Hot Wheels GLC90

Hot Wheels Track Builder Unlimited Launcher and Loop Set (GLC90) Instruction Manual

Model: GLC90

Introduction

Welcome to the Hot Wheels Track Builder Unlimited Launcher and Loop Set. This set is designed to provide exciting racing and stunt action for children aged 6 to 10 years. It features a dynamic looping track, a launcher, and connectors to expand your Hot Wheels universe. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure a safe and enjoyable play experience.

Image: A child carefully assembling the orange loop section onto the blue base of the Hot Wheels track set.

Important Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during play.
- Keep hair and loose clothing away from moving parts of the track and launcher.
- Do not modify the product in any way, as this may compromise its safety and functionality.
- Ensure all connections are secure before launching vehicles.

What's in the Box

Your Hot Wheels Track Builder Unlimited Launcher and Loop Set includes the following components:

- 1x Looping Track Section
- 1x Launcher Mechanism
- Track Connectors
- Straight Track Pieces
- 1x Hot Wheels Vehicle (1:64 scale)

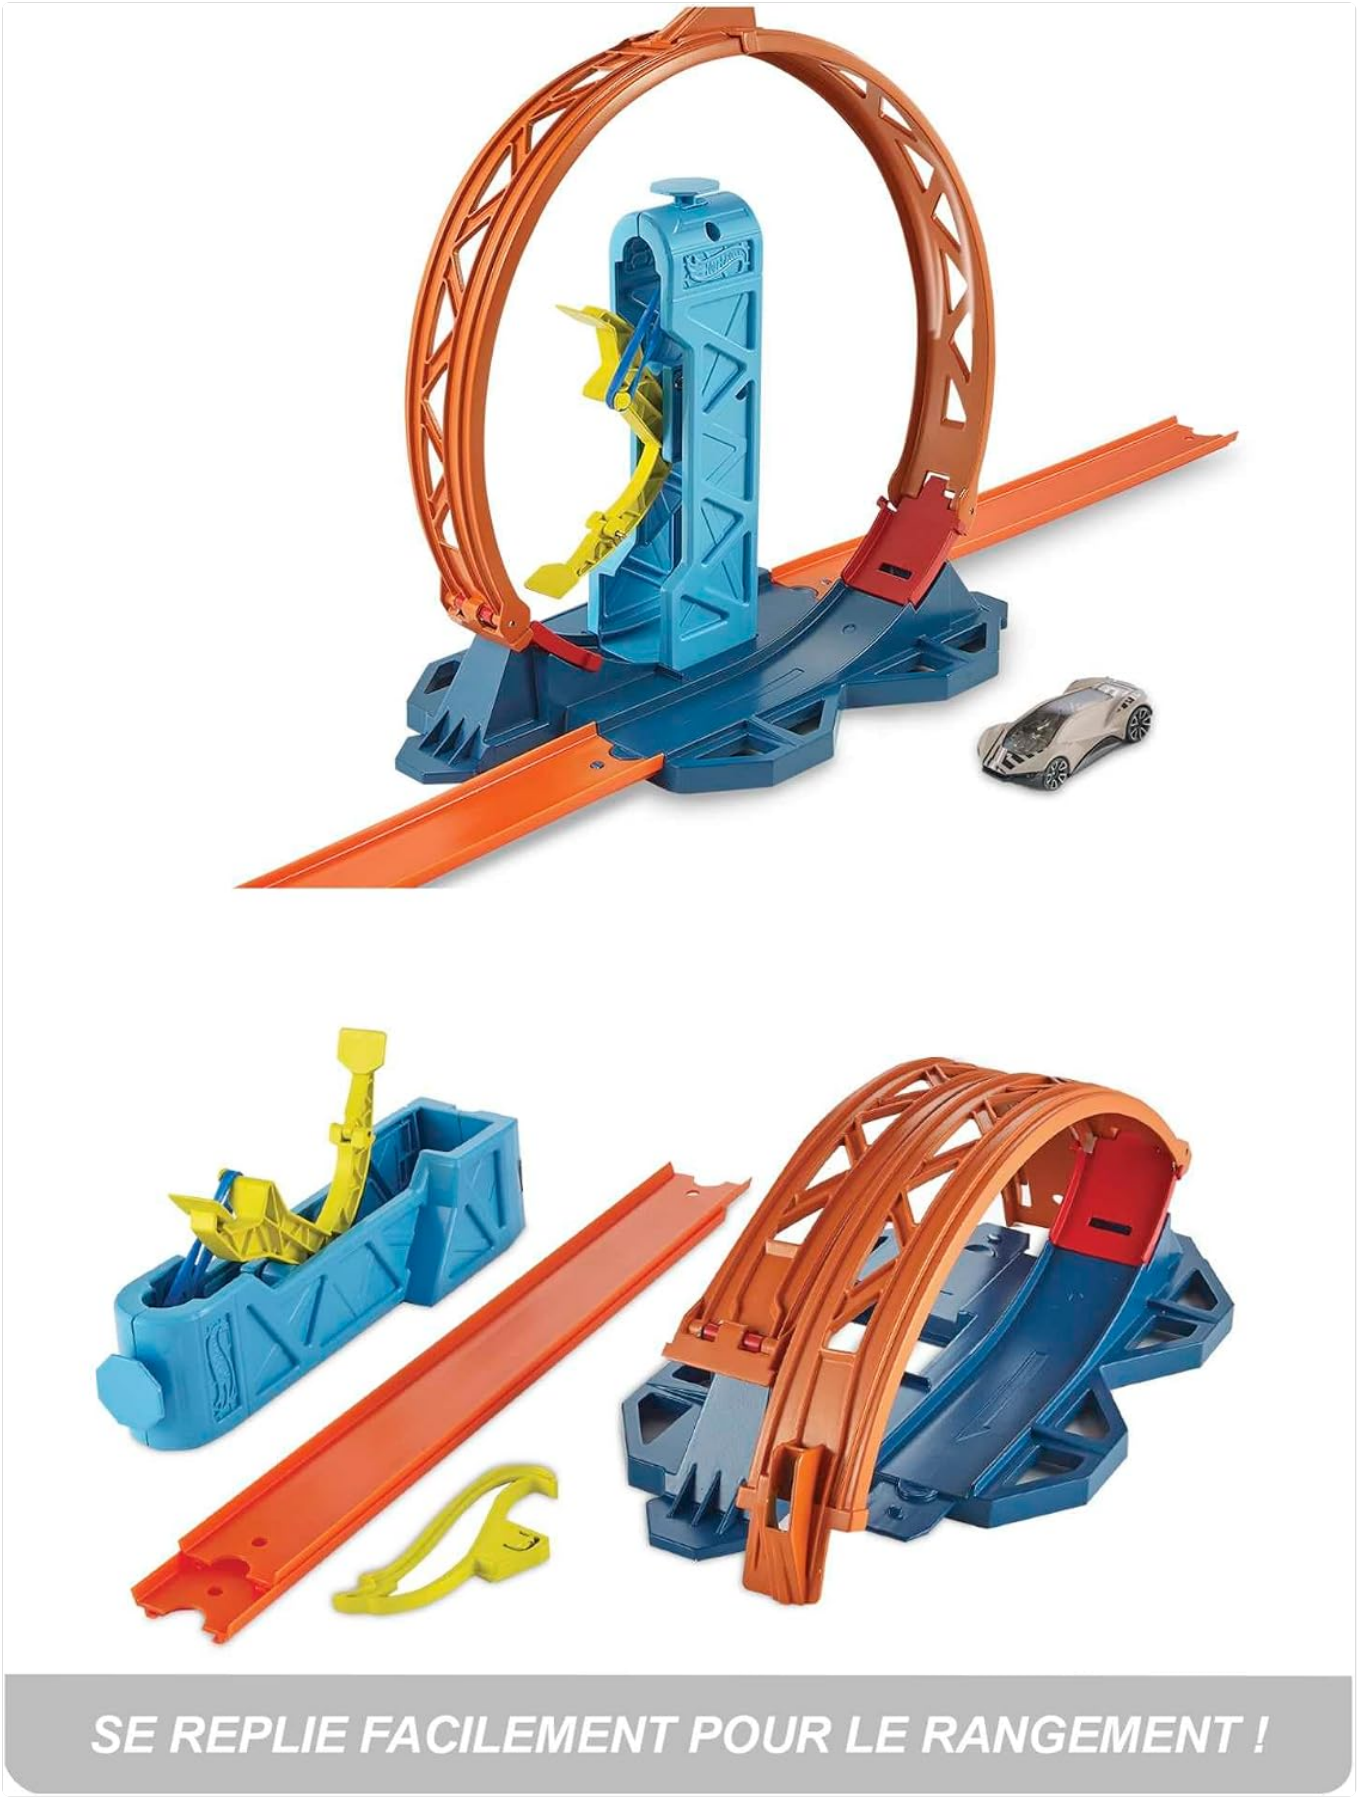

Image: All components of the track set laid out, including the orange loop, blue base with launcher, straight track pieces, and a Hot Wheels car.

