## DinoFire Q80-DF-US

# DinoFire Air Mouse Green Light Presentation Remote Control User Manual

Model: Q80-DF-US

## PRODUCT OVERVIEW

---

The DinoFire Air Mouse Green Light Presentation Remote Control is a versatile wireless presenter designed to enhance your presentations. It combines the functionality of a traditional presentation clicker with an air mouse, allowing for seamless navigation and interaction with your content. Featuring a bright green laser pointer and a long control range, this device provides freedom of movement during your presentations.

## PACKAGE CONTENTS

---

- 1 x DinoFire Presentation Remote
- 1 x Wireless USB Receiver
- 1 x User Manual
- 1 x USB Charging Cable (Micro USB)

## PRODUCT FEATURES

---

- **Air Mouse Functionality:** Control your computer's cursor with precise wireless movement, acting like a real mouse with left and right click buttons.
- **Green Laser Pointer:** A bright green laser, 6 times more powerful than red, ensures visibility on various backgrounds from up to 330 feet away.
- **Long Control Range:** Enjoy an air mouse range of up to 80 feet and a clicker range of 30-50 feet, providing ample freedom of movement.
- **Rechargeable Battery:** Equipped with a 400mAh lithium battery, offering 8-10 hours of working time after a quick 1.5-hour charge. Features auto-sleep for energy saving.
- **Plug & Play:** No software installation required; simply plug in the wireless receiver to start using the remote.
- **Multi-functional Control:** Supports volume control, video playback, opening links/hyperlinks, switching windows, full screen/black screen toggling, and page up/down navigation.
- **Ergonomic Design:** Features a comfortable, bumped design for easy tactile operation.
- **2.4G RF Frequency:** Utilizes an ISM free frequency for worldwide compatibility.

## PLUG & PLAY Air Mouse Presenter

### Left/ Right Mouse Keys

Control your computer like a real mouse

### Page Up/ Down

## SETUP GUIDE

---

1. **Charge the Remote:** Before first use, fully charge the presentation remote using the included USB charging cable. Connect the micro USB end to the remote's charging port and the USB-A end to a computer USB port or a compatible USB wall adapter. A full charge takes approximately 1.5 hours.

Image: The presentation remote connected to a laptop via USB cable for charging, indicating 1.5 hours for a full charge and 10 hours of use.

2. **Locate the USB Receiver:** The wireless USB receiver is typically stored within the remote's body for convenient storage and transport. Gently pull it out from its slot.
3. **Connect the Receiver:** Plug the wireless USB receiver into an available USB port on your computer (laptop or desktop). The device is plug-and-play, so no drivers are typically needed.
4. **Power On:** Slide the ON/OFF switch on the side of the remote to the "ON" position. The remote is now ready for use.

## OPERATING INSTRUCTIONS

---

The DinoFire presentation remote offers intuitive controls for various presentation functions. Refer to the diagram below for button identification.

