

JOOLA Inside 13

JOOLA Inside 13 Indoor Table Tennis Table User Manual

Brand: JOOLA | Model: Inside 13

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembling and using the JOOLA Inside 13 Table Tennis Table. Retain this manual for future reference.

- **Adult Supervision:** Children should always be supervised by an adult when using or near the table.
- **Stable Surface:** Ensure the table is placed on a flat, stable surface to prevent tipping.
- **Pinch Points:** Be aware of pinch points during assembly, folding, and unfolding. Keep hands clear of moving parts.
- **Locking Wheels:** Always engage the locking mechanisms on the wheels when the table is in play or storage position to prevent unintended movement.
- **Anti-Tilt Safety:** The JOOLA Inside 13 features a double anti-tilt safety mechanism. Ensure this is properly engaged when the table is folded or in solo play mode.
- **Weight Limit:** Do not sit, stand, or place heavy objects on the table. It is designed for playing table tennis only.
- **Indoor Use Only:** This table is designed for indoor use. Exposure to outdoor elements can damage the playing surface and frame.

2. PRODUCT OVERVIEW

The JOOLA Inside 13 is an indoor table tennis table designed for recreational play. It features a 12mm MDF playing surface for consistent ball bounce, a sturdy metal frame, and a foldable design for convenient storage and solo practice. The table comes 95% pre-assembled for quick setup.

Key Features:

- **12mm MDF Playing Surface:** Provides a consistent and enjoyable ball bounce.
- **Powder-Coated Metal Frame:** Ensures durability and stability.
- **Foldable Design:** Each half folds independently for compact storage and solo play.
- **Lockable Wheels:** Four high-quality wheels on each half for easy transport and secure positioning.
- **Double Anti-Tilt Safety:** Enhances safety during storage and solo play.
- **Adjustable Height Feet:** Allows for leveling the playing surface on uneven floors.
- **Quick Assembly:** 95% pre-assembled, requiring approximately 15-20 minutes for full setup.
- **Included Net Set:** Comes with a practical clamp-style net and post set.

3. SETUP INSTRUCTIONS

The JOOLA Inside 13 table is designed for quick assembly, with most components pre-installed. Two people are recommended for safe and efficient setup.

1. **Unpack Components:** Carefully remove all parts from the packaging. Check against the parts list (not provided in JSON, so general instruction).
2. **Position Table Halves:** Place each table half on a flat surface, ensuring enough space for unfolding. The table is delivered 95% pre-assembled, meaning the main frame and playing surface are largely connected.
3. **Unfold Legs:** Carefully unfold the legs and support structures for each table half. Ensure all locking mechanisms click into place securely.
4. **Connect Halves:** Bring the two table halves together. Align the connecting brackets and secure them according to the specific mechanism (usually a latch or bolt system).
5. **Attach Net:**

Attach the included net set to the center of the table. The net uses a practical clamp technique. Ensure the net is taut and at the correct height (15.25 cm or 6 inches).

6. **Level the Table:** Use the adjustable feet on the table legs to ensure the playing surface is perfectly level.

4. OPERATING INSTRUCTIONS

4.1. Standard Play Mode (Full Table)

- Ensure both table halves are securely connected and the net is properly installed.
- Verify all wheel locks are engaged to prevent movement during play.
- Confirm the table surface is level using the adjustable feet.

4.2. Solo Play Mode (Folded Half)

The JOOLA Inside 13 allows for solo practice by folding up one half of the table.

1. **Unlock and Separate:** Unlock the connection between the two table halves.
2. **Fold One Half:** Carefully fold one half of the table upwards into the vertical storage position. Ensure the double anti-tilt safety mechanism engages.
3. **Position for Play:** Position the folded half at a suitable distance from the unfolded half for solo practice.

4. **Engage Wheel Locks:** Lock the wheels on both halves to ensure stability during solo play.

4.3. Folding for Storage

To store the table compactly, both halves can be folded vertically.

1. **Remove Net:** Detach the net from the table.
2. **Unlock and Separate:** Unlock the connection between the two table halves and separate them slightly.
3. **Fold Each Half:** Carefully fold each table half upwards into the vertical storage position. Ensure the double anti-tilt safety mechanism engages for each half.
4. **Compact Storage:** Push the two folded halves together for compact storage. Engage all wheel locks.

5. MAINTENANCE

- **Cleaning the Playing Surface:** Wipe the playing surface with a soft, damp cloth to remove dust and dirt. Avoid abrasive cleaners or solvents that could damage the finish.
- **Frame and Legs:** Periodically check all bolts and screws for tightness and re-tighten if necessary. Wipe the metal frame with a damp cloth.
- **Wheels:** Keep the wheels clean and free of debris to ensure smooth movement.
- **Net:** Clean the net with a damp cloth. Store it properly when not in use to prevent damage.
- **Storage:** Store the table in a dry, indoor environment away from extreme temperatures and humidity to prevent warping or damage.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Table is wobbly or uneven.	Uneven floor surface; loose leg connections.	Adjust the height of the individual feet until the table is level. Check and tighten all leg connection bolts.
Table halves do not align properly.	Improper connection; obstruction.	Ensure connecting brackets are correctly engaged. Check for any debris or obstructions between the halves.
Wheels do not roll smoothly.	Debris in wheels; wheel locks engaged.	Clean any debris from the wheels. Ensure wheel locks are disengaged when moving the table.
Net is not taut.	Improper net attachment.	Re-attach the net, ensuring the clamp mechanism is fully secured and the net is stretched tightly across the table.

7. SPECIFICATIONS
