## Hot Wheels GKT86

# Hot Wheels City Town Center Play Set Instruction Manual

Model: GKT86

## INTRODUCTION

---

The Hot Wheels City Town Center Play Set (Model GKT86) offers an engaging play experience for children aged 4 to 8 years. This set features a multi-functional building with a garage, repair shop, tunnel, and traffic lights, designed to integrate seamlessly with other Hot Wheels City sets and tracks. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure optimal use of the product.

## SETUP AND ASSEMBLY

---

Assembly of the Hot Wheels City Town Center Play Set is straightforward and typically takes approximately 30 minutes. Follow these general steps to set up your play set.

### Included Components:

- Large building/storage box
- Lid (transforms into a roundabout)
- 1 metal car
- 1 traffic light
- 2 track changers
- 7 track sections (4 exclusive, 3 standard: straight road, curves, intersections)

### Assembly Steps:

1. Unpack all components from the packaging.
2. Identify the main building and the various track pieces.
3. Connect the track sections to form the desired layout around the main building. Ensure all connections are secure.
4. Attach the traffic light and track changers to their designated spots on the track.
5. The lid can be placed on top of the building to create a roundabout play area or used as a cover for storage.

## OPERATING INSTRUCTIONS

---

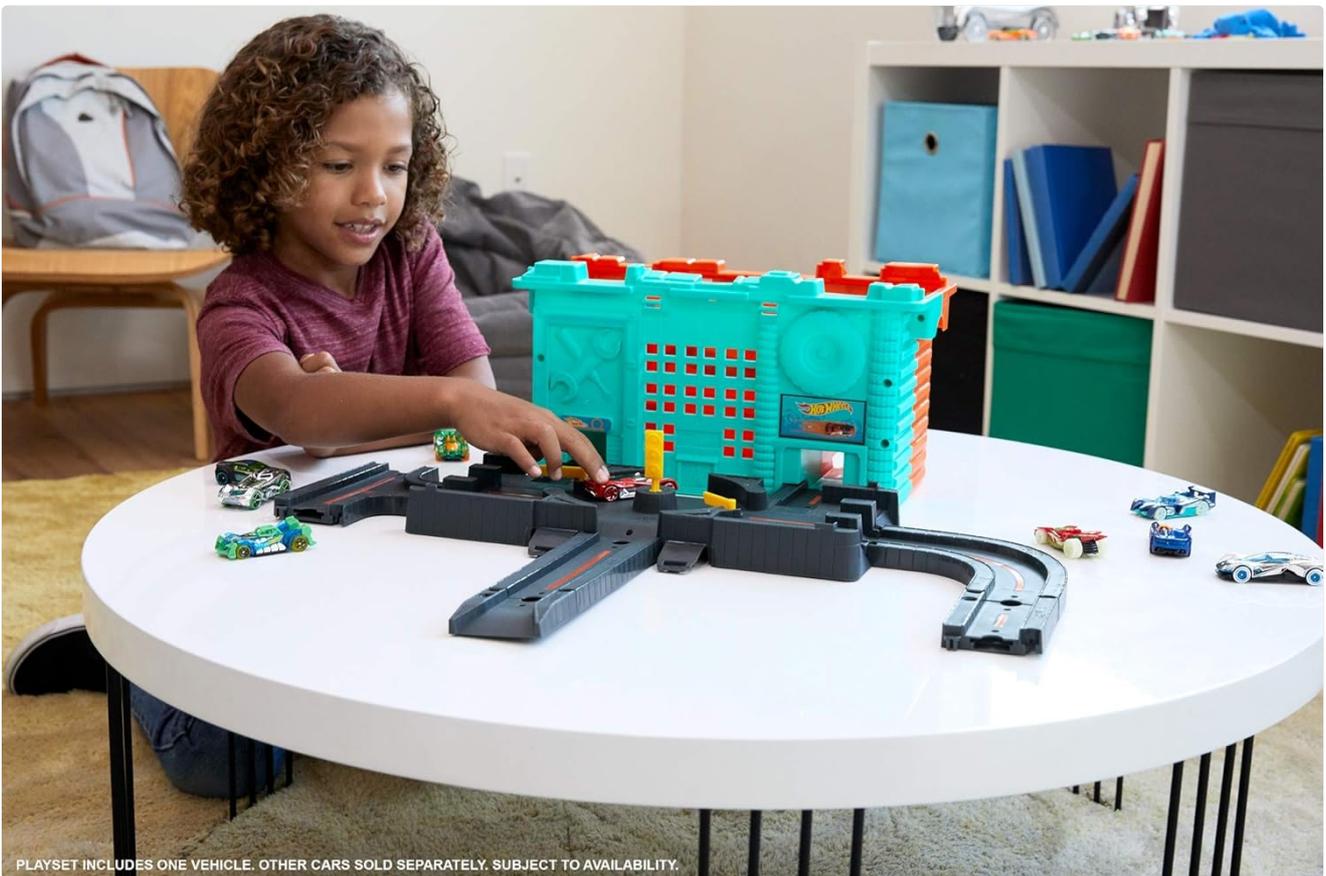

The Hot Wheels City Town Center Play Set offers multiple interactive features for dynamic play. Explore the various functions to create exciting city adventures.

### Key Play Features:

- **Main Building:** The central building has two distinct facades, each with separate access points for cars.
- **Repair Garage:** Drive cars into the garage for simulated repairs before sending them back onto the track.
- **Roundabout:** Test car performance on the roundabout, which is formed by the set's lid.
- **Traffic Lights:** Observe and interact with the traffic lights to manage car flow.
- **Tunnel:** Cars can enter and exit the building through a designated tunnel.
- **Secret Storage:** Utilize hidden spots within the set to store cars.
- **Track Connectivity:** This set is designed to connect directly with other Hot Wheels City play sets and existing Hot Wheels orange and gray tracks, allowing for expanded and customized layouts.

### Playing with the Set:

Place a Hot Wheels car on the track and push it to navigate through the city. Use the track changers to direct cars to different paths, enter the garage for a pit stop, or pass through the tunnel. The modular design encourages creative track configurations for varied play scenarios.

PLAYSET INCLUDES ONE VEHICLE. OTHER CARS SOLD SEPARATELY. SUBJECT TO AVAILABILITY.

## MAINTENANCE

---

Proper care ensures the longevity of your Hot Wheels City Town Center Play Set.

### Cleaning:

- Wipe the plastic components with a soft, damp cloth.

- Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic and decals.
- Ensure all parts are dry before storing.

## Storage:

- When not in use, the set can be compactly stored by placing all track pieces and accessories inside the main building, then covering it with the roundabout lid.
- Store the play set in a cool, dry place away from direct sunlight to prevent material degradation.

## TROUBLESHOOTING

---

If you encounter any issues with your Hot Wheels City Town Center Play Set, refer to the following common solutions:

### Common Issues and Solutions:

- **Tracks not connecting securely:** Ensure that the connectors on each track piece are properly aligned and pushed firmly together until they click into place. Check for any debris obstructing the connection points.
- **Cars not moving smoothly:** Verify that all track pieces are laid flat and are not warped. Ensure there are no obstacles on the track. Clean the track surface if dust or dirt is present.
- **Missing components:** Carefully check all packaging materials. If a component is genuinely missing, refer to the customer support section.

## SPECIFICATIONS

---

Feature	Detail
Model Number	GKT86
Brand	Hot Wheels
Product Dimensions (L x W x H)	16 x 35 x 21 cm (6.3 x 13.8 x 8.3 inches)
Item Weight	771.11 grams (1.7 pounds)
