LESHP EPNT21B-USOTOT

Otium Wireless Earbuds User Manual

Model: EPNT21B-USOTOT
Brand: LESHP

Introduction

Thank you for choosing Otium Wireless Earbuds. This user manual provides detailed instructions on how to set up, operate, and maintain your earbuds to ensure optimal performance and longevity. Please read this manual carefully before using the product and retain it for future reference.

Package Contents

Please check the package contents upon unboxing to ensure all items are present:

- Otium Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- Eartips (S/M/L sizes)
- User Manual

Product Overview

Familiarize yourself with the components of your Otium Wireless Earbuds.

Image: The Otium Wireless Earbuds resting in their open charging case. The earbuds feature a touch-sensitive area, indicated by a fingerprint graphic, and the case has LED indicators for battery status.

Image: A close-up view highlighting the earbuds' Bluetooth 5.0 technology and "Master Slave Switching" capability, which allows seamless use of either earbud independently.

Setup

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated; magnetic contacts will hold them in place.
2. Connect the USB charging cable to the charging port on the case and the other end to a USB power adapter (not included) or a computer's USB port.
3. The LED indicators on the charging case will show the charging status. Once fully charged, the indicators will change or turn off.

A full charge provides approximately 3-5 hours of playtime for the earbuds, with the charging case offering multiple additional charges for a total playtime of up to 40 hours.

Image: An internal view of the charging case and an earbud, illustrating the 30mAh battery capacity of each earbud and the 500mAh battery capacity of the charging case, contributing to a total playtime of up to 40 hours.

2. Pairing with Your Device

The earbuds automatically enter pairing mode when removed from the charging case.

1. Open the charging case and remove both earbuds. They will automatically power on and connect to each other.
2. Enable Bluetooth on your device (smartphone, tablet, computer).
3. Search for "Otium T21" or similar in your device's Bluetooth settings and select it to connect.
4. Once connected, you will hear a confirmation tone, and the earbud indicator lights will turn off.

The earbuds will automatically reconnect to the last paired device when removed from the case, if Bluetooth is enabled on the device.

Operating Instructions

The Otium Wireless Earbuds feature intuitive touch controls for various functions.

