

Tronsmart Tronsmart T6MINI

Tronsmart T6 Mini Bluetooth Speaker User Manual

Model: Tronsmart T6MINI

1. INTRODUCTION

Thank you for choosing the Tronsmart T6 Mini Bluetooth Speaker. This ultra-portable speaker delivers powerful, true 360-degree room-filling sound with deep bass, sparkling highs, and a lush mid-range, distortion-free even at high volumes. Its compact design and strap make it ideal for on-the-go use.

What's in the Box:

- 1 x Element T6 Mini wireless speaker
- 1 x USB charging cable

- 1 x 3.5mm audio cable
- 1 x Detachable strap
- 1 x User manual

Image: All items included in the Tronsmart T6 Mini speaker package: the speaker, charging cable, audio cable, detachable strap, and user manual.

2. SAFETY INFORMATION

- Do not expose the speaker to extreme temperatures or direct sunlight for prolonged periods.
- Keep the speaker away from water and liquids, despite its IPX6 rating, to prevent damage to internal components.

- Do not disassemble, repair, or modify the speaker. This will void the warranty and may cause harm.
- Use only the provided or certified charging cables.
- Avoid dropping or subjecting the speaker to strong impacts.
- Clean the speaker with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.

3. SETUP

Charging the Speaker:

The Tronsmart T6 Mini has a built-in 2500mAh rechargeable battery, providing up to 24 hours of playtime at medium volume. A full charge takes approximately 3 hours.

1. Connect the provided USB charging cable to the USB-C charging port on the speaker.
2. Connect the other end of the USB cable to a compatible USB power adapter (not included) or a computer's USB port.
3. The LED indicator will show charging status (refer to the user manual for specific LED behavior).

Wireless Stereo

Pair two T6 Mini wirelessly
for true stereo sound.

Image: A visual representation of the Tronsmart T6 Mini's 24-hour playtime capability.

Power On/Off:

- To power on, press and hold the power button until you hear an audible prompt.
- To power off, press and hold the power button again until the speaker shuts down.

4. OPERATING INSTRUCTIONS

Bluetooth Pairing:

The Tronsmart T6 Mini uses Bluetooth 5.0 for a stable and robust connection up to 100 feet.

1. Ensure the speaker is powered on and in pairing mode (LED indicator should blink blue).
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for "Tronsmart Element T6 Mini".
3. Select the speaker from the list to connect. Once connected, the LED indicator will turn solid blue.

True Wireless Stereo (TWS) Pairing:

Pair two T6 Mini speakers wirelessly for true 30W stereo sound.

1. Ensure both T6 Mini speakers are powered on and not connected to any device.
2. On one speaker, press the TWS button (usually indicated by two interlocking circles or similar icon). The speaker will enter TWS pairing mode.
3. The two speakers will automatically connect to each other. Once paired, one speaker will act as the master (left channel) and the other as the slave (right channel).
4. Connect your device to the master speaker via Bluetooth as described above.

Voice Assistant

Access Siri or Google for help from the speaker via a button tap.

Hey, Siri, call mum.

Ok, Google, play my daily mix on Spotify.

Hi, Cortana, what's the weather today?

* Hold  for 5 seconds to activate your personal assistant.

Media Playback and Volume Control:

- **Play/Pause:** Press the Play/Pause button.
- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.
- **Next Track:** Press and hold the '+' button.
- **Previous Track:** Press and hold the '-' button.

Additional Connectivity:

The T6 Mini supports TF/Micro SD card playback and AUX input.

- **TF/Micro SD Card:** Insert a TF/Micro SD card with music files into the designated slot. The speaker will

automatically switch to card playback.

- **AUX Input:** Connect an audio device using the 3.5mm audio cable to the AUX port. The speaker will automatically switch to AUX mode.

5. MAINTENANCE

- Store the speaker in a cool, dry place when not in use.
- Avoid exposing the speaker to extreme temperatures or humidity.
- Clean the speaker's surface with a soft, lint-free cloth. Do not use abrasive cleaners or solvents.
- Ensure the charging port cover is securely closed when not charging to maintain IPX6 water resistance.

Grab and Go

Ultra-portable enough to be taken anywhere anytime.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Speaker does not power on.	Low battery.	Charge the speaker for at least 3 hours.
Cannot pair with Bluetooth device.	Speaker not in pairing mode; device Bluetooth off; too far from speaker.	Ensure speaker LED blinks blue. Turn device Bluetooth on/off. Move device closer to speaker.
No sound.	Volume too low; device not connected; incorrect input mode.	Increase volume on speaker and device. Re-pair Bluetooth. Check if AUX or TF card is inserted.
TWS pairing failed.	Speakers too far apart; already connected to another device.	Ensure speakers are close. Disconnect speakers from other devices before TWS pairing.
