PK Power AC Adapter User Manual

Model: e15a8e49-aa99-4de3-86d7-ef1357cbb51c

1. Introduction

This manual provides essential instructions for the safe and effective use of your PK Power AC Adapter. This adapter is designed to provide reliable power to compatible electronic devices, specifically the Halex 64469 Barrington Electronic Dartboard. Please read this manual thoroughly before use and retain it for future reference.

2. Safety Information

Important Safety Warnings:

- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.
- Do not expose the adapter to water, moisture, or extreme temperatures. Use indoors only.
- Ensure the adapter is connected to a power outlet with the correct voltage (100-240V).
- Do not attempt to open, modify, or repair the adapter. Refer all servicing to qualified personnel.
- Keep out of reach of children.

- Disconnect the adapter from the power outlet when not in use for extended periods.

3. Package Contents

Verify that all items are present in the package:

- 1 x PK Power AC Adapter

4. Setup

Follow these steps to set up your AC adapter:

1. Locate the power input port on your Halex 64469 Barrington Electronic Dartboard.
2. Connect the output plug of the PK Power AC Adapter into the power input port of the dartboard. Ensure a snug fit.
3. Plug the AC adapter into a standard, functional electrical wall outlet.
4. Ensure all connections are secure before powering on your device.

Image 2: PK Power AC Adapter ready for connection.

5. Operating Instructions

Once the adapter is correctly connected to both the power outlet and your Halex 64469 Barrington Electronic Dartboard, the dartboard should receive power. If your dartboard has a power switch, turn it to the 'ON' position to begin operation.

6. Maintenance

To ensure the longevity and proper functioning of your AC adapter, follow these maintenance guidelines:

- Keep the adapter clean and dry. Use a soft, dry cloth to wipe off any dust or dirt.
- Avoid bending, twisting, or kinking the power cable excessively, as this can damage internal wires.
- Store the adapter in a cool, dry place away from direct sunlight and heat sources when not in use.
- Do not place heavy objects on the adapter or its cable.

7. Troubleshooting

If you encounter issues with your AC adapter, refer to the following troubleshooting steps:

- **Device does not power on:**
  - Ensure the adapter is securely plugged into both the wall outlet and the dartboard.
  - Verify that the wall outlet is functional by testing it with another device.
  - Check if the dartboard's power switch (if any) is in the 'ON' position.
  - Confirm that this specific adapter model (e15a8e49-aa99-4de3-86d7-ef1357cbb51c) is compatible with your Halex 64469 Barrington Electronic Dartboard. Incompatibility can prevent proper function.
- **Adapter feels warm during operation:**
  - A slight warmth is normal during operation. If the adapter becomes excessively hot, emits smoke, or produces unusual odors, immediately disconnect it from the power source and discontinue use. Contact customer support.

8. Specifications

Model Number	e15a8e49-aa99-4de3-86d7-ef1357cbb51c
Input Voltage	100-240V AC, 50-60Hz
Output Current	2 Amps
Certifications	CE, FCC, RoHS
Protection Features	OVP (Over Voltage Protection), OCP (Over Current Protection), SCP (Short Circuit Protection)
Item Weight	4 ounces
Color	Black

Dimensions

Image 3: PK Power AC Adapter with labeled dimensions.

- Length: Approximately 2.92 inches
- Width: Approximately 1.58 inches
- Height: Approximately 1.18 inches

9. Compatibility
