## HoMedics FB-52

# HoMedics Bubble Bliss Deluxe Foot Spa (Model FB-52) Instruction Manual

Your guide to operating and maintaining your HoMedics foot spa.

## INTRODUCTION

---

Thank you for purchasing the HoMedics Bubble Bliss Deluxe Foot Spa. This manual provides important instructions for safe operation, setup, use, and maintenance of your device. Please read it thoroughly before use and retain it for future reference.

## SAFETY INFORMATION

### Read all instructions before using this appliance.

- Always unplug the appliance from the electrical outlet immediately after using and before cleaning.
- Do not reach for an appliance that has fallen into water. Unplug it immediately.
- Do not use while bathing or in a shower.
- Do not place or store appliance where it can fall or be pulled into a tub or sink.
- Do not place in or drop into water or other liquid.
- Close supervision is necessary when this appliance is used by, on, or near children, invalids, or disabled persons.
- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by HoMedics.
- Never operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to a HoMedics Service Center for examination and repair.
- Keep cord away from heated surfaces.
- Never use while sleeping or drowsy.
- Never drop or insert any object into any opening.
- Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
- Do not use on or near eyes or other highly sensitive areas.

- Do not operate under a blanket or pillow. Excessive heating can occur and cause fire, electric shock, or injury to persons.
- Do not carry this appliance by supply cord or use cord as a handle.
- To disconnect, turn all controls to the "OFF" position, then remove plug from outlet.
- This appliance is designed for household use only.
- This appliance is not intended for medical use. It is intended only to provide a luxurious massage.
- Consult your doctor before using this product if you have a medical condition, including pregnancy, pacemaker use, diabetes, or any health concerns.
- Never use on open wounds, discolored areas, or any area of the body that is swollen, burned, inflamed, or where skin eruptions or sores are present.
- Use of this product should be pleasant and comfortable. Should pain or discomfort result, discontinue use and consult your physician.

## PACKAGE CONTENTS

---

- HoMedics Bubble Bliss Deluxe Foot Spa
- Removable Splash Guard
- 3 Interchangeable Massage Attachments

