MEGA Pokémon Charmander Building Set (Model GKY96) Instruction Manual

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and care of your MEGA Pokémon Charmander Building Set, Model GKY96. This set allows you to construct a detailed, poseable Charmander figure, standing approximately 5.51 inches tall, complete with fire-breathing effect details. It is designed to offer an engaging building experience and promote creative play.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD – Small parts. Not for children under 3 years.

This product contains small components that may pose a choking hazard. Adult supervision is recommended, especially for children at the lower end of the recommended age range (7 years and up). Please ensure all parts are kept away from infants and young children.

3. PACKAGE CONTENTS

The MEGA Pokémon Charmander Building Set includes:

- Approximately 180 building pieces required to construct the Charmander figure.
- Visual instruction booklet (included in physical product).

Please verify that all components are present upon opening the package. If any pieces are missing, refer to the 'Warranty and Support' section for assistance.

4. SETUP AND ASSEMBLY

Assembly of the Charmander figure requires careful attention to the included visual instructions. Follow these general guidelines:

1. **Unpack and Sort:** Carefully open the package and sort the building pieces. It is often helpful to organize pieces by color, shape, or size to facilitate the building process.
2. **Follow Instructions:** Refer to the step-by-step visual instruction booklet provided with your set. Each step

illustrates the pieces required and their placement.

3. **Secure Connections:** Ensure that each piece is firmly connected to the previous one. Gentle, even pressure is usually sufficient to secure connections.
4. **Verify Orientation:** Pay close attention to the orientation of pieces as shown in the instructions to ensure correct assembly.

5. OPERATING AND PLAY

Once assembled, your MEGA Pokémon Charmander figure is ready for display and interactive play.

- **Poseability:** The figure features multiple points of articulation, allowing you to pose Charmander in various battle-ready or display stances. Gently adjust the limbs and head to achieve desired positions.
- **Fire-Breathing Detail:** The set includes translucent pieces designed to simulate Charmander's fire-breathing attack. These can be attached to the figure's mouth for dynamic display.
- **Compatibility:** The building bricks are designed to combine with all Mega Construx building sets and are compatible with major building block brands, expanding play possibilities.

6. MAINTENANCE

To ensure the longevity and appearance of your Charmander building set, follow these simple maintenance guidelines:

- **Cleaning:** Dust the figure regularly with a soft, dry cloth. For more thorough cleaning, wipe the pieces with a slightly damp cloth and mild soap, then rinse with clean water and allow to air dry completely. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled figure or disassembled pieces in a clean, dry environment away from direct sunlight and extreme temperatures to prevent discoloration or warping.

7. TROUBLESHOOTING

If you encounter any issues with your building set, consider the following common solutions:

- **Missing Pieces:** If you discover that pieces are missing from your set, please refer to the 'Warranty and Support' section to contact customer service for assistance.
- **Difficulty Connecting Pieces:** Ensure that pieces are correctly aligned before attempting to connect them. Apply gentle, consistent pressure. If a piece does not fit, double-check the instruction booklet to confirm you are using the correct pieces and orientation for that step.
- **Figure Instability:** If the assembled figure seems unstable, re-examine the connections, particularly at the joints and base. Ensure all pieces are fully pressed together.
