KCO 7-Light Modern Gold Chandelier User Manual

Model: L1043 | ASIN: B07XJXJCZ7

1. PRODUCT OVERVIEW

The KCO Modern Gold Chandelier is a sophisticated 7-light ceiling pendant designed to enhance the ambiance of dining rooms, living rooms, and bedrooms. It features a brushed brass finish and seven white spherical glass lampshades, providing ample and elegant illumination.

2. SAFETY INFORMATION

- Always turn off the power at the circuit breaker before installation, cleaning, or replacing bulbs.
- Consult a qualified electrician if you are unsure about the installation process.
- Ensure all wiring connections are secure and comply with local electrical codes.
- Do not exceed the maximum wattage specified for the light bulbs (E26 base, 60W max per bulb).
- Handle glass components with care to prevent breakage.
- Keep packaging materials away from children.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation.

- Chandelier main body with brass lamp sockets (E26 base)
- 7 x Frosted White Glass Lampshades (5.9 inches / 15cm diameter)
- Ceiling Canopy with sloped ceiling adapter (5.9 inches / 15cm diameter)
- Extension Rods: 1 x 7.9 inches (20cm), 2 x 11.8 inches (30cm)
- Mounting Hardware (screws, wire nuts, etc.)
- Installation Manual

Image: Detailed view of the chandelier components, including the sturdy brass canopy, extension rods, frosted white glass lampshade, high-quality brass lamp body, and brass lamp socket.

4. INSTALLATION INSTRUCTIONS

Follow these steps carefully for proper installation. It is recommended to have two people for installation.

1. **Prepare for Installation:** Turn off power at the main circuit breaker. Ensure the mounting surface is secure and can support the weight of the chandelier.
2. **Assemble Extension Rods:** Determine the desired hanging height. The chandelier comes with three extension rods (7.9", 11.8", 11.8"). You can combine them to achieve minimum height of 7.9 inches or maximum height of 43.3 inches (110cm). Screw the chosen rods together and attach them to the main chandelier body.
3. **Mount the Canopy:** Attach the mounting bracket to the junction box in the ceiling. The canopy includes a sloped ceiling adapter, making it suitable for flat, vaulted, slanted, or sloped ceilings.
4. **Wire the Chandelier:** Connect the chandelier's wires to the household electrical wires according to standard wiring practices (usually black to black, white to white, ground to ground). Secure connections with wire nuts.
5. **Secure the Canopy:** Carefully push the canopy up to the ceiling, covering the junction box and wiring. Secure

it with the provided screws.

6. **Install Glass Lampshades:** Gently screw each frosted white glass lampshade onto its respective brass lamp socket. Ensure they are snug but do not overtighten.
7. **Install Light Bulbs:** Insert E26 base light bulbs (not included) into each socket. The chandelier supports dimmable bulbs when used with a compatible dimmable switch.
8. **Restore Power:** Turn the power back on at the circuit breaker.

Video: Demonstrates the installation of the glass globes and the sloped ceiling adapter feature of the KCO Gold Chandelier.

5. OPERATING INSTRUCTIONS

Once installed, the KCO Chandelier operates like any standard light fixture. If you have installed dimmable bulbs and a compatible dimmer switch, you can adjust the light intensity.

- **Turning On/Off:** Use your wall switch to turn the chandelier on or off.
- **Dimming (if applicable):** If using dimmable E26 bulbs and a compatible dimmer switch, rotate or slide the dimmer switch to adjust the brightness level.
- **Color Temperature Adjustment (if applicable):** Some smart E26 bulbs allow for color temperature changes (warm light, neutral light, white light). Refer to your bulb's specific instructions for this feature.

Video: Illustrates the different light temperature options (warm, neutral, white) available with compatible bulbs for the KCO Lighting 7-Lights Globe Chandelier.

6. MAINTENANCE

- **Cleaning:** To clean the chandelier, turn off the power and allow it to cool. Wipe the brass finish with a soft, dry cloth. For the glass globes, use a mild glass cleaner on a soft cloth, then wipe dry. Avoid abrasive cleaners or solvents.
- **Bulb Replacement:** Ensure power is off before replacing bulbs. Allow old bulbs to cool before removal. Replace with E26 base bulbs, not exceeding 60W per bulb.
- **Glass Globe Replacement:** In case of broken, damaged, or cracked glass lampshades, contact KCO Lighting for free replacements.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	No power, loose wiring, faulty bulb.	Check circuit breaker. Ensure all wires are securely connected. Replace bulb.
Light flickers.	Loose bulb, incompatible dimmer, faulty wiring.	Tighten bulbs. Ensure dimmer switch and bulbs are compatible. Check wiring connections.
Glass globe is broken/damaged.	Accidental impact during shipping or installation.	Contact KCO Lighting customer service for a free replacement.
Chandelier is not level.	Improper mounting or adjustment.	Re-check mounting bracket and ensure the canopy is securely and evenly attached. The sloped ceiling adapter allows for adjustment.

8. SPECIFICATIONS

Brand: KCO

Model Number: L1043

ASIN: B07XJXJCZ7

Material: Brass, Glass

Color: Gold

Style: Mid-Century Modern

Light Fixture Form: Chandelier

Room Type: Bedroom, Living room, Dining room, etc.

Product Dimensions: 110L x 35W x 75H Centimetres (43.3"L x 13.8"W x 29.5"H)

Globe Diameter: 5.9 inches (15cm)

Canopy Diameter: 5.9 inches (15cm)

Extension Rods: 7.9" (20cm), 2 x 11.8" (30cm)

Light Source: E26 Base (bulbs not included)

Max Wattage: 60W per bulb

Voltage: 110-240V (worldwide compatible)

Dimmable: Yes, with dimmable bulbs and compatible dimmer switch

Sloped Ceiling Compatible: Yes

Indoor/Outdoor Usage: Indoor use only

First Available Date: Sept. 18, 2019
