Minions GMF04

Minions Loud N’ Rowdy Stuart Talking Action Figure

Brand: Minions | Model: GMF04

Introduction

The Minions Loud N’ Rowdy Stuart Talking Action Figure brings the mischievous fun of the Minions to life. This figure features over 10 expressions, iconic accessories, and performs memorable moments from the movie. When activated, Stuart laughs, yells, and can launch projectiles from his Fart Cannon. This manual will guide you through setting up and operating your Stuart figure for maximum enjoyment.

Setup

Battery Installation

Your Minions Stuart figure requires 3 LR44 batteries, which are included. To install or replace batteries:

1. Locate the battery compartment on the back or bottom of the figure.
2. Using a small Phillips head screwdriver (not included), unscrew the battery compartment cover.
3. Insert the 3 LR44 batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Replace the cover and secure it with the screw.

Operating Instructions

Activating Sounds and Action

Stuart comes to life with over 10 unique expressions, laughs, and yells. His eyes also follow the action for realistic play.

- To activate Stuart's sounds and actions, engage the figure's specific action mechanism. This typically involves pressing a button or moving a limb, as demonstrated in the product video.
- Stuart's eyes will move dynamically as he speaks or performs an action.

Using the Fart Cannon

Stuart's signature Fart Cannon can launch either a fart bomb or a boot projectile.

1. Attach the Fart Cannon to Stuart's hand.

2. Select either the fart bomb or the boot projectile.
3. Insert the chosen projectile into the front opening of the Fart Cannon.
4. Press the activation button or lever on the Fart Cannon to launch the projectile.

Product Demonstration Video

Video: An official demonstration of the Minions Loud N' Rowdy figures, showcasing Stuart's Fart Cannon action, along with other characters like Dave, Otto, and Bob, highlighting their unique interactive features.

Maintenance

- To clean the figure, wipe with a damp cloth. Do not immerse in water.
- Avoid exposing the toy to extreme temperatures or direct sunlight for prolonged periods.
- Store the figure and its accessories in a clean, dry place when not in use.

Troubleshooting

Problem	Solution
No sound or action	Check battery installation and ensure batteries are fresh. Replace if necessary.

Problem	Solution
Projectiles not launching	Ensure the projectile is fully inserted into the Fart Cannon and the activation mechanism is pressed firmly.
Eyes not moving	This feature is linked to the sound and action activation. Ensure batteries are fresh and the figure is activated correctly.
