KINGONE headphone-001

USB C Headphones User Manual

Model: headphone-001 | Brand: KINGONE

INTRODUCTION

Thank you for choosing the KINGONE USB C Headphones. These HiFi stereo Type C earbuds are designed to provide a superior listening experience with clear audio and convenient controls. This manual will guide you through the setup, operation, and maintenance of your new headphones.

PACKAGE CONTENTS

Please verify that all items are present in your package:

- 1 x KINGONE USB C Earphone

FEATURES

The KINGONE USB C Headphones offer the following key features:

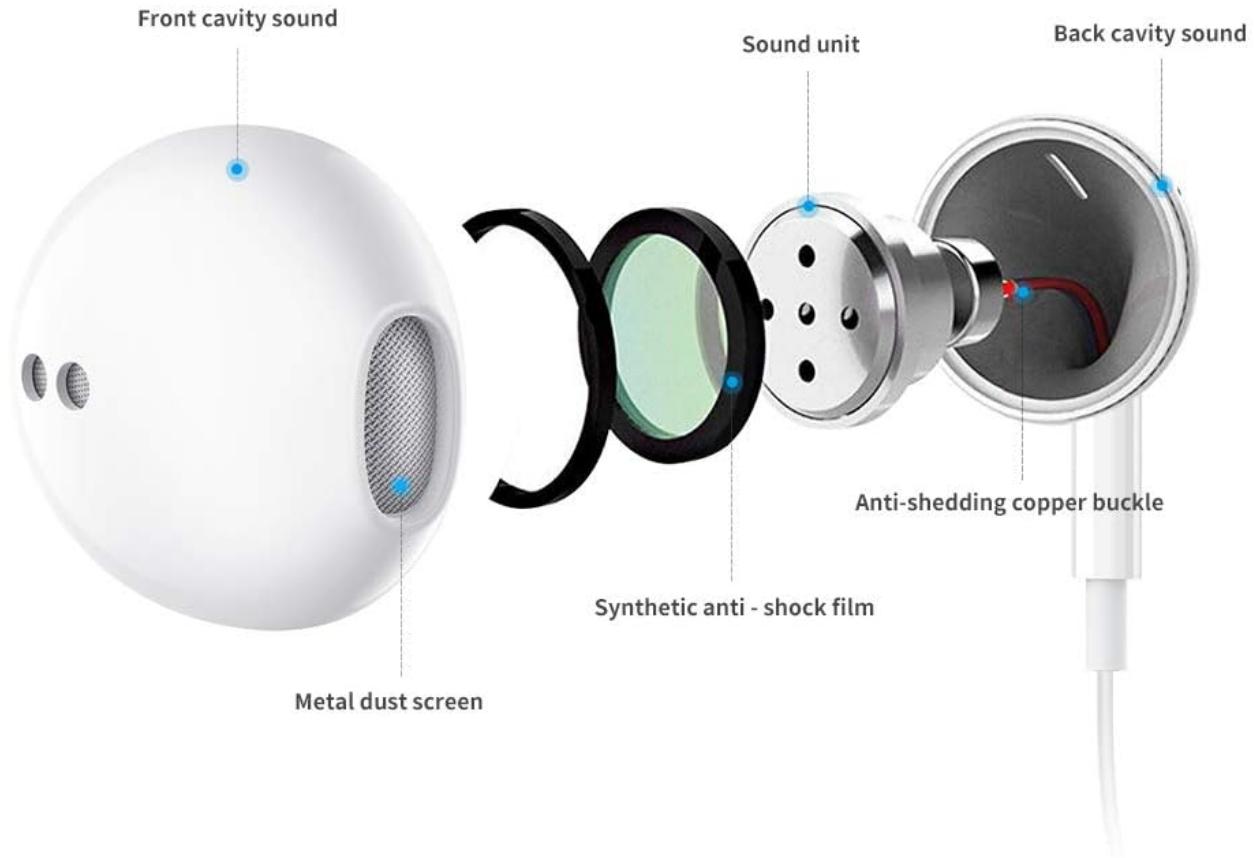

- **High Fidelity Stereo Sound:** Equipped with an upgraded DAC chip for superior lossless audio and advanced noise-cancelling technology for an immersive listening experience.
- **Built-in Microphone and Magnetic Earbuds:** Features an in-line microphone for clear calls and magnetic earbuds for tangle-free storage and portability.
- **Comfortable and Durable Design:** Ergonomically designed for comfortable wear over long periods. The anti-wrap oxygen-free copper wire enhances durability and flexibility.
- **Wide Compatibility:** Compatible with a broad range of USB-C devices including Google Pixel 3/3XL/2/2XL/4, OnePlus 6T, Samsung Note 10, Huawei Mate 10/20 Pro/P20/P30/P40, MacBook, and iPad Pro 2018. *Note: For devices with both USB-C and 3.5mm audio jacks (e.g., MacBook, iPad Pro, Samsung 8/9), only music listening is supported, not phone calls.*

Maintenance

To ensure the longevity and optimal performance of your headphones, follow these maintenance guidelines:

- Keep the headphones clean. Gently wipe the earbuds and cable with a soft, dry cloth.
- Avoid exposing the headphones to extreme temperatures, humidity, or direct sunlight.
- Do not pull on the cable when disconnecting from your device; always grasp the USB-C connector.
- Store the headphones in a clean, dry place, ideally using the magnetic feature to prevent tangling.
- Avoid dropping or subjecting the headphones to strong impacts.

Troubleshooting

If you encounter issues with your KINGONE USB C Headphones, please refer to the following common solutions:

Problem	Possible Cause	Solution
No sound from headphones.	<ul style="list-style-type: none">◦ Headphones not fully plugged in.◦ Device volume is too low or muted.◦ Incorrect audio output selected on device.◦ Device compatibility issue.	<ul style="list-style-type: none">◦ Ensure the USB-C connector is fully inserted.◦ Increase device volume and check for mute settings.◦ Verify audio output settings on your device.◦ Confirm your device is listed as compatible. Some devices with both USB-C and 3.5mm jacks may not support audio via USB-C.
Microphone not working.	<ul style="list-style-type: none">◦ Device compatibility issue.◦ Microphone input not selected.	<ul style="list-style-type: none">◦ As noted in features, some devices may only support music playback, not calls.◦ Check your device's audio input settings to ensure the external microphone is selected.
Sound quality is poor.	<ul style="list-style-type: none">◦ Earbuds not properly seated in ear.◦ Audio source quality is low.	<ul style="list-style-type: none">◦ Adjust earbuds for a snug fit to ensure optimal sound isolation.◦ Try a different audio source or higher quality audio files.
