Techni Sport RTA-TS92-WHT

Techni Sport PC Gaming Chair User Manual

Model: RTA-TS92-WHT
Brand: Techni Sport

Product Overview

The Techni Sport PC Gaming Chair is designed for comfort and durability, featuring a robust steel frame and a durable nylon base. It includes contoured segment memory-foam padding, adjustable neck and lumbar support pillows, and 2D padded armrests. The chair offers pneumatic seat height adjustment, a tilt mechanism with tension control, and a 150-degree reclining function for optimal ergonomic support during long gaming or work sessions.

Dimensions

Understanding the chair's dimensions is crucial for proper setup and fit within your space.

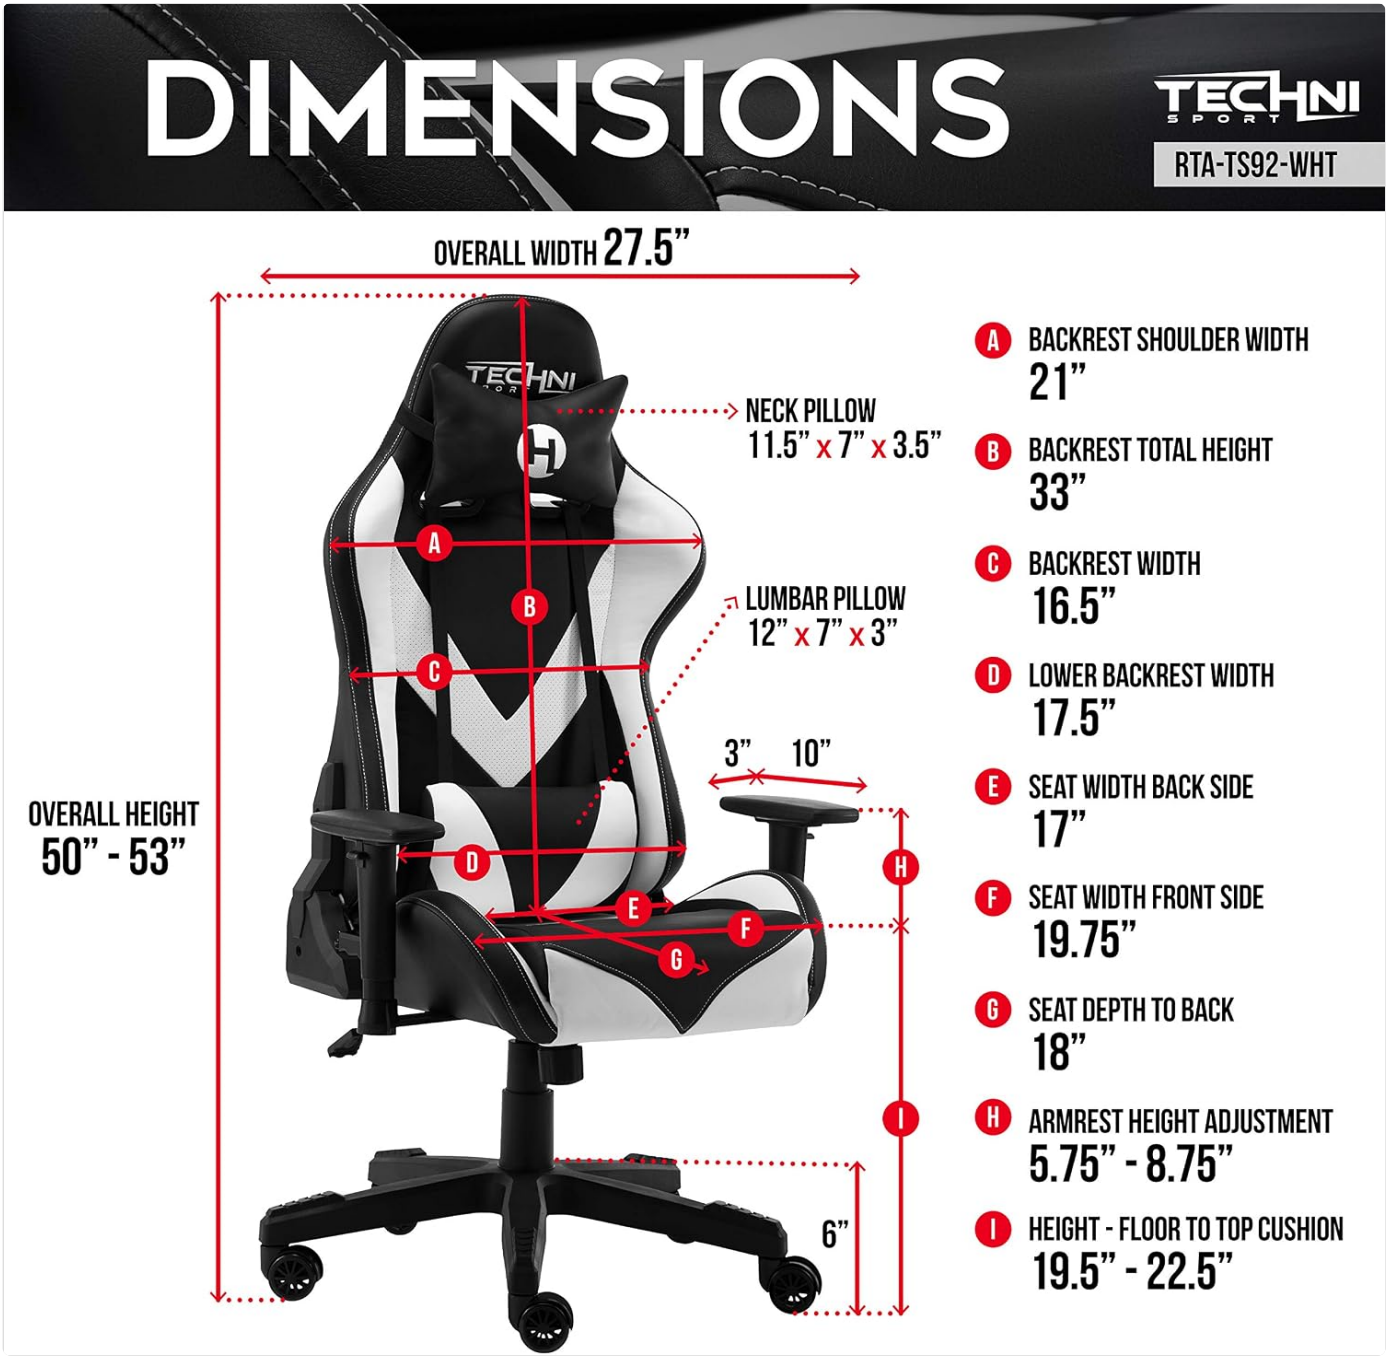

Image: A detailed diagram illustrating the overall width, height, seat dimensions, and armrest adjustment range of the chair.

- **Overall Dimensions:** 27"D x 27.5"W x 50"-53"H
- **Seat Height Range:** 19.5" - 22.5"
- **Seat Depth:** 27 inches
- **Maximum Weight Capacity:** 250 lbs

Setup and Assembly

Your Techni Sport PC Gaming Chair requires assembly. Please follow the detailed instructions provided in the assembly manual included with your product packaging. Ensure all components are present before beginning assembly. It is recommended to assemble the chair on a soft, clean surface to prevent scratches.

General Assembly Tips:

- Identify all parts and hardware using the provided list.
- Do not fully tighten screws until all components are loosely assembled.
- Seek assistance if needed, especially for attaching the backrest to the seat.

Operating Instructions

Height Adjustment

To adjust the seat height, locate the lever on the right side, beneath the seat. While seated, pull the lever upwards to lower the chair. To raise the chair, stand up and pull the lever upwards; the pneumatic cylinder will extend the seat.

Reclining Mechanism