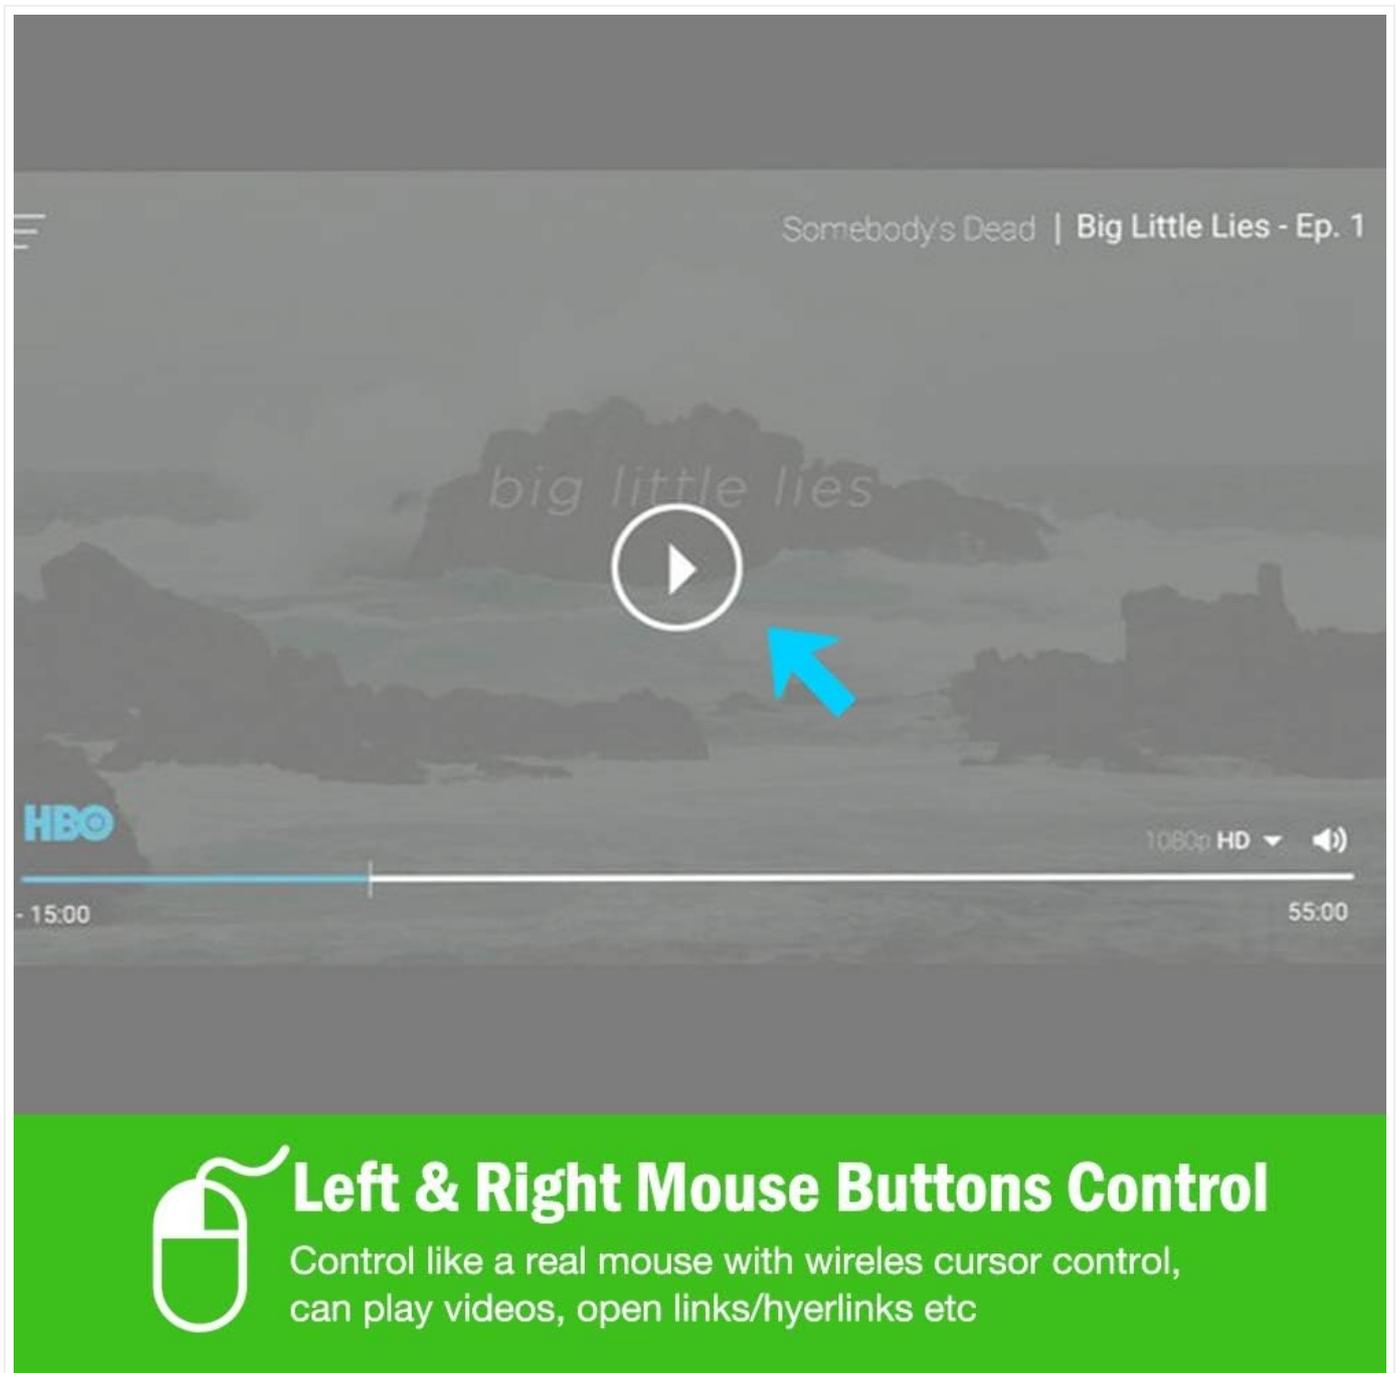

Image: Detailed diagram showing the various buttons and ports on the presentation remote, including the green light, page up/down, full screen, switch on/off, USB charging, enter/exit mouse, volume controls, right mouse button, and USB receiver slot.

### Button Functions:

- **Laser Pointer Button (Red Star Icon):** Press and hold to activate the green laser pointer. Release to turn off.

## Green Light Indicator

With a bright light that is easy to see against most backgrounds; Control range is long enough to meet your needs.

Image: The presentation remote emitting a green laser light, illustrating its long distance capability for air mouse, wireless control, and laser pointer functions.

- **Page Up (Up Arrow):** Single press to move to the previous slide or page.
- **Page Down (Down Arrow):** Single press to move to the next slide or page.
- **Full Screen / Black Screen (Rectangle Icon):** Long press to toggle between full screen mode and black screen mode during a presentation.
- **Enter/Exit Air Mouse (Mouse Icon):** Single press to activate or deactivate the air mouse function. When active, move the remote in the air to control the cursor.

**POWERPOINT**

Supporters see that the cost of use of presentation software can save a lot of time for people who otherwise would have used other types.

## MAINTENANCE

---

- Keep the device dry. Avoid exposure to moisture or liquids.
- Clean the device with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- Store the USB receiver inside the remote when not in use to prevent loss.
