2. USAGE INSTRUCTIONS

For optimal results, follow the recommended application sequence. Products are generally applied to clean, dry skin unless otherwise specified.

General Application Guidelines:

1. Cleanse your face to remove impurities.
2. Exfoliate to remove dead skin cells (typically 2-3 times per week).
3. Apply targeted treatments (serums, oils, balms).
4. Moisturize to hydrate the skin.

Step-by-Step Routine:

2.1. Charcoal Face Wash (Daily Cleanser)

Apply a small amount to a damp face. Gently massage in circular motions to create a lather. Rinse thoroughly with warm water. Use daily, morning and night.

2.2. Charcoal Scrub (Exfoliating Rub)

After cleansing, apply a small amount to a damp face. Gently massage onto the skin, focusing on areas with rough texture. Rinse thoroughly. Use 2-3 times per week, avoiding the eye area.

2.3. Wrinkle Defense Serum (Anti-Wrinkle Serum)

After cleansing and exfoliating (if applicable), roll the Anti-Wrinkle Serum directly onto areas showing signs of aging, such as fine lines or wrinkles. Allow to absorb.

2.4. Recovery Oil

Following serum application, roll the Recovery Oil onto any dry or flaky areas of the face that require additional hydration and repair. Gently pat into the skin.

2.5. Dark Circle Defense Balm

Dab the Dark Circle Defense Balm gently underneath the eyes, targeting areas where dark circles or under-eye bags are apparent. Use your ring finger for light application.

2.6. Daily Face Moisturizer (Moisturizing Balm)

Apply the Moisturizing Balm to your clean face. Gently massage until fully absorbed. Allow approximately 30 seconds for absorption. Use daily, morning and night, as the final step in your routine.
