# Giantex 57"H White Standing Jewelry Armoire with LED Lights and Full Length Mirror Instruction Manual

Model: GX12034-CS-VJ

## 1. INTRODUCTION

Thank you for choosing the Giantex 57"H White Standing Jewelry Armoire. This product is designed to provide organized storage for your jewelry and makeup, featuring a full-length mirror with integrated LED lights for enhanced visibility. This manual provides essential information for safe assembly, operation, and maintenance of your new jewelry armoire.

## 2. SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Ensure the armoire is placed on a flat, stable surface to prevent tipping.
- Do not overload shelves or hooks to maintain stability.
- Use only 3 AA batteries for the LED lights. Do not mix old and new batteries or different types of batteries.
- Avoid exposing the product to excessive moisture or direct sunlight.

## 3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- 1 x Jewelry Armoire Body (pre-assembled)

- 2 x Support Legs
- 1 x Bottom Shelf
- Hardware Pack (screws, Allen wrench)
- Instruction Manual

## 4. SETUP & ASSEMBLY

The main body of the jewelry armoire comes pre-assembled. Only the support legs and bottom shelf require assembly.

1. Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the two support legs to the main body of the armoire using the provided screws and Allen wrench. Ensure they are securely fastened.
3. Slide the bottom shelf into the designated slots between the two support legs. Secure it with the remaining screws.
4. Insert 3 AA batteries (not included) into the battery compartment located inside the armoire, usually near the top of the door's interior.
5. Place the assembled armoire on a level surface.

## 5. FEATURES

- **18 LED Lights:** Integrated LED lights around the full-length mirror provide bright illumination for dressing and makeup application. Powered by 3 AA batteries (not included).
- **Full-Length Mirror:** A high-definition mirror offers a complete view of your outfit from head to toe.
- **Ample Storage:** Features 42 earring slots, 33 earring holes, 7 hooks for necklaces and bracelets, 40 ring slots, 16 lipstick slots, and 4 additional storage shelves.
- **Durable Construction:** Made from high-quality engineered wood with an exquisite lacquered finish, ensuring longevity and a stylish appearance.
- **Protective Interior:** The interior is lined with soft black velvet to protect your jewelry from scratches and damage.
- **Convenient Design:** Includes a built-in handle for easy opening and a magnetic door catch to

keep the door securely closed.

## High-Quality Cabinet

**Stable Wooden Legs**

**Sturdy Frame & High Definition Mirror**

**A Groove for Opening the Door Easily**

## 6. OPERATING INSTRUCTIONS

### 6.1. LED Lights Operation

1. Ensure 3 AA batteries are correctly installed in the battery box located inside the armoire.
2. Locate the power switch on the battery box.
3. Flip the switch to the "ON" position to illuminate the LED lights around the mirror.
4. Flip the switch to the "OFF" position to turn off the lights.

## SPACIOUS STORAGE

# 18 Beautiful LED Lights

## Romantic & Elegant

Figure 5: Close-up of LED Lights. A detailed shot of the individual LED bulbs integrated into the mirror frame, emphasizing their aesthetic and functional contribution.

### 6.2. Mirror Adjustment

The full-length mirror can be tilted to achieve your desired viewing angle. Gently push or pull the top or bottom of the mirror frame to adjust its position. Ensure the support legs are stable during adjustment.

## 7. MAINTENANCE

- **Cleaning:** Wipe the mirror surface with a soft, lint-free cloth and a glass cleaner. For the wooden frame, use a soft, damp cloth and mild soap, then dry immediately. Avoid abrasive cleaners.
- **Battery Replacement:** Replace all 3 AA batteries when the LED lights dim or stop working. Ensure correct polarity.
- **Tighten Hardware:** Periodically check and tighten all screws to ensure the armoire remains stable.
- **Avoid Overloading:** Do not place excessively heavy items on shelves or hang too much jewelry, as this can strain the structure.

## 8. TROUBLESHOOTING

- **LED Lights Not Working:**

- Check if batteries are installed correctly with proper polarity.
- Replace old or depleted batteries with new ones.
- Ensure the power switch is in the "ON" position.

- **Armoire Feels Unstable:**

- Verify that all assembly screws are securely tightened.
- Ensure the armoire is placed on a flat, level surface.
- Distribute items evenly within the storage compartments.

- **Door Not Closing Properly:**

- Check for any obstructions preventing the door from closing.
- Ensure the magnetic door catch is aligned and functioning.
