Image 1: Dimensions of the three flameless candles. The candles have a 3-inch diameter and heights of 4, 5, and 6 inches respectively.

## 4. SETUP

Follow these steps to prepare your flameless candles for use:

### 1. Install Batteries in Candles:

- Locate the battery compartment at the bottom of each candle.
- Open the battery cover.
- Insert 2 x AA batteries (not included) into each candle, ensuring correct polarity (+/-).

- Close the battery cover securely.

## 2. Prepare Remote Control:

- The remote control is powered by one CR2025 coin cell battery, which is included.
- Remove the clear plastic insulating sheet from the remote control's battery compartment before first use.

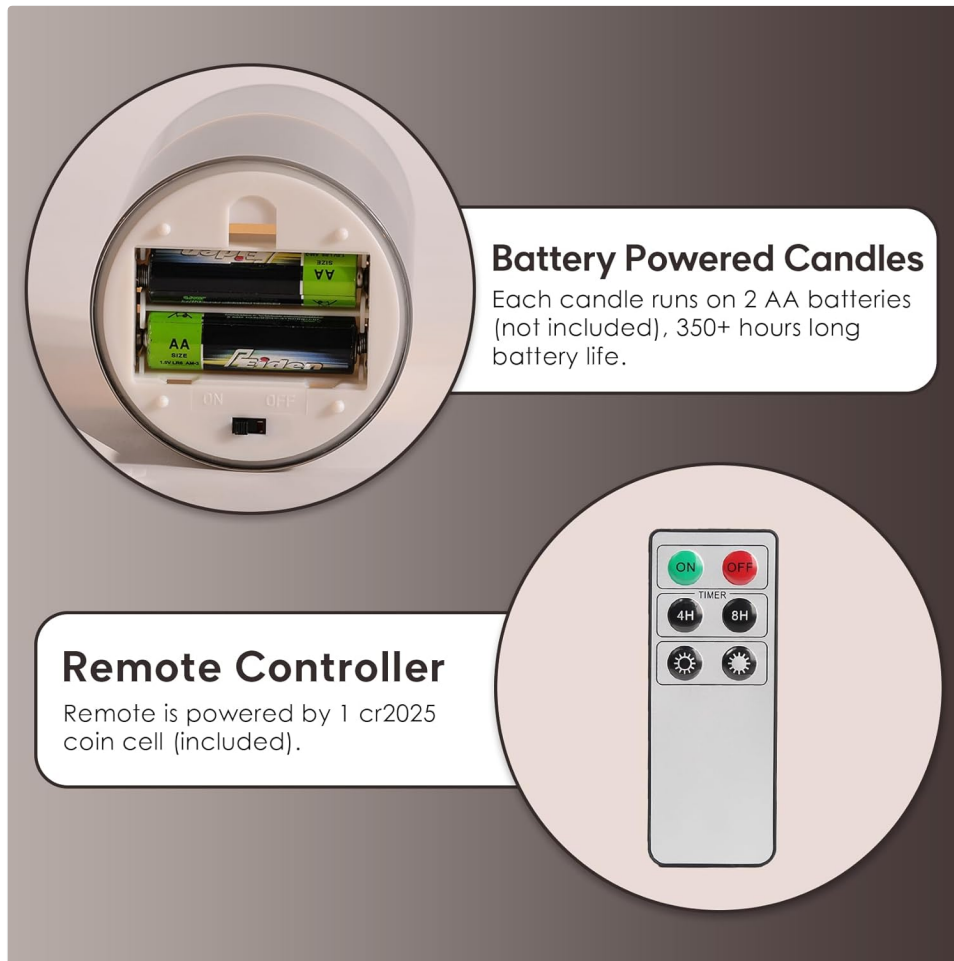

Image 2: Battery installation for the candles and remote control. Each candle requires 2 AA batteries, and the remote uses a CR2025 coin cell.

## 5. OPERATING INSTRUCTIONS

Use the included remote control to operate your flameless candles. The remote can control all three candles simultaneously from up to 20 feet away.

Image 3: The set of three smoke grey flameless candles and their remote control.

### Remote Control Functions:

- **ON/OFF Button:** Press the **ON** button to turn the candles on. Press the **OFF** button to turn the candles off.
- **Timer Buttons (4H/8H):**
  - Press **4H** to set a 4-hour timer. The candles will stay on for 4 hours and then turn off automatically. They will turn on again at the same time the next day.
  - Press **8H** to set an 8-hour timer. The candles will stay on for 8 hours and then turn off automatically. They will turn on again at the same time the next day.
  - To cancel the timer, press the **OFF** button.
- **Brightness Adjustment Buttons:**
  - Use the **brightness up** button (sun icon with plus) to increase the candle's brightness.
  - Use the **brightness down** button (sun icon with minus) to decrease the candle's brightness.

# Remote Magic

## Your World in One Tap

Use remote to control power, set 4/8 hours timer and customize brightness from up to 20 feet away.

Note: please remove the insulating sheet in the remote before use.

## 6. MAINTENANCE

Proper care will ensure the longevity and appearance of your flameless candles.

- **Cleaning:** Wipe the glass and wax surfaces with a soft, dry cloth. Avoid abrasive cleaners or solvents.
- **Battery Replacement:** Replace batteries when the light dims or the candles stop responding. Always replace all batteries in a candle at the same time with new ones. Dispose of used batteries responsibly.
- **Storage:** If storing the candles for an extended period, remove the batteries to prevent leakage and corrosion. Store in a cool, dry place.
- **Handling:** Handle the glass candles with care to prevent breakage.

## QUALITY YOU CAN FEEL

## 7. TROUBLESHOOTING

If you encounter issues with your flameless candles, refer to the following common solutions:

- **Candles do not turn on:**

- Ensure batteries are inserted correctly with proper polarity.
- Replace old batteries with new ones.
- Check if the ON/OFF switch at the bottom of the candle is in the 'ON' position.

- **Remote control is not working:**

- Ensure the plastic insulating sheet has been removed from the remote's battery compartment.
- Replace the CR2025 coin cell battery in the remote control.
- Ensure you are within the 20-foot operating range and there are no obstructions between the remote and the candles.

- **Candle light is dim or inconsistent:**

- This usually indicates low battery power. Replace the AA batteries in the affected candle(s).
- Use the brightness adjustment buttons on the remote to increase the light intensity.

- **Timer function is not working correctly:**

- Ensure the timer was set by pressing either the 4H or 8H button while the candles were on.
- To reset the timer, turn the candles off and then on again, and re-select your desired timer setting.

## 8. SAFETY INFORMATION

---

These flameless candles are designed with safety in mind, eliminating common hazards associated with traditional candles.

- **No Fire Risk:** As these are LED candles, there is no open flame, reducing the risk of fire.
- **No Smoke or Drips:** Enjoy the ambiance without smoke, soot, or wax drips.
- **Child and Pet Safe:** The flameless design makes these candles safer for homes with children and pets.
- **Indoor Use Only:** These candles are designed for indoor use. Avoid exposure to water or extreme temperatures.
