically have one flat side.
 - Sort interior pieces by color, pattern, or distinct features. This will make assembly easier.

4. PUZZLE ASSEMBLY INSTRUCTIONS

1. **Build the Border:** Begin by assembling the frame of the puzzle using the sorted edge pieces. Refer to the image on the puzzle box for guidance.
2. **Work on Distinct Sections:** After the border is complete, focus on areas with unique colors, patterns, or characters. Use your sorted piles to find matching pieces.
3. **Connect Pieces:** Gently fit pieces together. If a piece does not fit easily, do not force it, as this can damage the piece. Look for alternative connections.
4. **Refer to the Box Image:** The image on the puzzle box serves as your primary reference. Keep it visible throughout the assembly process.
5. **Enjoy the Process:** Take breaks as needed. Jigsaw puzzling is a relaxing activity, and patience is key.

- **Cleaning:** If pieces become dusty, gently wipe them with a dry, soft cloth. Avoid using water or cleaning solutions, as these can damage the puzzle's finish.
- **Handling:** Handle pieces carefully to prevent bending or tearing. Avoid excessive force when connecting pieces.
