LITFAD LT478949C

LITFAD Starry Sky Pendant Light (Model LT478949C) Instruction Manual

1. INTRODUCTION

Thank you for purchasing the LITFAD Starry Sky Pendant Light. This manual provides essential information for the safe installation, operation, and maintenance of your new lighting fixture. Please read these instructions carefully before installation and retain them for future reference.

This pendant light features an industrial style with a weathered iron mushroom-shaped shade, designed to create a unique starry sky effect when illuminated. It is suitable for various indoor settings such as dining rooms, bedrooms, living rooms, restaurants, and bars.

2. SAFETY INFORMATION

WARNING: Electrical installation should always be performed by a licensed electrician to ensure safety and compliance with local electrical codes.

- For a safe and secure installation, ensure that the electrical box to which this fixture will be mounted is properly attached to a structural member of the building.
- All wires must be connected correctly. When unpacking, be careful not to pull with wires as a bad connection may result.
- Do not connect electricity until your fixture is fully assembled.
- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug the fixture and allow it to cool prior to replacing the light bulb.
- Do not touch the bulb when the fixture is turned on or look directly at a lit bulb. Keep flammable materials away from a lit bulb.
- Ensure the power supply is disconnected at the main circuit breaker before any installation, maintenance, or bulb replacement.

3. PACKAGE CONTENTS

Please verify that all components are present and undamaged before proceeding with installation.

- Pendant Light Shade (1)
- Adjustable Chain/Cord with Canopy (1)
- Mounting Hardware (screws, wire nuts, bracket)
- Instruction Manual (1)

*Note: Light bulb is **NOT** included and must be purchased separately.*

4. SPECIFICATIONS

Feature	Specification
Model Number	LT478949C
Fixture Height	7.09 inches (18 cm)
Fixture Width	9.84 inches (25 cm)
Chain/Cord Length	39.37 inches (100 cm)
Chain/Cord	Adjustable
Material	Metal
Color	Rust / Black (Weathered Iron Finish)
Bulb Type	LED/Incandescent/Fluorescent
Bulb Base	E26/E27
Number of Lights	1 Light
Voltage	AC110-120V
Power Source	Corded Electric
Mounting Type	Pendant Light (Ceiling Mount)
Item Weight	3.3 pounds

For detailed dimensions, refer to the diagram below:

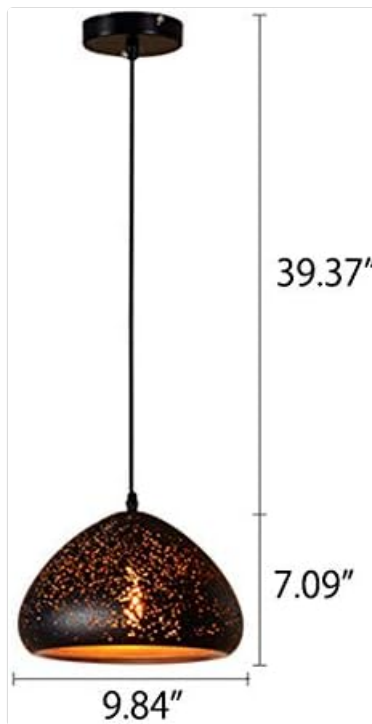

Figure 1: Dimensions diagram for LITFAD Starry Sky Pendant Light. This diagram illustrates the fixture's width of 9.84 inches, height of 7.09 inches, and an adjustable chain/cord length of 39.37 inches.

5. SETUP AND INSTALLATION

Installation should be performed by a qualified electrician. Ensure power is OFF at the circuit breaker before beginning.

1. **Prepare the Mounting Location:** Ensure the electrical box is securely mounted to a structural ceiling joist.
2. **Attach Mounting Bracket:** Secure the provided mounting bracket to the electrical box using the screws.
3. **Adjust Chain/Cord Length:** Determine the desired hanging height for your pendant light. The chain/cord is adjustable up to 39.37 inches. Adjust the length by shortening the cord as needed, ensuring enough slack for electrical connections.
4. **Make Electrical Connections:** Connect the fixture's wires to the corresponding household wires (live to live, neutral to neutral, ground to ground) using wire nuts. Ensure all connections are secure.
5. **Secure Canopy to Ceiling:** Carefully push the canopy up to the ceiling, aligning the holes with the mounting bracket. Secure it with the provided screws.
6. **Install Light Bulb:** Screw an E26/E27 base bulb (not included) into the socket within the shade. Do not overtighten.
7. **Restore Power:** Turn the power back ON at the main circuit breaker.

