5. MAINTENANCE

To ensure the longevity and optimal performance of your RK ROYAL KLUDGE S108 keyboard, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe down the keyboard surface regularly. For deeper cleaning, use a can of compressed air to remove dust and debris from between the keys. If necessary, use a slightly damp cloth with a mild cleaning solution, ensuring no liquid enters the keyboard.
- **Keycap Removal:** Use the included keycap puller to carefully remove keycaps for cleaning or replacement. Gently pull straight up on the keycap to avoid damaging the switch.
- **Storage:** When not in use for extended periods, store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Spills:** Keep liquids away from the keyboard to prevent damage to internal components.

6. TROUBLESHOOTING

If you encounter any issues with your RK ROYAL KLUDGE S108 keyboard, please refer to the following common solutions:

- **Keyboard Not Responding:**
 - Ensure the USB cable is securely plugged into both the keyboard and the computer.
 - Try plugging the keyboard into a different USB port on your computer.
 - Restart your computer.
 - Test the keyboard on another computer to determine if the issue is with the keyboard or your system.
- **Backlight Not Working or Incorrect:**
 - Ensure the backlight is turned on using the appropriate FN key combination (refer to Section 4.2).
 - Adjust brightness using FN + UP/DOWN Arrow keys.
 - Perform a factory reset (FN + ESC, hold for 5 seconds) to restore default lighting settings.
- **Keys Not Registering or Double-Typing:**
 - Ensure the keyboard is clean and free of debris under the keycaps. Use the keycap puller and compressed air

if needed.

- If the issue persists for a specific key, it might indicate a faulty switch.

- **Wrist Rest Detaches Easily:**

- Ensure the wrist rest is properly aligned and firmly snapped into place.

If these steps do not resolve your issue, please contact RK ROYAL KLUDGE customer support for further assistance.
