2. WHAT'S IN THE BOX

- FALWEDI T12 True Wireless Bluetooth Earbuds (Left and Right)
- Portable Charging Case
- USB Charging Cable
- User Manual

3. PRODUCT OVERVIEW

The FALWEDI T12 earbuds feature an ergonomic in-ear design for comfortable wear. The compact charging case allows for multiple recharges on the go, extending your listening time.

Image 3.1: Physical dimensions of the earbuds and charging case for portability reference.

Key Features:

- Bluetooth 5.0 for stable connectivity.
- Waterproof design suitable for sports and daily use.
- Up to 30 hours of cyclic playtime with the charging case.
- Built-in microphone for hands-free calls.
- One-step pairing for quick connection.
- Single and binaural mode switching.

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB charging cable to the charging port on the case and a power source. The indicator light on the case will show charging status. Once fully charged, the indicator will change or turn off.

4.2 Pairing with Your Device

1. Ensure the earbuds are in the charging case and the case is open.
2. Activate Bluetooth on your smartphone or other device.
3. Search for available Bluetooth devices and select "T19" (or similar model name) from the list.
4. Once connected, the earbuds will indicate successful pairing (e.g., a voice prompt or LED change).

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on and connect to the last paired device. Alternatively, long-press the touch control area on both earbuds.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically disconnect and power off. Alternatively, long-press the touch control area on both earbuds until they power off.

5.2 Music Control

The earbuds feature touch-sensitive controls for music playback:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.
- **Volume Control:** (Specific gesture not detailed in provided images, typically long-press or triple tap. Refer to quick start guide for exact model-specific gestures if available.)

5.3 Call Control

Manage your calls with simple touch gestures:

- **Answer Call:** Single tap on either earbud.
- **End Call:** Single tap on either earbud during a call.
- **Reject Call:** Long-press on either earbud.

