Graco Modes Pramette Travel System Instruction Manual

Brand: Graco | **Model:** Modes Pramette Travel System (2215510)

INTRODUCTION

The Graco Modes Pramette Travel System is designed to adapt to your child's growth, offering versatile strolling options from infancy through toddlerhood. This 3-in-1 system functions as an Infant Car Seat Carrier, an Infant Pramette, and a Toddler Stroller. It includes the Graco SnugRide 35 Lite DLX Infant Car Seat, providing a complete solution for your child's travel needs.

Key features include a reversible stroller seat, a toddler seat that converts into an infant pramette, a one-hand fold mechanism for easy storage, and convenient accessories like a removable child's tray with cup holders, a parent cup and phone holder, and a large canopy with a peekaboo window.

SAFETY INFORMATION

Always prioritize your child's safety. Read and understand all instructions before assembly and use. Ensure all components are securely fastened and properly adjusted for your child's age and size. Never leave your child unattended in the stroller or car seat. Always use the harness system correctly. This product meets JPMA safety specifications.

Important: The Graco SnugRide 35 Lite DLX Infant Car Seat is designed for infants from 4-35 lb and up to 32 inches, rear-facing only.

WHAT'S INCLUDED

Your Graco Modes Pramette Travel System package includes:

- Graco Modes Pramette Stroller Frame
- Toddler Seat / Infant Pramette (convertible)
- Graco SnugRide 35 Lite DLX Infant Car Seat
- Infant Car Seat Base
- Removable Child's Tray with Cup Holders
- Parent Cup Holder
- Parent Phone Holder
- Large Canopy with Peekaboo Window

SETUP

Stroller Assembly

Follow the detailed instructions provided in the separate assembly guide for initial stroller frame setup. Ensure all wheels are securely attached and the frame locks into place.

Attaching the Toddler Seat / Infant Pramette

Align the connectors on the toddler seat/pramette with the attachment points on the stroller frame. Press down firmly until you hear a click, indicating it is securely locked. Verify by gently pulling upwards on the seat.

Attaching the Infant Car Seat

The Graco SnugRide 35 Lite DLX Infant Car Seat can be directly attached to the stroller frame. Align the car seat with the attachment points on the stroller frame and press down until it clicks securely into place. Ensure the car seat is facing the desired direction (parent-facing or forward-facing).

OPERATING INSTRUCTIONS

Stroller Modes

The Graco Modes Pramette offers three versatile modes:

- **Infant Car Seat Carrier:** Attach the Graco SnugRide 35 Lite DLX Infant Car Seat directly to the stroller frame.
- **Infant Pramette:** The toddler seat converts into a comfortable pramette for newborns.
- **Toddler Stroller:** Use the toddler seat in an upright position for older children.

Converting to Infant Pramette

To convert the toddler seat to an infant pramette, recline the seat fully and adjust the footrest to create a flat, enclosed space suitable for infants. Ensure all straps are tucked away or secured.

From Stroller to Pramette

Reclining seat converts into a comfortable infant pramette.

Reversible Seat

The stroller seat can be easily reversed to face either the parent or the world. To reverse, press the release buttons on both sides of the seat, lift the seat, rotate it 180 degrees, and reattach until it clicks securely.

Reversible Stroller Seat

Reversible stroller seat can face you or the world for just the right ride as baby grows.

Image: A parent pushing the stroller with the reversible seat facing forward, allowing the child to observe their surroundings.

One-Hand Fold

To fold the stroller, locate the one-hand fold mechanism (usually a strap or button on the handle). Activate the mechanism and push the stroller forward until it collapses into a compact, self-standing position. This allows for easy storage and transportation.

Image: The stroller is shown in its compact, folded state, demonstrating the convenience of its one-hand fold mechanism for storage.

Harness Adjustment

The stroller features a 3-point harness with adjustable straps to ensure your child is secure. Adjust the shoulder straps to the appropriate height for your child's shoulders and ensure the lap belt is snug. Always buckle your child into the harness when using the stroller.

Accessories

Utilize the removable child's tray with cup holders for snacks and drinks. The parent cup and phone holder provide convenient access to your essentials. The extra-large storage basket below the seat is ideal for carrying diaper bags, groceries, and other items.

Room for Everything

Extra-large storage basket, child's tray with cup holder, parent cup holder, and phone holder offer convenience for all.

MAINTENANCE

Cleaning Instructions

To keep your travel system clean, follow these guidelines:

- **Seat Pad:** Machine wash in cold water on a delicate cycle. Do not bleach. Tumble dry low.
- **Frame:** Spot or wipe clean with a damp cloth and mild soap.
- **Harness Straps:** Spot clean with a damp cloth and mild soap.
- **Wheels:** Periodically clean wheels and axles with a damp cloth. Lubricate with a light oil if necessary.

TROUBLESHOOTING

If you encounter any issues with your Graco Modes Pramette Travel System, please refer to the following general advice:

- **Difficulty Folding/Unfolding:** Ensure all components are properly aligned and not obstructed. Check for any debris in the folding mechanism.
- **Wheels Not Rolling Smoothly:** Clean any dirt or debris from the wheel axles. Apply a small amount of lubricant if needed.
- **Seat Not Attaching Securely:** Verify that the seat is correctly aligned with the frame's attachment points and that the release buttons are fully disengaged before attempting to secure.
- **Harness Issues:** Check that straps are not twisted and buckles are free of debris.

For persistent issues, please contact Graco customer support.
