Topeakmart 57-inch Cat Tree Tower Instruction Manual

Model: TP-00094720

INTRODUCTION

Thank you for purchasing the Topeakmart 57-inch Cat Tree Tower. This multi-level cat tree is designed to provide a stimulating and comfortable environment for your feline companions, offering spaces for play, rest, and scratching. Constructed with durable materials and soft plush fabric, it aims to enhance your cat's well-being while protecting your furniture.

Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

SAFETY INFORMATION

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children and pets away during the assembly process.
- **Inspect Regularly:** Periodically check all screws and connections to ensure they remain tight and secure. Loose parts can pose a hazard.
- **Stable Placement:** Place the cat tree on a flat, stable surface. Utilize the included anti-toppling strap to secure the tower to a wall, especially if you have active or multiple cats, to prevent accidental tipping.
- **Indoor Use Only:** This cat tree is designed for indoor use. Exposure to outdoor elements can damage the materials and compromise stability.
- **Weight Limit:** Ensure the cat tree is suitable for the size and weight of your cats. Overloading platforms can lead to instability.
- **Keep Dry:** As per care instructions, keep the cat tree in a dry place to maintain material integrity.

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Topeakmart Cat Tree Tower. It is recommended to lay out all parts before starting.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Refer to the parts list and the exploded diagram to identify each piece.
2. **Attach Base Posts:** Begin by attaching the shortest posts to the baseboard using the provided screws and Allen wrench. Ensure they are securely tightened.
3. **Build Upwards:** Continue assembling the structure layer by layer, connecting posts to platforms and condos as indicated in the diagram. Pay attention to the orientation of each piece.
4. **Install Condos and Basket:** Secure the two plush condos and the cat basket to their designated platforms. Ensure all connections are firm.
5. **Attach Scratching Ramp:** Position and secure the scratching ramp between the base and the first platform.
6. **Secure Top Perches:** Attach the upper platforms and the top perches, including the cat-ear shaped perch, to the highest posts.
7. **Add Dangling Toys:** Hook the dangling plush balls to the designated points on the platforms.
8. **Install Anti-Toppling Strap:** For enhanced stability and safety, attach the anti-toppling strap to one of the upper posts and secure it to a wall using the provided wall anchor. This step is highly recommended, especially for active cats or multi-cat households.

OPERATING INSTRUCTIONS

The Topeakmart Cat Tree Tower offers various features for your cat's enjoyment:

- **Scratching Posts and Ramp:** Encourage your cat to use the sisal-wrapped posts and scratching ramp to satisfy their natural urge to scratch, helping to protect your furniture.
- **Condos and Basket:** The enclosed condos and the cozy basket provide secure and comfortable spaces for your cat to rest, sleep, or observe their surroundings.
- **Perches and Platforms:** Multiple elevated platforms and perches allow your cat to climb, jump, and survey their territory from a height, fulfilling their instinctual need for high vantage points.
- **Dangling Toys:** The attached dangling plush balls offer interactive play opportunities, stimulating your cat's hunting instincts.

To encourage your cat to use the tree, you can place treats or catnip on different levels, or gently place your cat on the tree to help them explore.

MAINTENANCE

- **Cleaning:** Use a vacuum cleaner to remove loose fur and debris from the plush surfaces. For spot cleaning, use a damp cloth with mild soap and water, then allow to air dry completely. Avoid harsh chemicals.
- **Inspection:** Regularly inspect the cat tree for any signs of wear, tear, or damage, especially on the scratching posts and dangling toys.
- **Tighten Connections:** Periodically check and tighten all screws and bolts to ensure the structure remains stable and safe for your pets.
- **Replace Worn Parts:** If any part becomes excessively worn or damaged, consider replacing it to maintain safety and functionality. Contact Topeakmart customer service for replacement parts.
- **Keep Dry:** Store and use the cat tree in a dry environment to prevent material degradation.

TROUBLESHOOTING

- **Wobbling:** If the cat tree feels unstable, ensure all screws are tightened. Verify that the base is on a flat surface. Utilize the anti-toppling strap to secure it to a wall.
- **Cats Not Using the Tree:** Try placing catnip on the scratching posts or inside the condos. Position the tree near a window or in a favorite spot where your cat enjoys resting or observing.
- **Dangling Toy Detached:** The dangling balls are designed to be replaceable. Reattach or replace if they become detached or damaged.
