4. Setup and Assembly

Follow these steps to set up your Mia's Vaulting Horse Set:

1. **Assemble the Paddock:** Connect the four paddock fence sections to create an enclosure for the horse. The sections interlock for stability.
2. **Prepare the Horse:**
    - Place the vaulting saddle onto the horse's back.
    - Attach the bridle to the horse's head. The two martingale pieces connect to the bridle.
    - Secure the vaulting lunge to the bridle.
    - Optionally, place the blanket on the blanket rack or directly on the horse.
3. **Position Figurines:** Place the girl figurine (Mia) on the horse for vaulting poses, or position the man figurine (trainer) next to the horse, holding the vaulting lunge. The cat figurine can be placed in the basket or elsewhere in the scene.
4. **Arrange Accessories:** Place the trophy and basket in desired locations within the playset area.

5. Operating and Play

The Mia's Vaulting Horse Set is designed for imaginative play. Here are some suggestions for interaction:

- **Vaulting Practice:** Use the trainer figurine to hold the vaulting lunge while the girl figurine (Mia) practices various vaulting positions on the horse.
- **Paddock Play:** Utilize the paddock fence sections to create an enclosed training area for the horse and figurines.
- **Storytelling:** Integrate the cat, trophy, and basket into imaginative scenarios, such as a vaulting competition or daily training routine.
- **Figurine Posing:** The figurines are designed to be posed in different ways to enhance play.

6. Care and Maintenance

To ensure the longevity of your Schleich Horse Club Mia's Vaulting Horse Set:

- **Cleaning:** Wipe figurines and accessories with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the playset in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Handling:** Handle all pieces with care to avoid breakage, especially smaller components like the whip and lunge.

7. Troubleshooting

This playset is designed for durability and simple operation. Should you encounter any issues:

- **Missing Parts:** Refer to the "Package Contents" section to verify all pieces. If a part is missing upon initial unboxing, contact Schleich customer support.
- **Assembly Difficulty:** Ensure all connectors are aligned correctly. Do not force pieces together.
- **Damage:** If any piece is damaged, discontinue use to prevent potential hazards, especially if small parts have broken off.
