IMPORTANT SAFETY INFORMATION

- **DO NOT use real fire/flame candles.** The metal construction will become very hot, posing a burn hazard and potential damage to the product or surrounding surfaces.
- Only use **battery-operated candles, tea lights, or votive candles** with a height of 9.75 inches or smaller for safe and proper fit.
- This product **CANNOT be filled with water.** It is not designed to hold liquids.
- Keep out of reach of children and pets when in use or when containing small items.

SETUP & PLACEMENT

Your Elipse Crystal Decorative Vase/Candle Holder comes fully assembled and ready for use. Simply remove it from its packaging and place it on a stable, flat surface.

- Choose a location that complements your existing decor.
- Ensure the surface is level to prevent tipping.
- The chrome base is elevated on three small pellets for stability.

OPERATING & USAGE

This versatile piece can be utilized in various ways to enhance your home or event decor:

- **As a Candle Holder:** Insert battery-operated candles, tea lights, or votive candles (max height 9.75 inches) into the included removable cup. This creates a warm, illuminating glow.
- **As a Decorative Vase:** Display artificial flowers, dried arrangements, or other decorative elements. Fresh flower inserts are NOT included and the product cannot be filled with water.
- **For Storage/Organization:** Use it to organize makeup brushes, pens, office supplies, or other small keepsakes.
- **Event Centerpiece:** Fill with string lights for a stunning effect at weddings, parties, or other special occasions.

CARE & MAINTENANCE

To maintain the beauty and longevity of your decorative piece, follow these simple care instructions:

- **Cleaning:** Wipe gently with a soft, dry, lint-free cloth. For stubborn spots, a slightly damp cloth can be used, followed immediately by a dry cloth.
- **Avoid Abrasives:** Do not use abrasive cleaners, harsh chemicals, or rough sponges, as these can scratch the chrome finish or damage the crystals.
- **Dusting:** Regular dusting will help maintain its sparkle.
- **Handling:** Handle with care to prevent accidental drops or impacts that could chip the crystals or dent the metal.

TROUBLESHOOTING

Most issues with this decorative item can be avoided by following the safety and care guidelines. However, here are some common concerns:

- **Discoloration/Damage:** If the metal appears discolored or damaged, it is likely due to exposure to excessive heat from real flame candles. Discontinue use of any flame-based items immediately. This damage is irreversible.
- **Loose Crystals:** While rare, if a crystal becomes loose, it can often be re-secured with a small amount of clear, strong adhesive suitable for metal and crystal.
- **Scratches on Chrome:** Minor scratches may occur from abrasive cleaning or rough handling. These are typically cosmetic and do not affect functionality.