- Avoid dropping the device or subjecting it to strong impacts.
- Charge the battery regularly to maintain its lifespan, even if not used frequently.

## TROUBLESHOOTING

---

### Remote not responding:

- Ensure the remote is powered on (ON/OFF switch).
- Check if the USB receiver is securely plugged into your computer's USB port.
- Verify the remote's battery level. Recharge if necessary.
- Try plugging the USB receiver into a different USB port on your computer.
- Restart your computer.

### Laser pointer not working:

- Ensure the remote is powered on.
- Press and hold the laser pointer button firmly.
- Check battery level.

### Air mouse not working or erratic:

- Ensure the air mouse function is activated (single press the mouse icon button).
- Ensure the remote is within the effective air mouse range (80 ft).
- Avoid excessive movement or shaking that could interfere with sensor calibration.

### Limited range or intermittent connection:

- Ensure there are no major obstructions (e.g., thick walls, large metal objects) between the remote and the USB receiver.

- Avoid strong electromagnetic interference from other wireless devices.
- Ensure the remote is within the specified clicker range (30-50 ft).

## WARRANTY AND SUPPORT

DinoFire products are designed for reliability and performance. For any questions, technical support, or warranty inquiries, please refer to the contact information provided in your product packaging or visit the official DinoFire website. Please retain your purchase receipt for warranty claims.