The chair features a 150-degree reclining mechanism. To recline, locate the lever on the right side of the chair, near the backrest. Pull the lever up and lean back to your desired angle. Release the lever to lock the backrest in place. To return to an upright position, pull the lever up and lean forward.

Armrest Adjustment

The 2D padded armrests can be adjusted vertically. Locate the button on the side of each armrest. Press and hold the button, then move the armrest up or down to your preferred height. Release the button to lock the armrest in position.

Maintenance and Care

Proper care will extend the life and appearance of your Techni Sport Gaming Chair.

- **Cleaning:** For general cleaning, wipe the polyurethane fabric with a soft, damp cloth. For tougher stains, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Casters:** Periodically check the casters for hair or debris that may impede smooth movement. Clean as necessary.
- **Hardware:** Occasionally check all screws and bolts to ensure they are tight. Retighten if loose to maintain stability and prevent squeaking.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the fabric to fade or crack.

Troubleshooting

If you encounter issues with your chair, try these common troubleshooting steps:

- **Chair Squeaks:** Check all bolts and screws for tightness. Apply a small amount of silicone lubricant to moving parts if necessary, avoiding contact with fabric.
- **Difficulty Adjusting Height:** Ensure the pneumatic cylinder is not obstructed. If the chair does not raise or lower, the cylinder may need replacement.
- **Chair Wobbles:** Verify that all base components and the chair's connection to the base are securely fastened. Ensure the floor surface is even.
- **Casters Not Rolling Smoothly:** Clean any debris (hair, lint) from the caster wheels.

Specifications

Feature	Detail