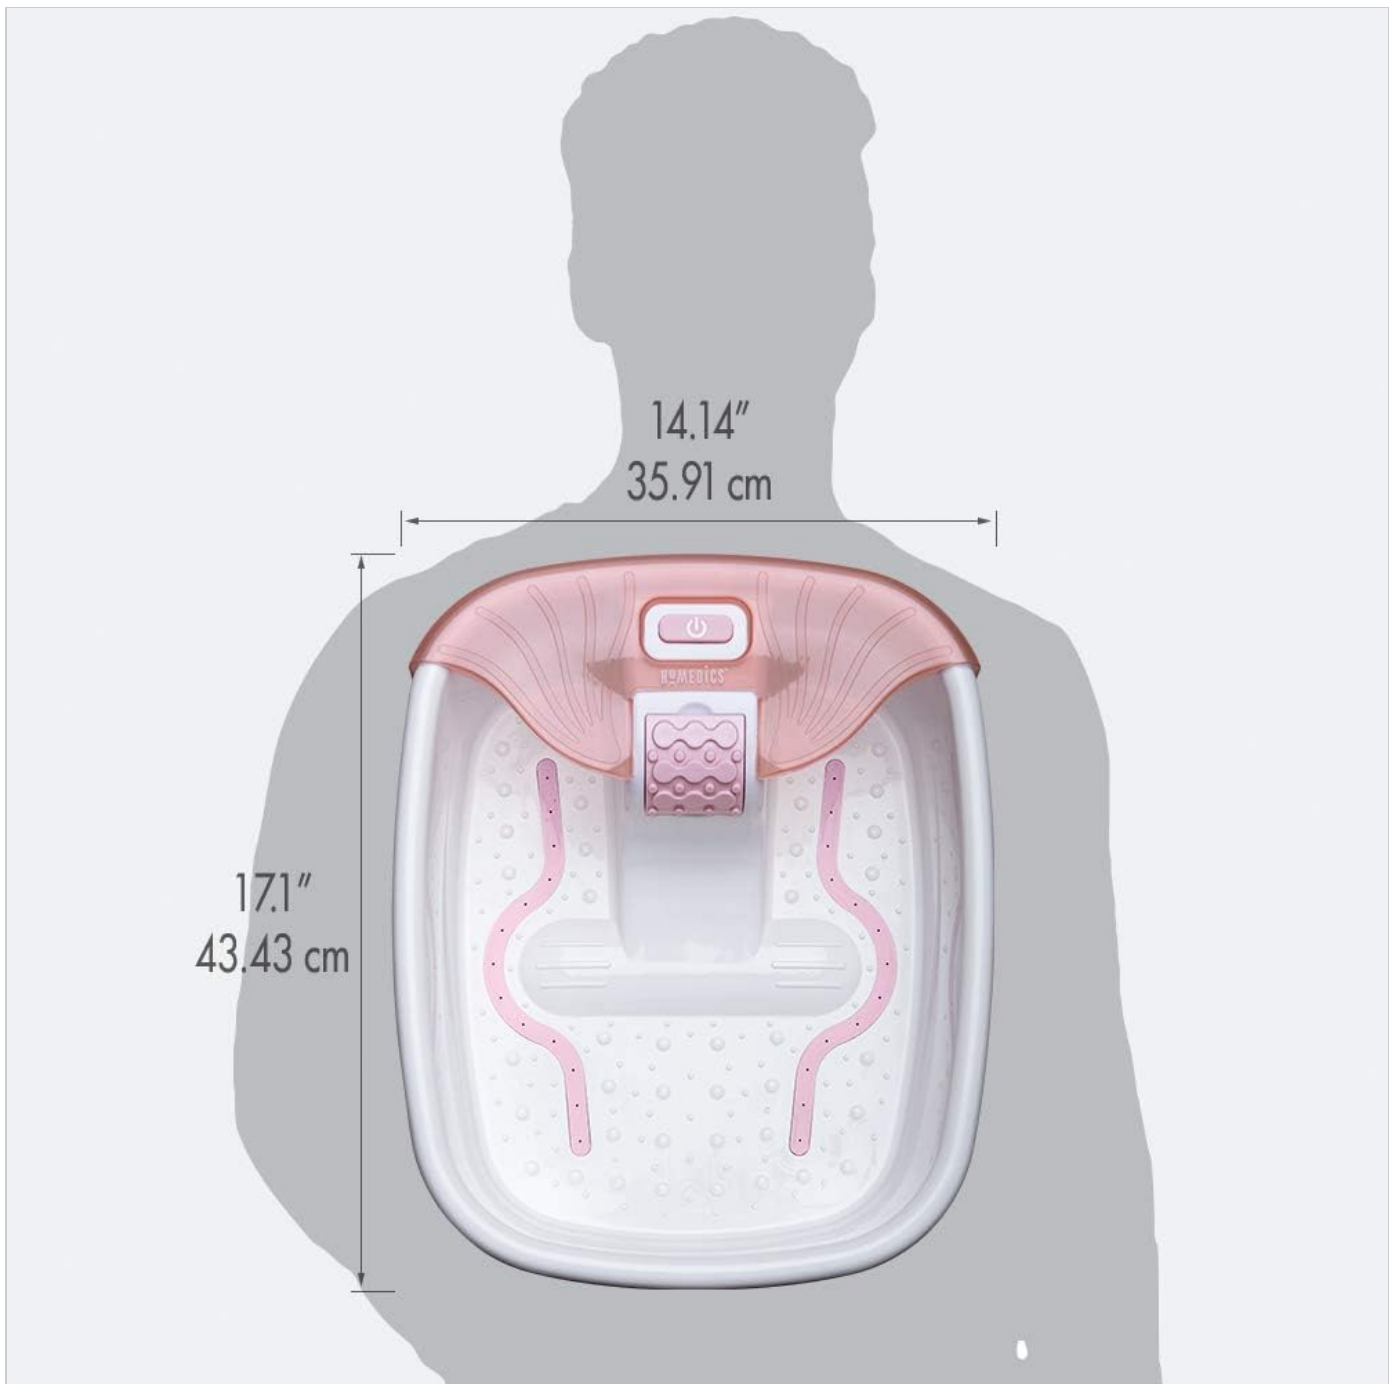

Image: A close-up view of the three distinct pink interchangeable massage attachments included with the foot spa.

## SETUP

1. Ensure the unit is unplugged before filling with water.
2. Place the foot spa on a flat, stable surface.
3. Fill the foot spa with warm water up to the indicated fill line. Do not overfill.
4. Plug the unit into a 120V household outlet.

Massaging bubbles relieve sore, aching feet.