Setup and Assembly

Assembly is quick and easy, typically taking about 5 minutes. Follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Attach the Loop:** Connect the orange looping track section to the blue base unit. Ensure it clicks securely into place.
3. **Connect Launcher:** Attach the launcher mechanism to the designated slot on the blue base.
4. **Add Track Pieces:** Connect the straight track pieces to the entry and exit points of the loop using the provided connectors. Ensure a firm connection for smooth car travel.

Image: A close-up view of hands connecting an orange track piece to the blue base of the Hot Wheels set, demonstrating the secure connection mechanism.

Your track is now ready for action! You can also connect this set to other Hot Wheels Track Builder sets (sold separately) to create larger, more complex track layouts.

Operating Instructions

To operate your Hot Wheels Launcher and Loop Set:

1. **Place Vehicle:** Position a Hot Wheels 1:64 scale car at the starting point of the launcher.
2. **Prepare Launcher:** Pull back the launcher mechanism until it locks into place.
3. **Launch Car:** Press the release button or lever on the launcher to propel the car forward.
4. **Observe Action:** Watch as the car speeds through the loop and continues along the track.

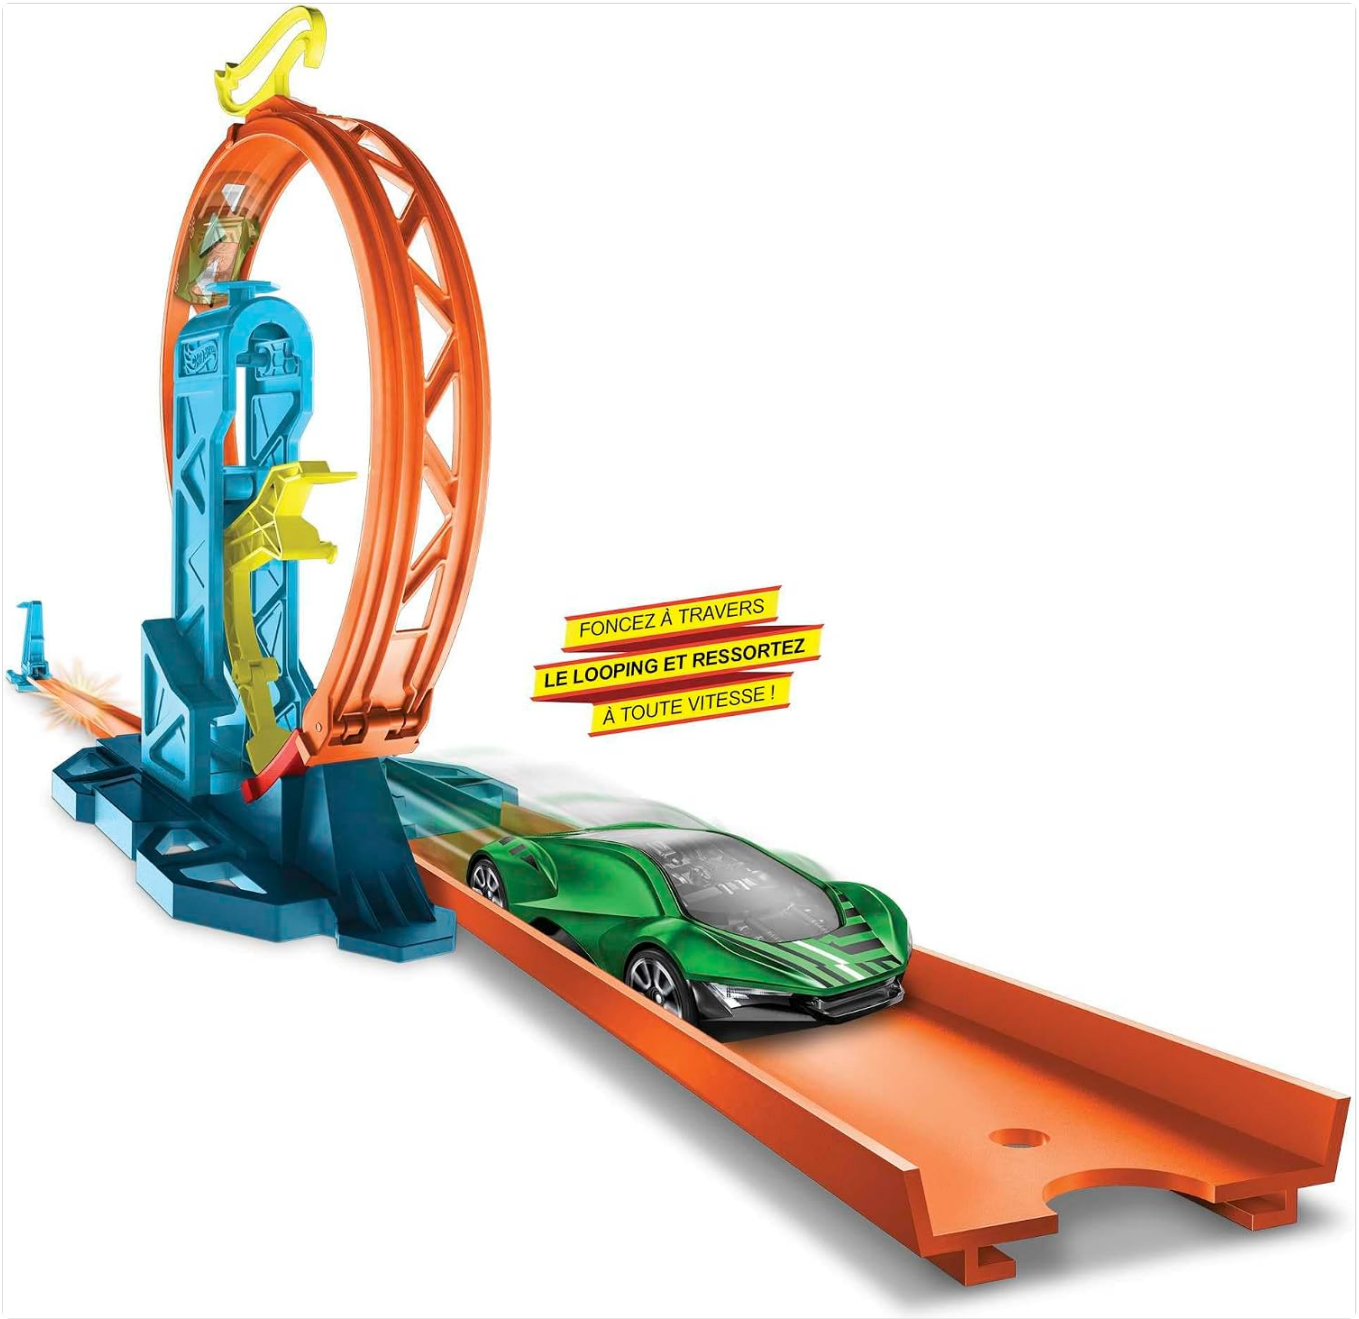

Image: A green Hot Wheels car in motion, successfully completing the orange loop section of the track, with text indicating "FONCEZ À TRAVERS LE LOOPING ET RESSORTEZ À TOUTE VITESSE !" (Speed through the loop and exit at full speed!).

