Fine Fixtures ST-RSWB

Fine Fixtures Roosevelt Pedestal Replacement Column Instruction Manual

Model: ST-RSWB

1. PRODUCT OVERVIEW

The Fine Fixtures Roosevelt Pedestal Replacement Column is designed as a direct replacement part for the Roosevelt Pedestal Collection. Crafted from high-quality vitreous china ceramic, this column provides sturdy and durable support for compatible pedestal sinks. Its elegant design ensures it blends seamlessly with various bathroom decors, offering a classic or contemporary look.

Key Features:

- High-quality vitreous china ceramic construction for durability and resistance to rust, dents, and scratches.
- Specifically designed as a replacement column for the Fine Fixtures Roosevelt Pedestal Collection.
- Elegant and contemporary rectangular pedestal design.
- Features an open back for easier installation.
- Germ-resistant, stain-resistant, and easy to clean surface.

2. SETUP AND INSTALLATION

This pedestal column is intended to be installed with a compatible sink basin from the Fine Fixtures Roosevelt Pedestal Collection. Proper installation ensures stability and longevity of your sink setup.

Installation Steps:

1. **Preparation:** Ensure the area where the pedestal will be installed is clean, level, and ready for plumbing connections. If replacing an existing pedestal, carefully remove the old unit and clean any residue.
2. **Positioning:** Place the Roosevelt Pedestal Replacement Column in its desired location, ensuring it aligns correctly with the drain and water supply lines for the sink basin.
3. **Sink Placement:** Carefully lower the compatible Fine Fixtures Roosevelt sink basin onto the top of the pedestal column. Ensure the basin sits securely and level on the column.
4. **Secure Connections:** Connect the sink basin to the wall using appropriate mounting hardware (not included with pedestal column, typically supplied with the sink basin). The pedestal column provides support but the basin must be securely fastened to the wall.
5. **Plumbing:** Complete all necessary plumbing connections for the faucet and drain according to local codes and manufacturer instructions for the sink basin.
6. **Final Check:** Verify that the entire assembly is stable, level, and that there are no leaks from the plumbing connections.

ROOSEVELT PEDESTAL

The pedestals' graceful forms belie their underlying sturdiness; they are all made from the highest quality materials to ensure durability, and are finished to withstand years of regular use.

3. MAINTENANCE AND CARE

To ensure the longevity and pristine appearance of your Fine Fixtures Roosevelt Pedestal, follow these simple maintenance guidelines:

- **Regular Cleaning:** Wipe the pedestal surface with a dry, soft cloth regularly to remove dust and light grime.
- **Spot Cleaning:** For more stubborn marks or stains, use a mild, non-abrasive cleaner specifically designed for ceramic surfaces. Apply the cleaner to a soft cloth, wipe the affected area, and then rinse thoroughly with water. Dry immediately with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or strong chemical solutions (e.g., bleach, acid-based cleaners) as these can damage the glazed ceramic finish.
- **Prevent Impact:** While durable, ceramic can chip or crack if subjected to heavy impact. Avoid dropping heavy objects onto or against the pedestal.

4. TROUBLESHOOTING

The Roosevelt Pedestal Replacement Column is a static support component, and as such, common operational issues are minimal. Most issues would relate to installation or physical damage.

Common Concerns and Solutions:

- **Pedestal Wobbles:**

- Ensure the floor surface is level. Use shims if necessary to stabilize the base.
- Verify that the sink basin is securely mounted to the wall and properly seated on the pedestal. The pedestal provides support, but the sink must be anchored.

- **Visible Scratches or Chips:**

- Minor surface scratches on ceramic are rare but can occur. For significant damage like chips or cracks, the

pedestal may need replacement. Ceramic is not easily repairable for structural damage.

- **Stains:**

- Refer to the "Maintenance and Care" section for cleaning instructions. Most stains can be removed with appropriate ceramic cleaners.

If you encounter issues not covered here or require further assistance, please contact Fine Fixtures customer support.

5. SPECIFICATIONS

Detailed specifications for the Fine Fixtures Roosevelt Pedestal Replacement Column:

- **Brand:** Fine Fixtures
- **Model Number:** ST-RSWB
- **Color:** White
- **Material:** Vitreous China Ceramic
- **Size:** Pedestal - One size fits all (designed for Roosevelt Collection sinks)