Image: A user's feet are submerged in the foot spa, which is actively producing bubbles, demonstrating the product in use.

## OPERATING INSTRUCTIONS

The HoMedics Bubble Bliss Deluxe Foot Spa features simple toe-touch controls for ease of use.

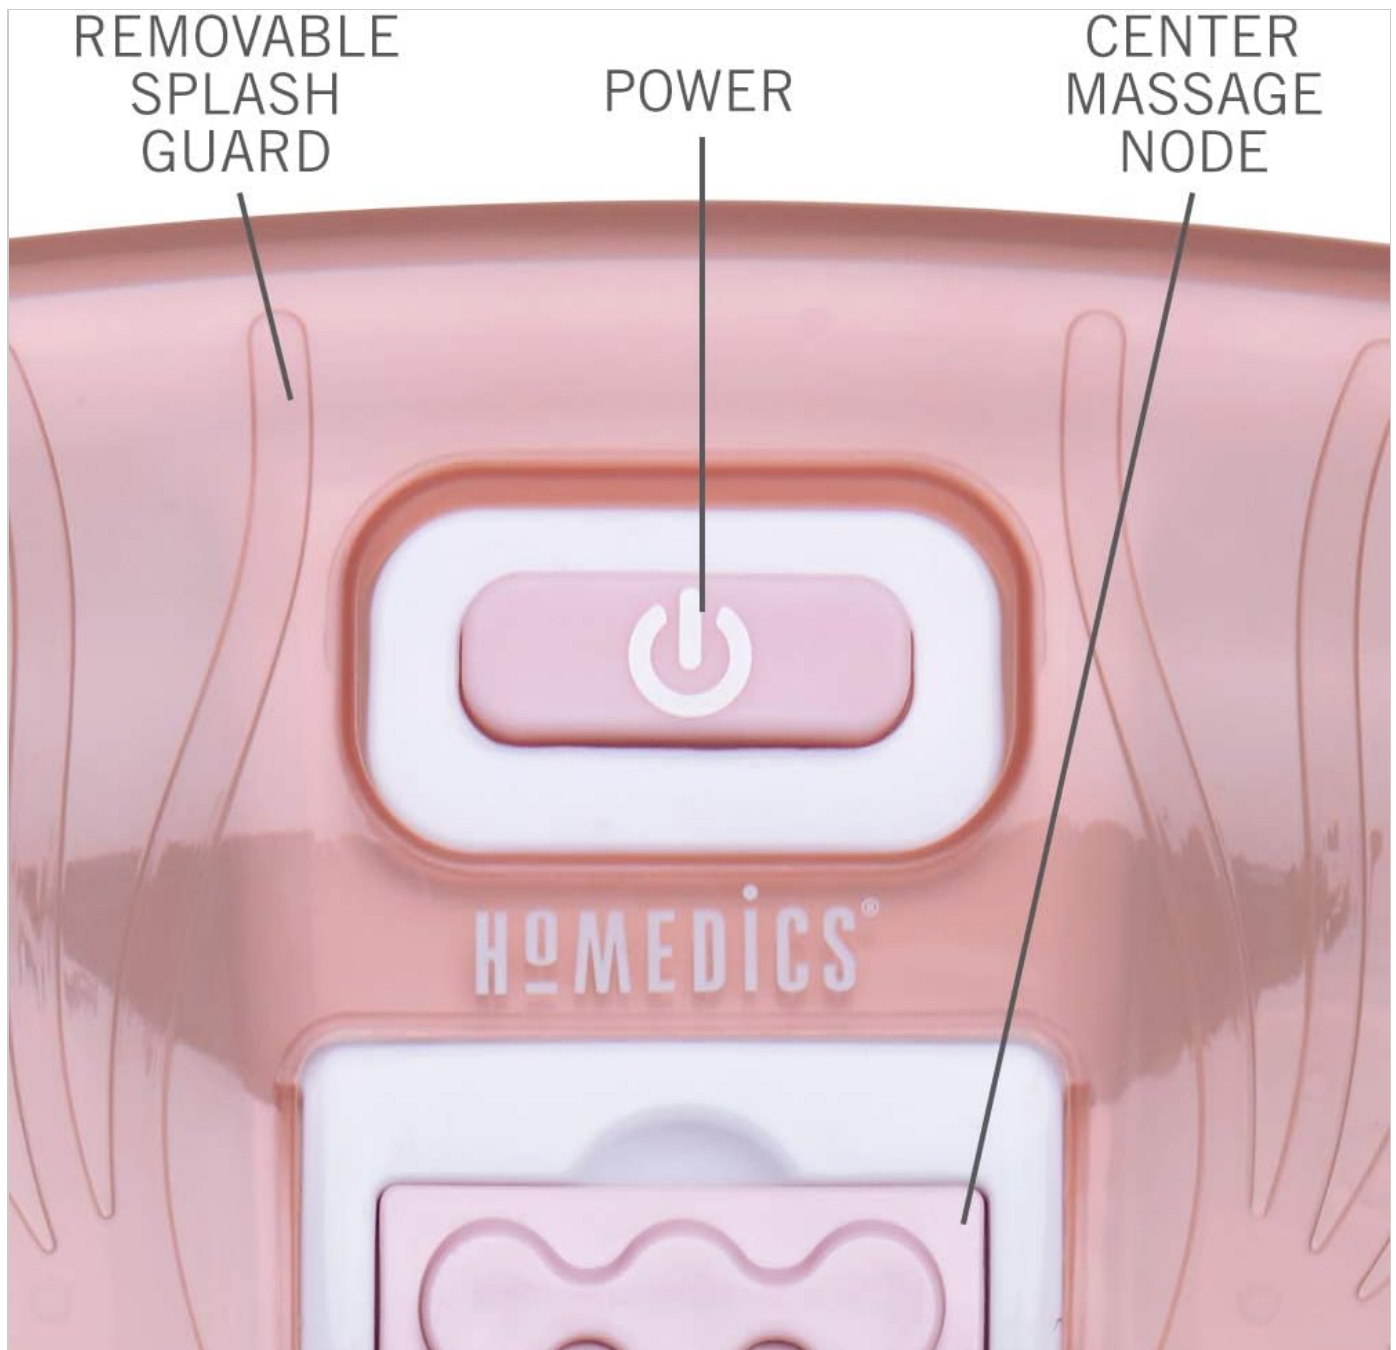

Image: A detailed view of the foot spa's control panel, highlighting the power button and the central massage node.

1. Once the unit is filled with water and plugged in, gently press the power button with your toe to activate the bubble massage and heat maintenance features.
2. The active bubble massage will begin, providing a soothing sensation to your feet.
3. The heat maintenance feature will work to keep the water at a comfortable temperature. Note that this feature maintains the temperature of warm water, it does not heat cold water.
4. For additional massage, rub the bottoms of your feet over the raised nodes located on the floor of the foot spa.
5. To turn off the unit, press the power button again with your toe.

Soothing heat helps maintain warm water temperature and comfort tired muscles.

Image: A woman is shown relaxing with her feet in the HoMedics foot spa, demonstrating comfortable usage.

## USING ATTACHMENTS

The foot spa includes three interchangeable massage attachments for varied sensations.

1. Ensure the unit is turned off and unplugged before attaching or removing accessories.
2. Select your desired attachment.
3. Align the attachment with the central post on the foot spa and press down firmly to secure it.
4. Once attached, you can use the foot spa as described in the "Operating Instructions" section, allowing the attachment to provide additional massage as you move your feet over it.
5. To remove, gently pull the attachment upwards from the central post.

Image: Hands are shown carefully placing one of the massage attachments into the designated slot on the foot spa.

## MAINTENANCE AND CLEANING

---

Proper maintenance ensures the longevity and hygiene of your foot spa.

- **To Clean:** Unplug the unit and allow it to cool before cleaning. Empty the water. Wipe the unit with a soft, damp cloth. Do not use abrasive cleaners or harsh chemicals.
- **To Store:** After cleaning, store the unit in a dry location. Do not hang the unit by the power cord.
- The removable splash guard can be detached for easier cleaning.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Unit does not turn on.	Not plugged in, power outlet issue, or unit malfunction.	Ensure the unit is securely plugged into a working electrical outlet. Try a different outlet. If the problem persists, contact customer support.
Bubbles are weak or absent.	Water level too low or air jets obstructed.	Ensure water level is at the recommended fill line. Check for any obstructions in the air jets at the bottom of the unit.
Water is not warm enough.	Heat maintenance feature is not a heater, or initial water was too cold.	The unit maintains the temperature of warm water; it does not heat cold water. Start with warm water for best results.
