JACKPOT! JP-EL-Loft-Bed-Cherry

JACKPOT! Contemporary Low Loft Twin Bed with End Ladder, Cherry

User Manual

Product Overview

The JACKPOT! Contemporary Low Loft Twin Bed is designed for children aged 6 years and older, offering a space-saving solution with a comfortable sleeping area and functional under-bed space. Constructed from solid, knot-free New Zealand pine with a cherry painted finish, this bed provides durability and stability. It features a complete set of slats, eliminating the need for a bunkie board or mattress foundation.

The integrated end ladder can be positioned on either the right or left side of the bed during assembly, providing flexibility for room layout. The design allows for approximately 32 inches of clear space underneath the bed, ideal for storage or a play area.

Safety Information

Important Safety Warnings:

- Always follow the information on the warnings appearing on the upper loft bed end and on the carton.
- Do not remove the warning label from the bed.
- Ensure all assembly hardware is securely tightened before use and periodically check for tightness.
- This bed is recommended for children 6 years and older.

Setup and Assembly

Assembly of the JACKPOT! Contemporary Low Loft Twin Bed is required. All necessary tools are included with the product. The ladder can be installed on either the right or left side of the bed to best suit your room configuration.

For detailed step-by-step assembly instructions, please refer to the official Installation Manual PDF provided by the manufacturer. A digital copy of the manual can be accessed via the following link: Installation Manual (PDF).

Operating and Usage

This low loft bed is designed to accommodate a twin-sized mattress directly on its integrated slat system. The complete set of slats provides ample support, negating the need for a separate bunkie board or box spring.

The generous space under the bed, approximately 32 inches high, 75 inches wide, and 38 1/4 inches deep, can be utilized for various purposes such as storage, a reading nook, or a play area, maximizing the functionality of a child's room.

Maintenance

To maintain the quality and appearance of your JACKPOT! Low Loft Twin Bed, simply wipe it with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the painted finish.

Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain the bed's stability and safety.

Troubleshooting

While the JACKPOT! Low Loft Twin Bed is designed for durability and ease of assembly, should you encounter any issues, consider the following general troubleshooting steps:

- **Wobbling or Instability:** Ensure all assembly hardware (bolts, screws) are fully tightened. Over time, connections may loosen and require re-tightening.
- **Missing Parts:** If you believe parts are missing upon delivery, refer to the included parts list in the assembly manual. Contact customer support if discrepancies are found.
- **Difficulty with Assembly:** Double-check the assembly manual for correct orientation of parts. Some pieces may appear similar but have specific alignments.

For more specific issues or if problems persist, please contact JACKPOT! customer support.

Specifications
