HP CE285AT1

HP 85A Black Toner Cartridges User Manual

Model: CE285AT1

INTRODUCTION

This manual provides essential information for the proper use, installation, and maintenance of your Original HP 85A Black Toner Cartridges. Designed for high-quality, reliable printing, these cartridges help ensure productivity and minimize common printing issues.

Image: The packaging for the HP 85A Black Toner Cartridges, indicating a 3-pack.

SAFETY INFORMATION

Always handle toner cartridges with care. Avoid touching the imaging drum or electrical contacts to prevent damage

and ensure optimal print quality. Keep cartridges out of reach of children. Do not attempt to open or modify the cartridge. In case of toner contact with skin or clothing, wash thoroughly with soap and cold water. If toner gets into eyes, flush immediately with water and seek medical attention if irritation persists.

COMPATIBILITY

Original HP 85A Black Toner Cartridges (CE285AT1) are designed to work seamlessly with the following HP LaserJet Pro printer models:

- HP LaserJet Pro P1102w
- HP LaserJet Pro P1109w
- HP LaserJet Pro MFP M1212nf
- HP LaserJet Pro MFP M1217nfw

WHAT'S IN THE BOX

Your package contains:

- 3 x Original HP 85A Black Toner Cartridges (CE285AT1)

SETUP: CARTRIDGE INSTALLATION

1. **Unpack the Cartridge:** Carefully remove the new toner cartridge from its packaging.
2. **Shake the Cartridge:** Gently rock the cartridge from side to side several times to distribute the toner evenly.
3. **Remove the Sealing Tape:** Pull the sealing tape (if present) completely off the cartridge.
4. **Open Printer Access Door:** Open the toner cartridge access door on your HP LaserJet Pro printer.
5. **Remove Old Cartridge (if applicable):** If replacing an old cartridge, carefully pull it straight out of the printer.
6. **Insert New Cartridge:** Align the new cartridge with the tracks inside the printer and push it firmly until it clicks into place.
7. **Close Printer Access Door:** Close the toner cartridge access door. The printer should automatically detect the new cartridge.

OPERATING

Original HP 85A Black Toner Cartridges are designed for consistent, high-quality output. Each cartridge yields approximately 1,600 pages, ensuring reliable performance for your printing needs.

Save time and money

More toner, more pages
with high-yield cartridges¹

¹Based on using High Yield vs. Standard Yield cost per page basis.

MAINTENANCE

To ensure the longevity and optimal performance of your HP toner cartridges and printer:

- Store new cartridges in their original packaging in a cool, dry place away from direct sunlight.
- Avoid exposing the cartridge to extreme temperatures or humidity.
- Do not touch the green imaging drum on the bottom of the cartridge. Fingerprints can cause print quality problems.
- Regularly clean your printer according to its specific user manual to prevent toner buildup.

Easy to recycle¹

¹ HP recycling Planet Partners program availability varies. 4AA5-4602ENW, August 2023, Rev. 3.

Image: An HP toner cartridge highlighting its ease of recycling.

TROUBLESHOOTING

If you encounter printing issues, consider the following common solutions:

- **Poor Print Quality:** Ensure the cartridge is properly seated. Gently shake the cartridge to redistribute toner. Check if the cartridge is low on toner.
- **Streaks or Smudges:** Clean the printer's internal components as per your printer's manual. Ensure no foreign objects are inside the printer.
- **Cartridge Not Recognized:** Remove the cartridge and reinsert it firmly. Clean the electrical contacts on the cartridge and in the printer with a lint-free cloth.
- **Printer Error Messages:** Refer to your printer's display or manual for specific error codes and their solutions.

Original HP Toner Cartridges feature tamper-resistant chips, firmware, and packaging to help protect your printer from malicious code and maintain data integrity, reducing common problems associated with non-genuine cartridges.

Help protect your printer and data

Tamper-resistant chips, firmware and packaging¹

¹ HP office-class printing systems are select Enterprise and Managed devices with FutureSmart firmware 4.5 and up, Pro devices, LaserJet models 200 and up, with respective Original HP Toner, PageWide and Ink Cartridges. Does not include HP integrated printhead cartridges. Digital supply-chain tracking, hardware and packaging security features vary locally by SKU.
