Karcher DAB 9000CDi

Karcher DAB 9000CDi Internet Radio with CD Player User Manual

Model: DAB 9000CDi
Brand: Karcher

1. Introduction

The Karcher DAB 9000CDi is a versatile digital radio designed to provide a wide range of audio entertainment options. It features a WiFi interface for accessing up to 10,000 different internet radio stations, as well as DAB+ and FM reception for extensive radio selection. This multifunctional device allows wireless music and podcast streaming via Bluetooth, and offers connectivity for external audio sources through its AUX-IN and USB ports. Additionally, it serves as a daily companion with its integrated radio alarm clock, dual alarm, snooze function, and sleep timer. The unit is operated via a user-friendly 2.8-inch color display, which is dimmable in three stages.

2. What's in the Box

Upon unpacking your Karcher DAB 9000CDi, please ensure all the following components are present:

- Remote control
- Audio cable (3.5 mm)
- Power adapter
- User manual (German/English)

3. Setup

3.1 Power Connection

Connect the supplied power adapter to the DC IN port on the rear of the unit and plug it into a suitable wall outlet. The unit will power on or enter standby mode.

3.2 Antenna Setup

For optimal DAB+ and FM radio reception, fully extend the telescopic antenna located on the rear of the unit. Adjust its position for the best signal quality.

3.3 Initial Setup Wizard

Upon first power-on, the unit will guide you through an initial setup wizard. Follow the on-screen prompts to configure the following:

1. **Language Selection:** Choose your preferred language for the menu and display.
2. **Time and Date:** Set the current time and date. The unit can synchronize time via network or DAB+ signal.
3. **Network Configuration (WLAN):** Select your Wi-Fi network and enter the password to enable internet radio and streaming features.
