

Govee H61391A1

Govee H61391A1 32.8ft RGB LED Strip Lights Instruction Manual

Model: H61391A1 | Brand: Govee

1. INTRODUCTION

Thank you for choosing Govee H61391A1 32.8ft Color Changing LED Strip Lights. This manual provides essential information for the safe and efficient operation of your LED strip lights. Please read these instructions thoroughly before installation and use, and retain them for future reference.

2. SAFETY INSTRUCTIONS

- Ensure the power adapter is compatible with your local power supply.
- Do not expose the LED strips to water or moisture. This product is designed for indoor use only.
- Avoid bending the LED strips sharply, as this may damage the internal circuitry.
- Keep the product away from heat sources and open flames.
- Do not attempt to repair or modify the LED strips or power adapter. Contact customer support if issues arise.
- Keep out of reach of children.

3. WHAT'S IN THE BOX

- 1x Adapter
- 1x LED Strip Light (2 rolls of 5m each, totaling 32.8ft)
- 1x Remote Control

- Support clips for extra security
- Alcohol prep pads for surface cleaning

4. SETUP INSTRUCTIONS

1. **Prepare the Surface:** Choose a clean, dry, and smooth surface for installation. Use the provided alcohol prep pads to clean the area thoroughly and allow it to dry completely.
2. **Attach the LED Strips:** Peel off the adhesive backing from the LED strip. Carefully press the strip onto the prepared surface, ensuring firm contact along its entire length. For extra security, use the provided support clips at regular intervals.
3. **Connect the Power:** Connect the LED strip to the control box, and then connect the control box to the power adapter. Plug the adapter into a power outlet.
4. **Trim (Optional):** If a shorter length is desired, the LED strips can be trimmed along the designated cut marks. **Note:** 4-pin connectors are not included for rejoining cut sections.

Key Features:

- **Color Changing:** Choose from 16 million colors via the Govee Home app.
- **64 Scene Modes:** Select from a variety of preset scene modes (e.g., Forest, Candlelight, Sunset, Movie, Romantic, Dating, Morning) to match your mood or activity.
- **Music Sync:** The built-in sensitive microphone allows the lights to sync and dance to the rhythm of your music.
- **DIY Mode:** Personalize your lighting effects by creating and saving custom color combinations and patterns in the app.
- **Brightness Adjustment:** Easily dim or brighten the lights to your desired level using the app, remote, or control box.
- **Timer Function:** Schedule your lights to turn on or off at specific times using the Govee Home app.

6. MAINTENANCE

- Clean the LED strips gently with a dry, soft cloth. Do not use harsh chemicals or abrasive cleaners.
- Regularly check the adhesive for secure attachment. Reapply or use additional clips if necessary.
- Store the LED strips in a cool, dry place when not in use for extended periods.

7. TROUBLESHOOTING

Lights not turning on:

- Check if the power adapter is securely plugged into both the control box and the power outlet.
- Ensure the LED strips are correctly connected to the control box.
- Verify the power outlet is functional.

Remote control not working:

- Ensure there are no obstructions between the remote and the control box.
- Check and replace the remote control battery if needed.

App connection issues:

- Ensure Bluetooth is enabled on your smartphone.
- Make sure your smartphone is within the 10m/32.8ft control range.
- Restart the Govee Home app and try reconnecting.
