KAWADA NBC_305

KAWADA nanoblock French Fries Building Kit Instruction Manual

Model: NBC_305

Introduction Safety Information Assembly Instructions Display & Care Specifications Support

1. Introduction

This manual provides detailed instructions for assembling the KAWADA nanoblock French Fries building kit (Model NBC_305). nanoblock kits feature micro-sized building blocks, allowing for intricate and detailed models. Please read all instructions carefully before beginning assembly.

2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all small pieces away from infants and young children.
- **Recommended Age:** This kit is recommended for ages 8 years and up.
- **Handling:** Handle small blocks with care to avoid accidental ingestion or loss.

3. Assembly Instructions

The nanoblock French Fries kit consists of 120 pieces. Follow the detailed step-by-step instructions provided in the included instruction sheet. The general assembly process involves connecting the micro-sized blocks to form the desired structure.

3.1. Preparation

1. **Unpack:** Carefully open the packaging and separate the bags of nanoblock pieces.
2. **Organize:** It is recommended to sort the blocks by color and size to facilitate assembly.

3. **Review Instructions:** Familiarize yourself with the visual instructions provided in the kit's manual before starting.

3.2. Building the Model

Begin by following the numerical sequence in the instruction sheet. Each step illustrates which blocks to use and where to place them. Due to the small size of the blocks (as small as 4mm x 4mm x 5mm), precision is key.

The French Fries model has a difficulty level of 2 out of 5, making it an entry-level kit. Take your time and ensure each block is securely connected.

3.3. Visual Assembly Aid

For a general overview of nanoblock assembly techniques, you may refer to the following video. While it features a different model, the building principles are similar.

4. Display & Care

4.1. Displaying Your Model

Once assembled, your nanoblock French Fries model stands approximately 2.40 inches tall. It is designed for display and can be a unique addition to your collection. Consider placing it on a stable surface where it won't be easily knocked over.

4.2. Cleaning and Maintenance

- **Dusting:** Use a soft brush or a can of compressed air to gently remove dust from the model.
- **Cleaning:** If necessary, wipe with a slightly damp cloth. Avoid harsh chemicals or abrasive materials.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss.

5. Troubleshooting

- **Missing Pieces:** Double-check the packaging and your work area. If pieces are genuinely missing, contact customer support.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply gentle, even pressure. Avoid forcing pieces together.
- **Model Instability:** Review previous steps to ensure all connections are secure and blocks are placed according to the instructions.
