Linklike Classic 10

Linklike Classic 10 Quad Drivers Bluetooth 5.0 Headphones

USER MANUAL

Model: Classic 10 | Brand: Linklike

INTRODUCTION

The Linklike Classic 10 Quad Drivers Bluetooth 5.0 Headphones are designed to provide a superior audio experience for active lifestyles. Featuring dual dynamic drivers in each earbud, these headphones deliver balanced bass, mid-range, and treble. With IPX7 waterproofing, they are suitable for sports and workouts, offering durability against sweat and light rain. The built-in cVc noise-canceling MEMS microphone ensures clear communication during calls.

The Linklike Quad Drivers Bluetooth Headphones feature a sleek design with red cables and transparent earbud housings, showcasing the internal quad drivers.

PACKAGE CONTENTS

Please check the package for the following items:

- Linklike Classic 10 Bluetooth Headphones
- USB Charging Cable
- User Manual
- Extra Eartips (S, M, L sizes)
- Earwings
- Adjustable Cable Clip

SETUP

1. Charging the Headphones

Before first use, fully charge the headphones. Connect the provided USB charging cable to the charging port located on the in-line control unit and plug the other end into a USB power source. The charging time is approximately 3 hours.

2. Bluetooth Pairing

1. Ensure the headphones are turned off.
2. Press and hold the multi-function button on the in-line control until the LED indicator flashes red and blue, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "Linklike Classic 10" from the list of devices.
5. Once connected, the LED indicator will flash blue slowly.

OPERATING INSTRUCTIONS

Controls

The in-line control unit allows for easy management of music and calls:

- **Multi-function Button:** Press once to Play/Pause music or Answer/End calls. Long press to Power On/Off.
- **Volume Up (+):** Press once to increase volume. Long press to skip to the next track.
- **Volume Down (-):** Press once to decrease volume. Long press to go to the previous track.

Making and Receiving Calls

The built-in cVc noise-canceling MEMS microphone effectively reduces background noise, ensuring clear voice calls.

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Long press the multi-function button.

Magnetic Earbuds

The earbuds feature built-in magnets, allowing them to snap together when not in use. This helps prevent tangling and keeps them securely around your neck.

COMFORT AND FIT

The Linklike Classic 10 headphones are designed with an ergonomic tri-hold structure and a 45° oblique angle for a secure and comfortable fit. Multiple sizes of eartips (S, M, L) and earwings are included to ensure optimal comfort and sound isolation for various ear shapes.

Tailored Design for your Comfort

3 pairs of S, M, L size earbuds to provide universal fit

Extra pair of ear hooks to strengthen its security in your ears

Special-designed cable clip to optimize your wearing by adjusting the cable length

Illustration of the headphones' tailored design for comfort, showing different sized earbuds, ear hooks, and an adjustable cable clip.

MAINTENANCE

- Clean the earbuds regularly with a soft, dry cloth.

- Avoid using harsh chemicals or abrasive materials.
- Store the headphones in a cool, dry place when not in use.
- The IPX7 rating protects against sweat and light rain, but avoid submerging the headphones in water.

TROUBLESHOOTING

No Sound / Poor Sound Quality

- Ensure the headphones are properly paired with your device.
- Check the volume levels on both the headphones and your device.
- Make sure the eartips provide a good seal in your ear for optimal bass response. Try different sizes.
- Ensure the headphones are charged.

Cannot Pair

- Ensure the headphones are in pairing mode (flashing red and blue LED).
- Turn off and on Bluetooth on your device.
- Move the headphones closer to your device.
- Clear previous Bluetooth connections on your device if necessary.

Short Battery Life

- Ensure the headphones are fully charged before use.
- Battery performance can vary based on volume level and usage.

SPECIFICATIONS

Feature	Specification
Product Name	Classic 10 Sports Bluetooth Earphones
Model	Classic 10
Bluetooth Version	5.0
Transmission Range	≤ 33 ft
Charging Time	≈ 3 hrs
Music Play Time/Talk Time	≈ 8 hrs
Standby Time	≈ 120 hrs
Working Temperature	0°C ~ 45°C
Speaker Size	6.6mm
Frequency Range	20-20000Hz
Sensitivity	98±3dB
Impedance	32Ω

Battery Capacity	Li-Polymer Battery 3.7V/100mAh
Lithium Battery Charging Limited Voltage	4.2V
Water Resistance Level	IPX7 (Waterproof)
Item Weight	15 Grams (0.529 ounces)

IMPORTANT SAFETY INFORMATION

- Do not remove or replace the battery. Improper handling of sensitive electronic components, including the battery, can cause injury if dropped, burned, punctured, or exposed to excessive heat or liquid.
- Do not treat the product and battery as household waste. When disposing of the product and its battery, please follow local environmental laws to avoid an explosion.
- The product contains components and radios that emit electromagnetic fields and magnets. These electromagnetic fields and magnets may interfere with pacemakers, defibrillators, or other medical devices. Maintain a safe distance between your medical device and product. Consult your physician and medical device manufacturer for information specific to your medical device. Stop using the product if you suspect it is interfering with your pacemaker, defibrillator, or any other medical device.

WARRANTY AND SUPPORT

Linklike products are built with selected materials and undergo strict reliability and durability tests. For any questions regarding pairing, connection, charging, fit, sound quality, or other issues, please contact Linklike Brand Customer Care. Our support team is available to assist you.
