X AUTOHAUX Universal 10 Inch Car Audio Speaker Subwoofer Metal Waffle Grill Cover Protector

Model: a19082000ux0446

INTRODUCTION

This instruction manual provides detailed information for the installation and maintenance of your X AUTOHAUX Universal 10 Inch Car Audio Speaker Subwoofer Metal Waffle Grill Cover Protector. This product is designed to protect your car audio subwoofer from damage while maintaining optimal sound quality.

SAFETY INFORMATION

- Ensure the speaker grill is securely fastened to prevent detachment during vehicle operation.
- Keep small parts, such as clips, away from children to avoid choking hazards.
- Always verify the product dimensions match your speaker before attempting installation.
- If you are unsure about the installation process, consult a professional.

PACKAGE CONTENTS

Verify that all components are present in the package:

- 1 x Car Speaker Cover (Metal Waffle Grill)
- 4 x Mounting Clips

PRODUCT FEATURES

- **Durable Construction:** Made from robust metal for high compressive strength and impact resistance.
- **Protective Design:** Waffle grill pattern effectively shields the speaker cone from accidental damage.
- **Rubber Edge:** Features a rubber edge for a secure fit and vibration dampening.
- **Universal Fit:** Designed for most round 10-inch car audio speakers and subwoofers.

INSTALLATION GUIDE

Follow these steps to properly install the speaker grill cover:

1. **Verify Compatibility:** Before installation, ensure the grill's dimensions (10 inches diameter) match your speaker. Refer to the specifications section for detailed measurements.
2. **Position the Grill:** Place the metal waffle grill cover over the speaker cone, ensuring it sits flush with the speaker's frame or mounting surface.
3. **Attach Mounting Clips:** Use the provided mounting clips to secure the grill. The clips are designed to fit around the edge of the grill and attach to the speaker's mounting points or a suitable surface. Depending on your speaker and mounting location, additional fasteners (not included) may be required.
4. **Secure Fasteners:** If using screws (not included), ensure they are tightened sufficiently to hold the grill firmly in place without overtightening, which could damage the speaker or grill.

5. **Final Check:** Gently press on the grill to ensure it is stable and does not rattle or move.

MAINTENANCE

- **Cleaning:** Wipe the grill cover with a soft, damp cloth to remove dust and debris. Avoid abrasive cleaners or solvents that could damage the finish.
- **Inspection:** Periodically check the mounting clips and the grill for any signs of wear or damage. Ensure the grill remains securely attached.

TROUBLESHOOTING

- **Grill does not fit:** Double-check the diameter of your speaker. This grill is designed for 10-inch speakers. If your speaker is a different size, this grill will not be compatible.
- **Grill is loose or rattles:** Ensure all mounting clips are properly installed and secured. If using screws, verify they are tightened. Consider using additional adhesive or foam tape for a tighter fit if necessary.
- **Missing parts:** Refer to the "Package Contents" section. If any parts are missing, contact X AUTOHAUX customer support.

SPECIFICATIONS

25.5cm / 10.04"

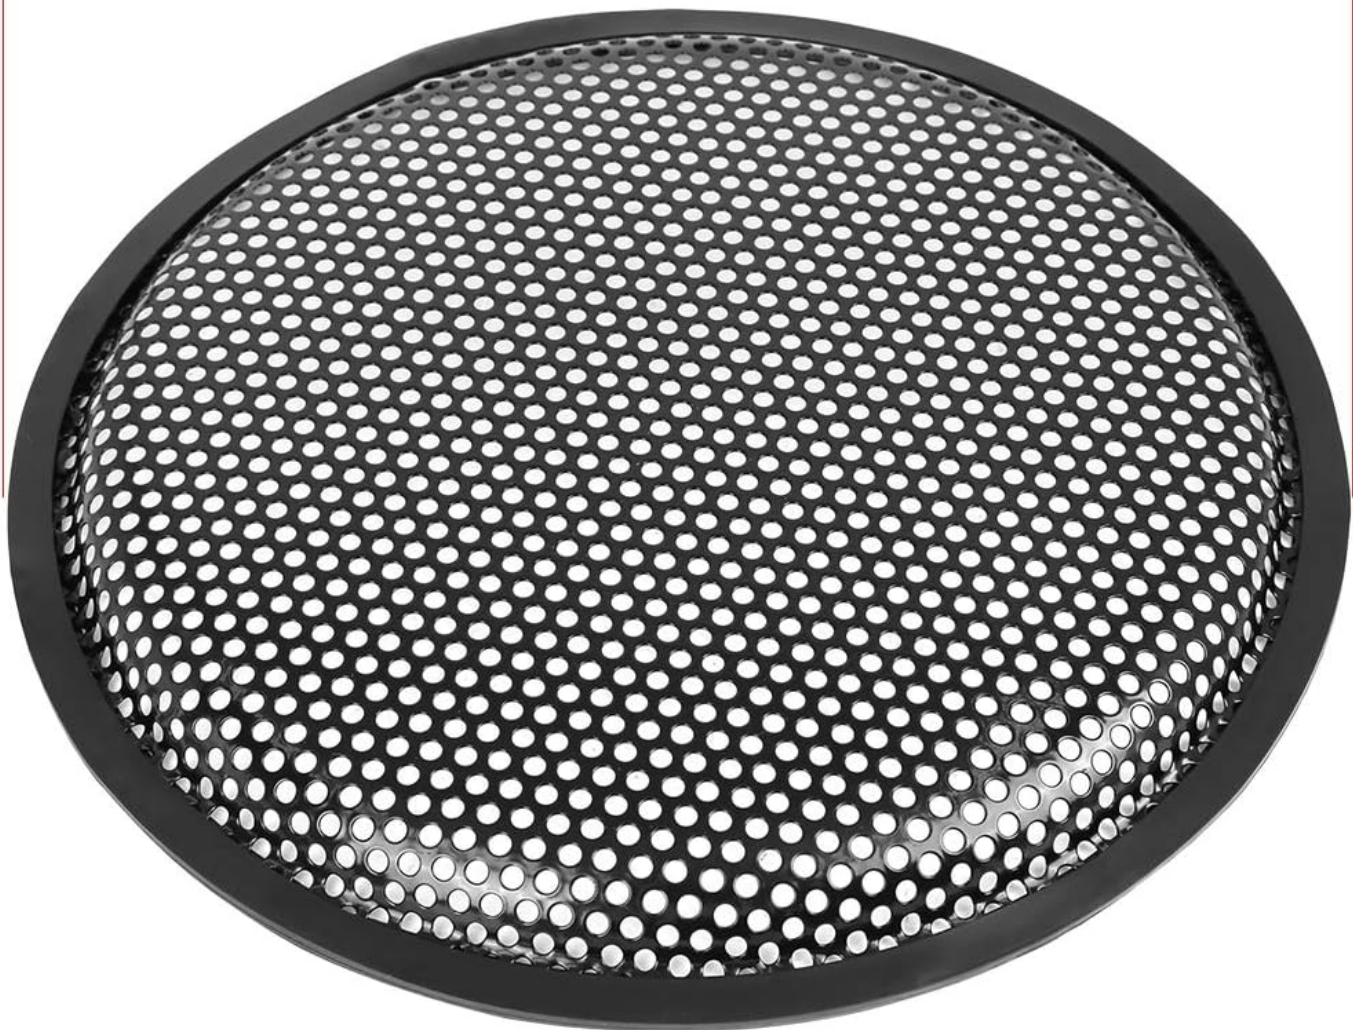

Image: Dimensional diagram indicating the 10.04 inch (25.5 cm) diameter of the speaker grill.
