

PEIDUO DCD010B

PEIDUO 2FT Birch Tree LED Lights Instruction Manual

Model: DCD010B

1. INTRODUCTION

Thank you for choosing the PEIDUO 2FT Birch Tree with LED Lights. This instruction manual provides essential information for the safe and efficient setup, operation, and maintenance of your product. Please read it thoroughly before use and retain it for future reference.

This decorative birch tree features 24 warm white LED lights, a 2-foot overall height, and a 4-inch square base. Its flexible branches allow for custom shaping and can hold lightweight ornaments. The tree is battery-powered with a convenient timer function, making it suitable for various indoor decorative purposes throughout the year.

2. PACKAGE CONTENTS

Ensure all items listed below are present in your package:

- 2 x 2FT Birch Tree with LED Lights
- 2 x Square Base
- Instruction Manual

3. SETUP INSTRUCTIONS

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Assemble the Tree:** Insert the base of each birch tree into its corresponding square base. Ensure a secure connection.
3. **Power Source:** The tree can be powered by 3 AA batteries (not included) or via a USB cable (included).

- *For Battery Power:* Open the battery compartment on the underside of the square base and insert 3 AA batteries, observing correct polarity. Close the compartment securely.
 - *For USB Power:* Connect the provided USB cable to the port on the side of the square base and plug the other end into a compatible USB power adapter (not included).
4. **Shape the Branches:** Gently bend and spread the flexible branches to achieve your desired tree shape. The branches are sturdy enough to hold lightweight ornaments.

4. OPERATING INSTRUCTIONS

The square base features a button for controlling the tree's functions:

- **Press once:** Steady On mode. The lights will remain continuously lit.

- **Press twice:** Timer mode. The lights will turn on for 6 hours and then automatically turn off for 18 hours, repeating the cycle daily.
- **Press a third time:** Turn Off. The lights will turn off.

5. MAINTENANCE

- **Cleaning:** Wipe the tree and base with a soft, dry cloth. Do not use abrasive cleaners or immerse in water.
- **Storage:** When not in use, gently gather the branches and store the tree in its original packaging or a suitable container in a cool, dry place. Remove batteries if storing for extended periods.
- **Battery Replacement:** Replace all 3 AA batteries simultaneously with new ones when the lights dim or stop working.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Lights do not turn on.	No power / Dead batteries / Loose connection.	Ensure batteries are correctly inserted or replaced. Check USB cable connection. Press the power button.
Lights are dim.	Low battery power.	Replace batteries with new ones.
Timer function not working.	Incorrect mode selected.	Press the button twice to activate timer mode.