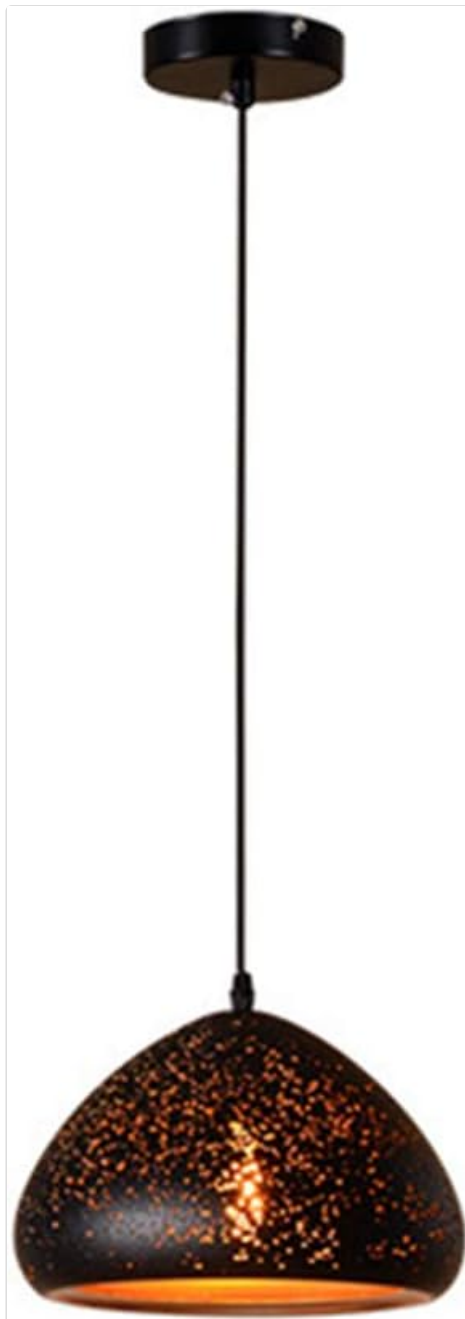

Figure 2: Front view of the LITFAD Starry Sky Pendant Light. This image shows the dark, mushroom-shaped shade with its unique starry pattern, hanging from the adjustable cord and ceiling canopy.

Figure 3: Interior view of the pendant light shade. This image highlights the E26/E27 bulb socket inside the weathered iron shade, ready for

bulb installation.

6. OPERATING INSTRUCTIONS

The LITFAD Starry Sky Pendant Light operates via a standard wall switch connected to your home's electrical circuit. There are no integrated controls on the fixture itself.

- **Turning On/Off:** Use the wall switch connected to the fixture to turn the light on or off.
- **Bulb Replacement:** Before replacing the bulb, ensure the power is turned off at the wall switch and the main circuit breaker. Allow the bulb to cool completely. Unscrew the old bulb and screw in a new E26/E27 base bulb of the appropriate wattage (refer to bulb manufacturer's recommendations for maximum wattage).

Figure 4: Close-up of the pendant light shade, unlit and lit. This image demonstrates the visual transformation of the shade from a dark, perforated surface to a glowing, starry pattern when the light is active.

7. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your pendant light.

- **Cleaning:** Ensure the power is off before cleaning. Wipe the fixture with a soft, dry cloth. Do not use abrasive cleaners, solvents, or polishes as they may damage the finish.

- **Bulb Replacement:** Replace bulbs as needed following the instructions in the Operating Instructions section.
- **Inspection:** Periodically inspect the wiring and connections for any signs of wear or damage. If any issues are found, consult a licensed electrician.

8. TROUBLESHOOTING

If your pendant light is not functioning correctly, refer to the following common issues and solutions:

Problem	Possible Cause	Solution
Light does not turn on	No power to the fixture Loose wire connection Faulty bulb	Check circuit breaker and wall switch. Ensure all wire connections are secure (consult electrician). Replace bulb with a new one.
Light flickers	Loose bulb Loose wire connection Incompatible dimmer switch (if applicable)	Tighten bulb. Check wire connections (consult electrician). Ensure dimmer switch is compatible with bulb type.
Buzzing sound	Loose bulb Incompatible dimmer switch Faulty wiring	Tighten bulb. Ensure dimmer switch is compatible. Consult a licensed electrician.

If these steps do not resolve the issue, please contact customer support or a licensed electrician.

9. WARRANTY AND SUPPORT

This LITFAD pendant light comes with a **2-year warranty** from the date of purchase, covering manufacturing defects. Please retain your proof of purchase for warranty claims.

For technical support, warranty inquiries, or replacement parts, please contact LITFAD customer service through the retailer where the product was purchased or visit the official LITFAD store online.