Experiment with different Hot Wheels cars to see which ones perform best through the loop and on various track configurations.

Care and Maintenance

- **Cleaning:** To clean the track and components, wipe them with a soft, damp cloth. Do not immerse in water.
- **Storage:** The looping section of this set is designed to fold for convenient storage. Ensure all parts are dry before

storing.

- **Inspection:** Periodically inspect all track pieces and connectors for any signs of wear or damage. Replace any damaged parts to ensure safe operation.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Car does not complete the loop.	• Launcher not fully engaged. • Track connections are loose. • Car is too heavy or has high friction.	• Ensure launcher is pulled back until it clicks. • Check all track connections for tightness. • Try a different, lighter Hot Wheels car.
Launcher mechanism does not hold position.	• Mechanism may be damaged or misaligned.	• Inspect the launcher for any visible damage. If damaged, contact customer support.

Product Specifications

Brand	Hot Wheels
Model Name	GLC90
Age Range	6 - 10 years
Dimensions (L x W x H)	6 x 31 x 19 cm
Material	Plastic
Power Source	Hand-operated
Assembly Time	Approx. 5 minutes
Special Features	Folding design for storage
Educational Objectives	Motor skills, Creative thinking, Spatial reasoning
Compatibility	Hot Wheels 1:64 scale vehicles and Track Builder sets
