JEKCA ST19RT01

JEKCA Crocodile 01S Building Blocks Instruction Manual

Model: ST19RT01

INTRODUCTION

Thank you for choosing the JEKCA Crocodile 01S building block set. This manual provides detailed instructions for assembling, maintaining, and troubleshooting your model. The JEKCA Crocodile 01S is a complex and rewarding building experience, designed for enthusiasts aged 14 and above, featuring over 1200 pieces and JEKCA's unique interlocking brick-through system for a sturdy, glue-free construction.

SAFETY INFORMATION

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years of age due to choking hazards.
- **Age Recommendation:** Recommended for individuals 14 years and older.
- Keep all components away from pets to prevent accidental ingestion.

WHAT'S IN THE BOX

Please verify that all the following components are included in your package:

- Bricks (over 1200 pieces)
- Instruction Manual (this document)
- Pin Driver
- Pins
- Quick Guide

ASSEMBLY INSTRUCTIONS

The JEKCA Crocodile 01S utilizes a patented interlocking brick-through system, ensuring a strong and stable model without the need for glue. Follow the steps below and refer to the included Quick Guide for visual assistance.

General Assembly Process:

1. **Identify Pieces:** Sort your bricks by color and shape as indicated in the Quick Guide.
2. **Connect Bricks:** Place two bricks together, aligning their holes.
3. **Insert Pin:** Insert a pin through the aligned holes of the two bricks.
4. **Secure with Pin Driver:** Use the provided pin driver to turn the pin 90 degrees. This locks the bricks securely in place. Ensure the pin is fully turned for maximum stability.
5. **Follow Manual:** Proceed step-by-step according to the detailed diagrams in the included Instruction Manual. Each step will show which bricks to use and where to place them.

Image: Illustration of the JEKCA interlocking system. Step 1 shows inserting a pin (screw) into aligned bricks. Step 2 shows turning the pin 90 degrees with a driver to secure the connection, highlighting the simplicity, aesthetic, and sturdiness of the build.

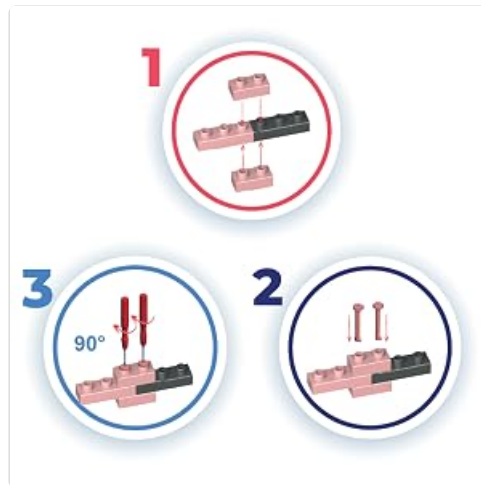

Image: A circular diagram showing three steps for connecting JEKCA bricks. Step 1 illustrates aligning two bricks. Step 2 shows inserting two pins into the aligned bricks. Step 3 depicts using the pin driver to turn the pins 90 degrees for a secure lock.

Finished Product Overview:

