Paw Patrol Ready, Race, Rescue Mobile Pit Stop Team Vehicle Instruction Manual

INTRODUCTION

This instruction manual provides essential information for the safe and proper use of your Paw Patrol Ready, Race, Rescue Mobile Pit Stop Team Vehicle. Please read all instructions before assembly and operation to ensure a fun and safe experience.

WHAT'S IN THE BOX

- 1 Mobile Pit Stop Team Vehicle
- 1 Chase figure
- 1 Chase vehicle
- 1 Instruction Sheet
- 3 LR44 Batteries (included)

SETUP

1. Unpacking

Carefully remove all components from the packaging. Ensure all items listed in the "What's in the Box" section are present. Dispose of packaging materials responsibly.

2. Battery Installation

The Mobile Pit Stop Team Vehicle requires 3 LR44 batteries, which are included. Locate the battery compartment, usually on the underside of the vehicle. Use a small screwdriver to open the compartment, insert the batteries according to the polarity indicators (+/-), and securely close the compartment.

3. Initial Assembly

This product does not require complex assembly. The main vehicle and accessories are ready for play after unpacking and battery installation.

4. Placing Figures and Vehicles

- Open the Mobile Pit Stop Team Vehicle to reveal the interior ramp.
- Place the Chase figure into the small Chase vehicle.
- Position the small Chase vehicle onto the ramp inside the larger Pit Stop vehicle.
- The Chase figure can also be placed in the driver's seat of the Mobile Pit Stop Team Vehicle.

OPERATING INSTRUCTIONS

1. Transforming the Vehicle

- To transform the Mobile Pit Stop Team Vehicle from its compact truck form to the expanded pit stop mode, gently pull the sides outwards.
- To return to truck form, push the sides back inwards until they click into place.

2. Launching the Small Vehicle

- In expanded mode, place the small Chase vehicle on the internal ramp.
- Press the designated button or lever (refer to the included instruction sheet for exact location) to launch the small vehicle down the ramp.

MAINTENANCE

Cleaning

Wipe the vehicle and figures with a damp cloth. Do not immerse in water. Avoid using harsh chemicals or abrasive cleaners.

Battery Replacement

When sounds become faint or stop working, it's time to replace the batteries. Follow the battery installation steps in the Setup section. Use only LR44 alkaline batteries.

TROUBLESHOOTING

Problem	Solution
---------	----------

Problem	Solution
Sounds are not working or are faint.	Check if the batteries are correctly installed. Replace with new LR44 batteries if necessary.
Small vehicle does not launch smoothly.	Ensure the main vehicle is fully transformed into pit stop mode and the small vehicle is correctly positioned on the ramp. Check for any obstructions.