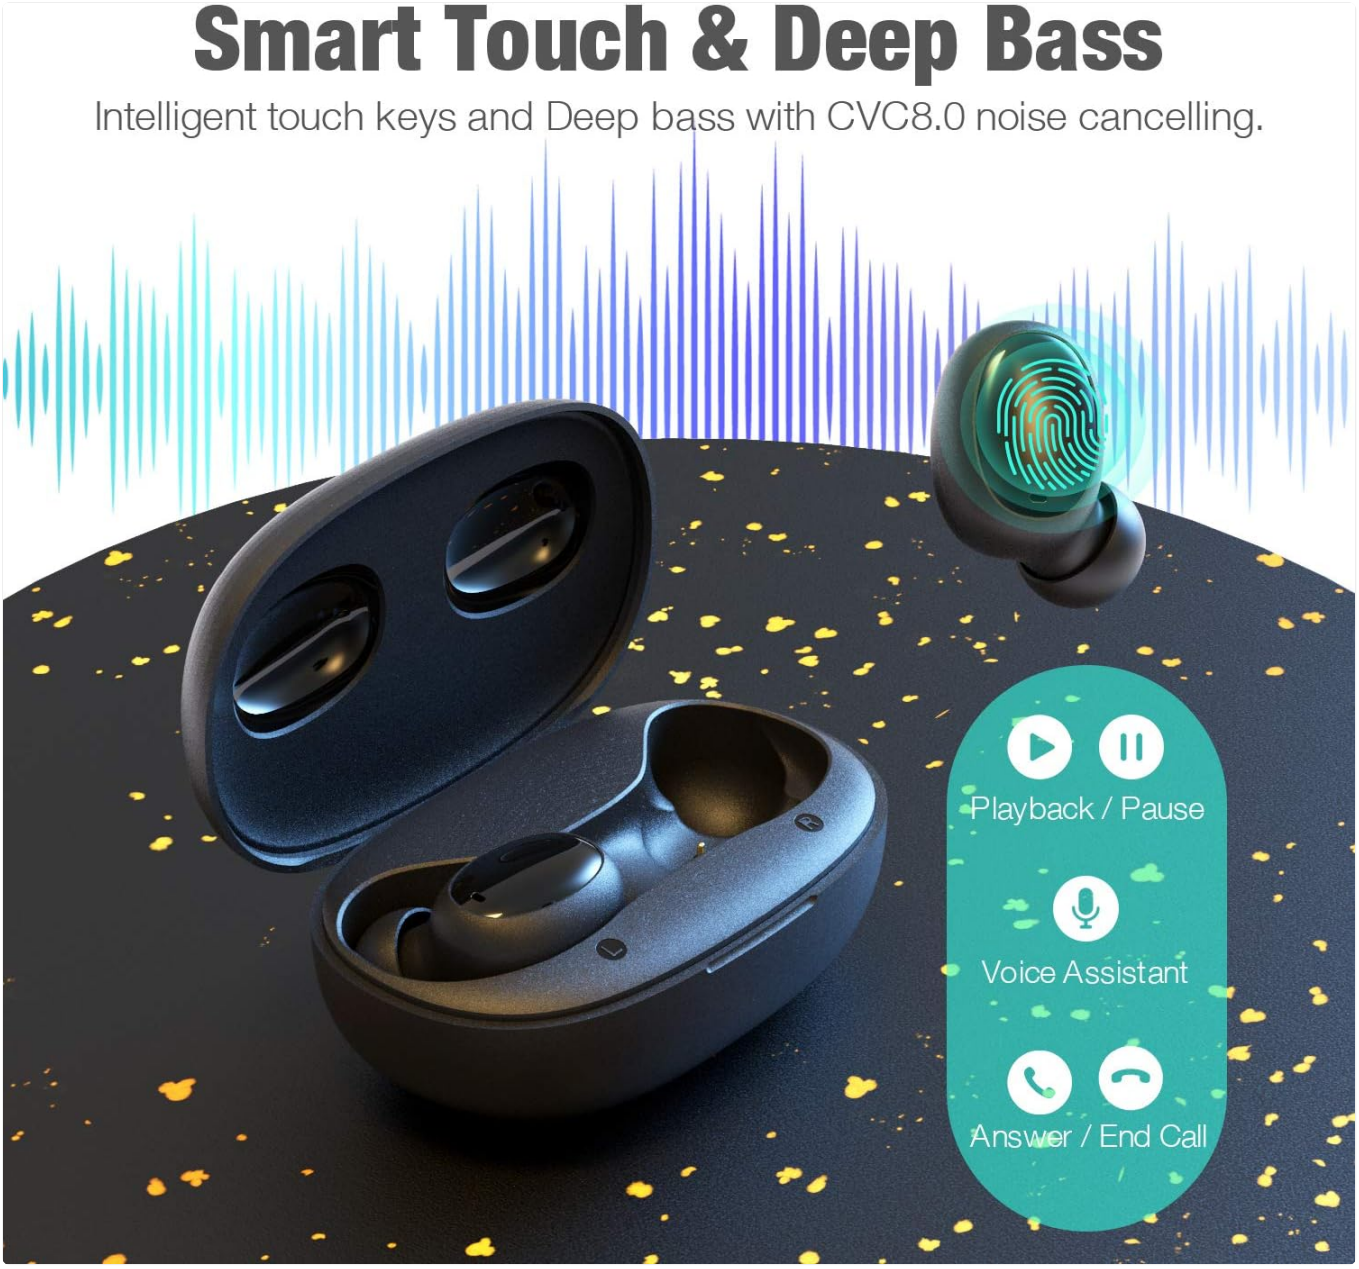

Image: An illustration detailing the touch control functions of the earbuds, including playback/pause, activating voice assistant, and answering/ending calls.

Touch Control Functions

Function	Action
Power On	Remove from charging case
Power Off	Place into charging case
Play/Pause Music	Single tap on either earbud
Next Track	Double tap on the Right earbud
Previous Track	Double tap on the Left earbud
Answer/End Call	Single tap on either earbud
Reject Call	Press and hold either earbud for 2 seconds
Activate Voice Assistant	Triple tap on either earbud

Note: Volume control is typically managed via your connected device.

Maintenance and Care

Proper care will extend the life of your earbuds.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are IPX7 waterproof, meaning they can withstand submersion in up to 1 meter of water for 30 minutes. However, they are not designed for swimming or prolonged water exposure. Ensure earbuds are dry before placing them back in the charging case to prevent damage.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Battery:** To preserve battery life, charge the earbuds and case regularly, even if not used frequently. Avoid fully discharging the battery for extended periods.

Image: The earbuds shown with water droplets, emphasizing their IPX7 waterproof rating, suitable for use during sports or in light rain.

Troubleshooting

If you encounter issues with your earbuds, refer to the following common solutions:

Common Troubleshooting Steps

Problem	Possible Solution
Earbuds not pairing with device	◦ Ensure earbuds are fully charged. ◦ Make sure Bluetooth is enabled on your device. ◦ Forget "Otium T21" from your device's Bluetooth list and try pairing again. ◦ Place earbuds back in the case, close the lid, wait a few seconds, then remove them to re-enter pairing mode.

Problem	Possible Solution
Only one earbud playing sound	◦ Place both earbuds back into the charging case, close the lid, and then remove them simultaneously. This should force them to re-sync. ◦ Check if the earbud is charged.
Earbuds not charging	◦ Ensure the charging cable is securely connected to both the case and the power source. ◦ Check if the charging case itself has power. ◦ Clean the charging contacts on both the earbuds and the case with a dry cotton swab.
Poor sound quality or disconnections	◦ Ensure the earbuds are within the Bluetooth range of your device (typically 10 meters/33 feet). ◦ Reduce interference by moving away from other wireless devices. ◦ Try different eartip sizes to ensure a secure and proper seal in your ear.

Specifications

Technical Specifications

Feature	Detail
Model Name	T21
Model Number	EPNT21B-USOTOT
