AQUA GUARD 16.9 Fl Oz

AQUA GUARD Pre-Swim Hair Defense

MODEL: 16.9 FL OZ

Chlorine Shield for Hair Protection During Swimming

1. Overview

The AQUA GUARD Pre-Swim Hair Defense is formulated to protect hair from the damaging effects of chlorine, salt, and sun exposure encountered during swimming. This product creates a nourishing barrier that helps prevent green discoloration, dryness, brittleness, and maintains overall hair health. It is suitable for all hair types, including dense curls and platinum blondes.

2. Product Features

- **Chlorine & Salt Protection:** Forms a protective barrier to prevent damage from pool chlorine and ocean salt.
- **Prevents Green Hair:** Specifically designed to prevent green discoloration in hair caused by chlorine.
- **Softens & Smooths:** Helps maintain hair's natural softness and smoothness, counteracting dryness and brittleness.
- **Color Protection:** Safeguards natural and color-treated hair from fading and damage.
- **UV Protection:** Offers protection against harmful UV rays.
- **Suitable for All Hair Types:** Effective for curly, straight, wavy, frizzy, and color-treated hair.
- **Formulation:** No parabens, no phthalates, no dyes, cruelty-free, gluten-free, reef-safe, and vegan.

Prevent chlorine, salt,
& sun damage

Soft, healthy hair after
every swim

Protect color, texture,
and shine

Stop damage
before it starts

3. How to Use (Operating Instructions)

Follow these steps for optimal hair protection before and after swimming:

1. Step 1: Apply Before Swimming

Generously apply AQUA GUARD Pre-Swim Hair Defense to damp or dry hair a few minutes before entering the water. Pay special attention to the ends of your hair.

2. Step 2: Dive In

Excess AQUA GUARD will rinse away in the water, leaving a thin, nourishing barrier to protect your hair in the pool, ocean, or freshwater.

3. Step 3: After Swimming

Rinse hair in warm water, or wash with AQUA GUARD Gentle Clarifying Shampoo as needed.