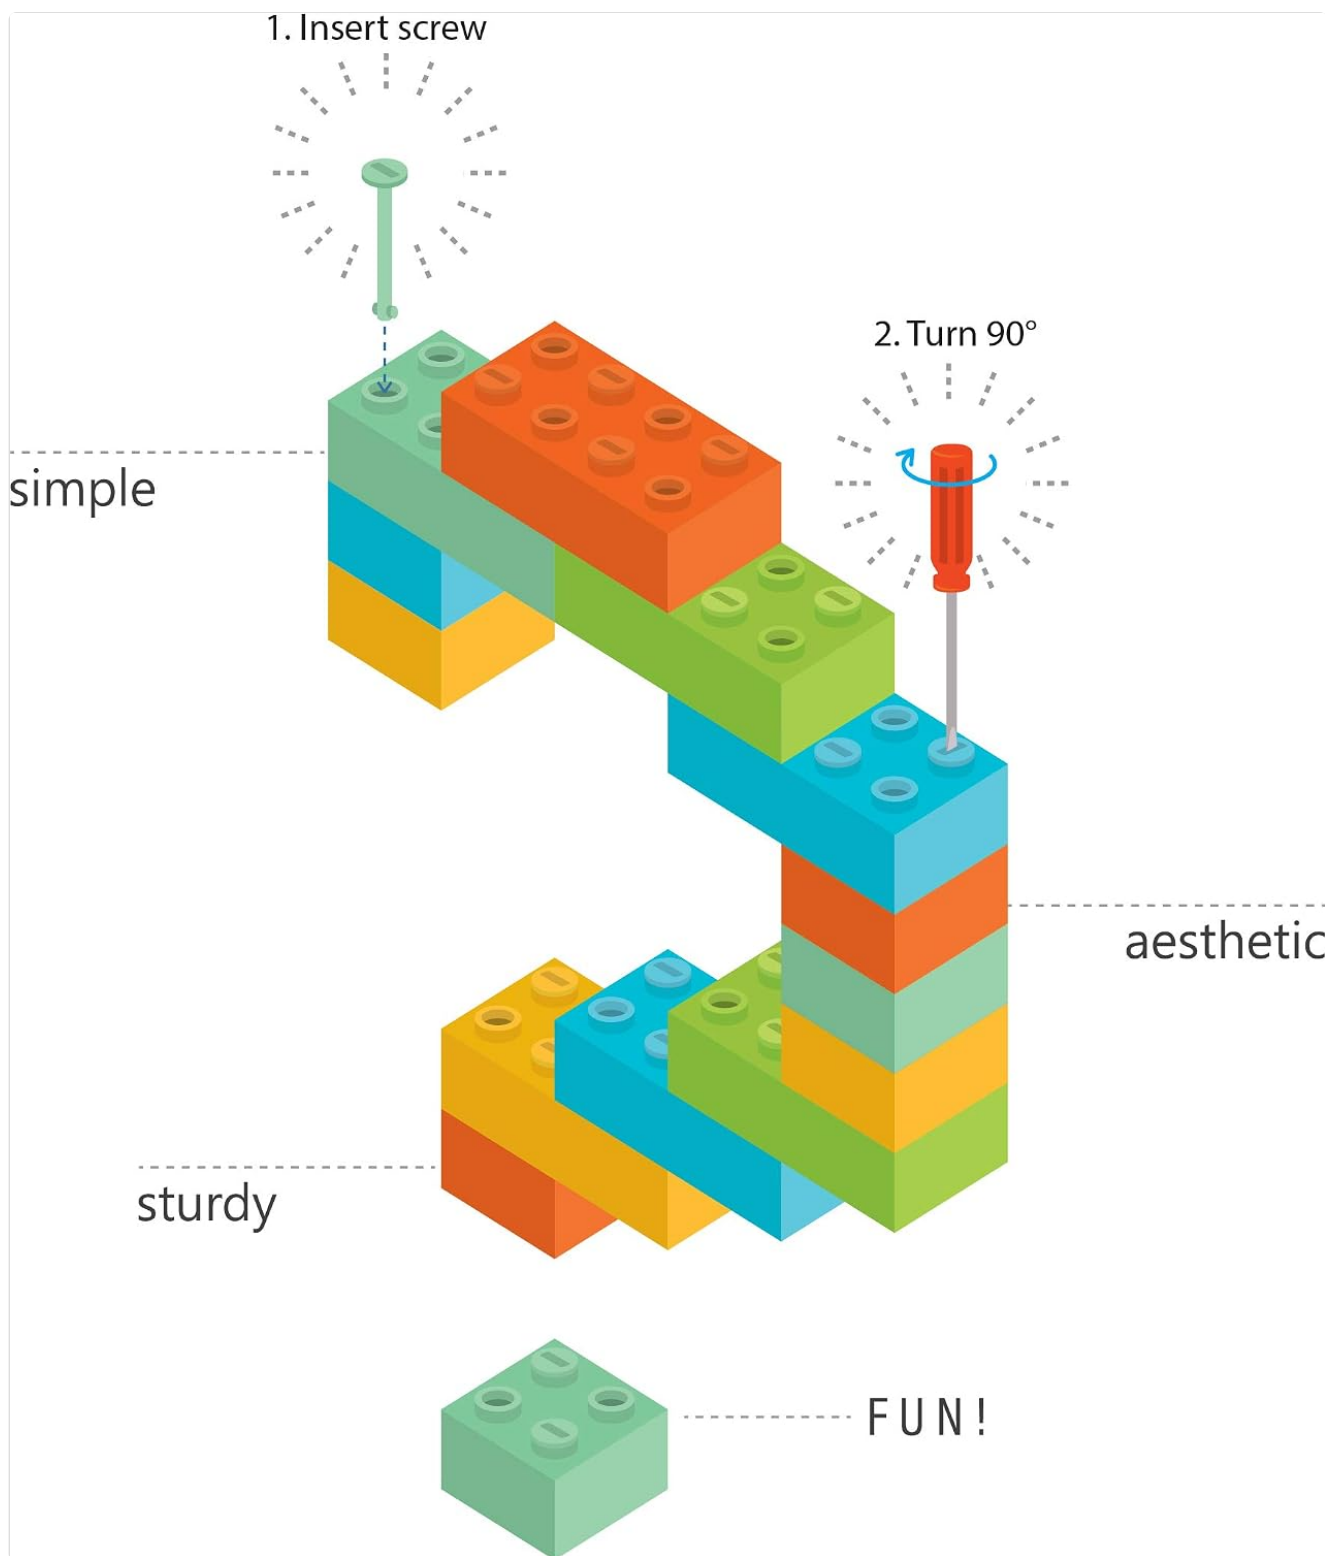

Image: The fully assembled JEKCA Crocodile 01S model, a grey and yellow crocodile made of building blocks. Dimensions are indicated: 45cm length, 21.3cm width, and 13.8cm height.

MAINTENANCE

To keep your JEKCA Crocodile 01S model in optimal condition:

- **Cleaning:** Gently wipe the model with a soft, damp cloth to remove dust. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** While sturdy, avoid excessive force or dropping the model to prevent pieces from detaching.

TROUBLESHOOTING

- **Difficulty Connecting Bricks:** Ensure the pins are fully inserted and turned 90 degrees with the pin driver. If a brick seems stuck, gently wiggle it while applying pressure.
- **Missing Pieces:** In the rare event of missing components, please contact JEKCA customer support with your product model number and details of the missing parts.
- **Loose Connections:** If a section feels loose, check that all pins in that area are correctly inserted and fully turned. Re-tighten with the pin driver if necessary.

SPECIFICATIONS

Feature	Detail