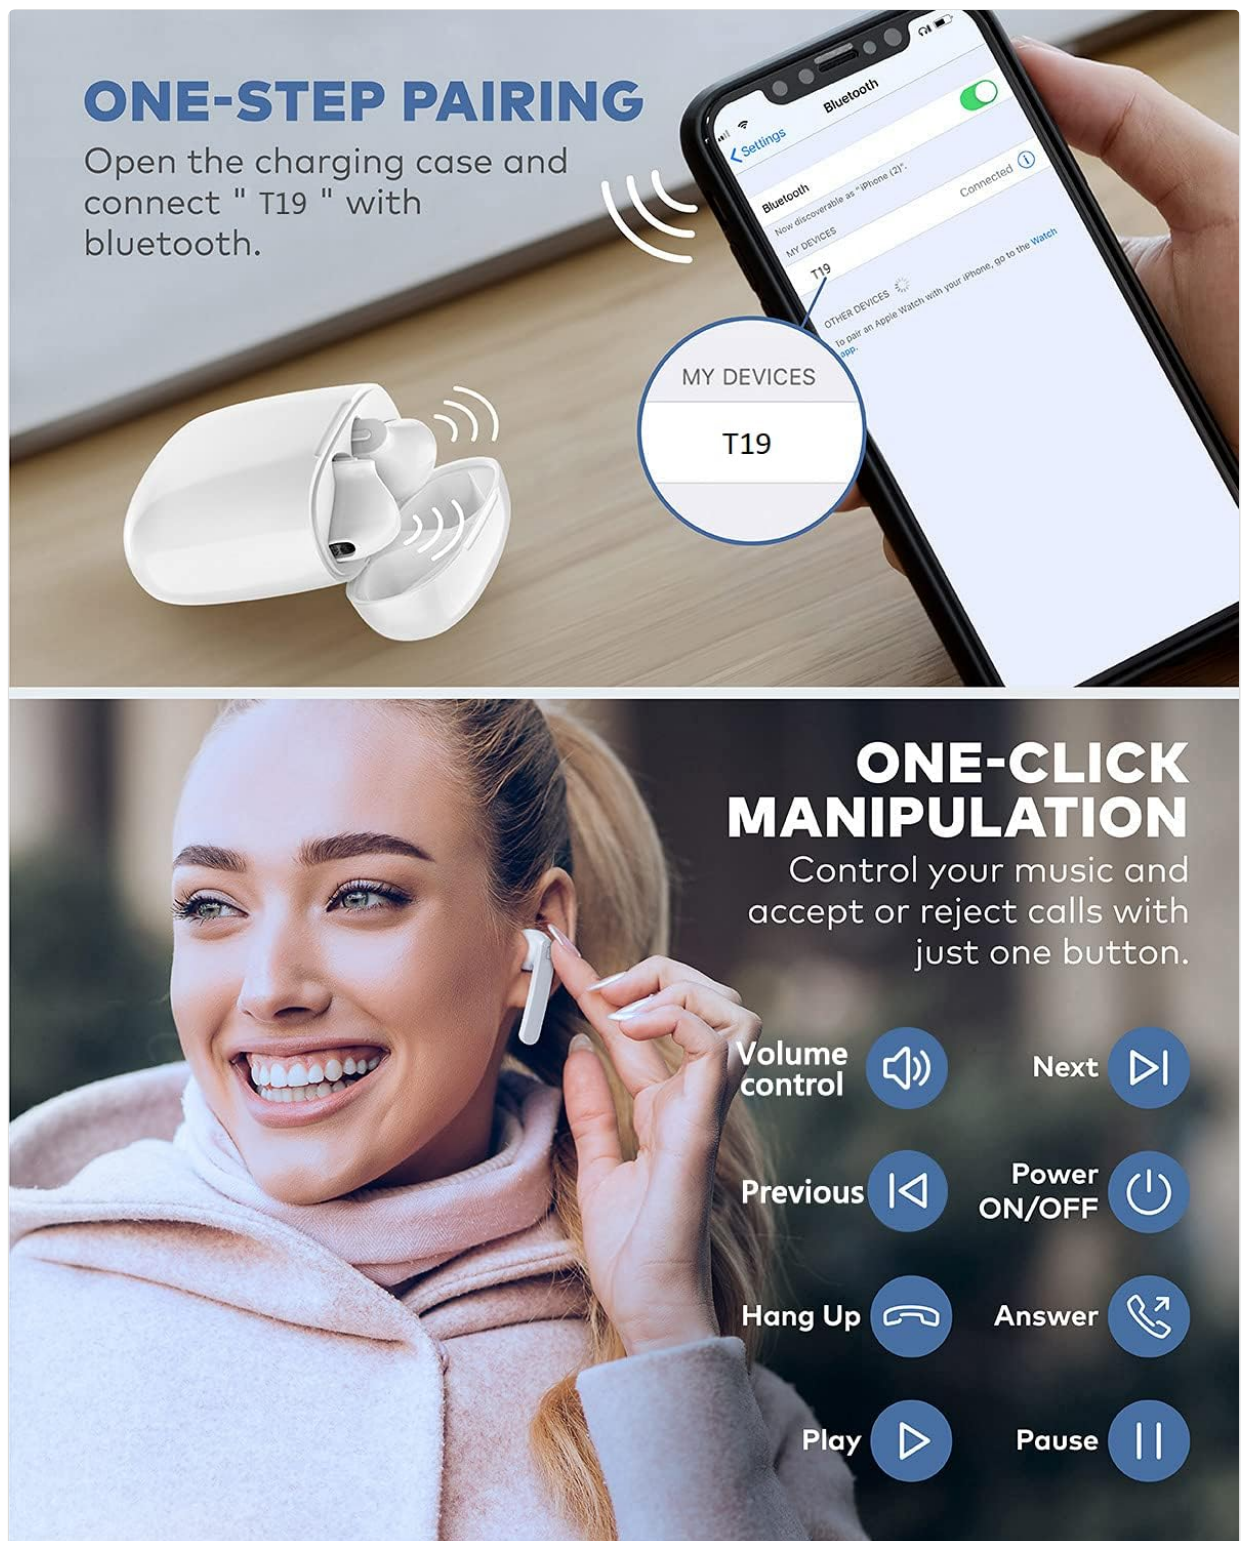

Image 5.1: Overview of touch controls for managing music and phone calls.

5.4 Single and Binaural Mode Switching

The earbuds support both single (mono) and binaural (stereo) modes:

- **Single Ear Mode:** Use either the left or right earbud independently.
- **Switch to Binaural Mode:** If using one earbud, simply take out the other earbud from the charging case. They will automatically connect and switch to binaural mode.
- **Switch to Single Ear Mode from Binaural:** Place one earbud back into the charging case, and the other earbud will continue to work in single ear mode.

EASILY CHANGE BETWEEN SINGLE & BINAURAL MODE

Under Single Ear Mode

Single
ear mode

L or R

Whichever earphone you use, take out another earphone, they will automatically connect and convert to binaural mode.

In Binaural Mode

Binaural
Mode

L and R

Put any earphone back into the charging box and the other earphone continues to work.

Image 5.2: Explanation of how to switch between single and binaural listening modes.

6. MAINTENANCE

6.1 Cleaning

Regularly clean your earbuds and charging case to ensure optimal performance and hygiene. Use a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials. For earbud grilles, use a dry cotton swab to gently remove any debris.

6.2 Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store the case in a cool, dry place away from extreme temperatures.

7. TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device in Bluetooth settings and re-pair.
Only one earbud working	Ensure both earbuds are out of the case and charged. Try resetting the earbuds (refer to manufacturer's specific reset instructions if available).
Low volume or poor sound quality	Adjust volume on your device. Clean earbud grilles. Ensure earbuds are properly seated in your ears.
Charging issues	Check charging cable and power source. Ensure charging contacts on earbuds and case are clean.
