WeatherTech W489-W490

WeatherTech All-Weather Floor Mats User Manual

Model: W489-W490

Brand: WeatherTech

1. INTRODUCTION

This manual provides essential information for the proper installation, use, and maintenance of your WeatherTech All-Weather Floor Mats. Designed to offer superior protection for your vehicle's interior, these mats are custom-fit and engineered for durability.

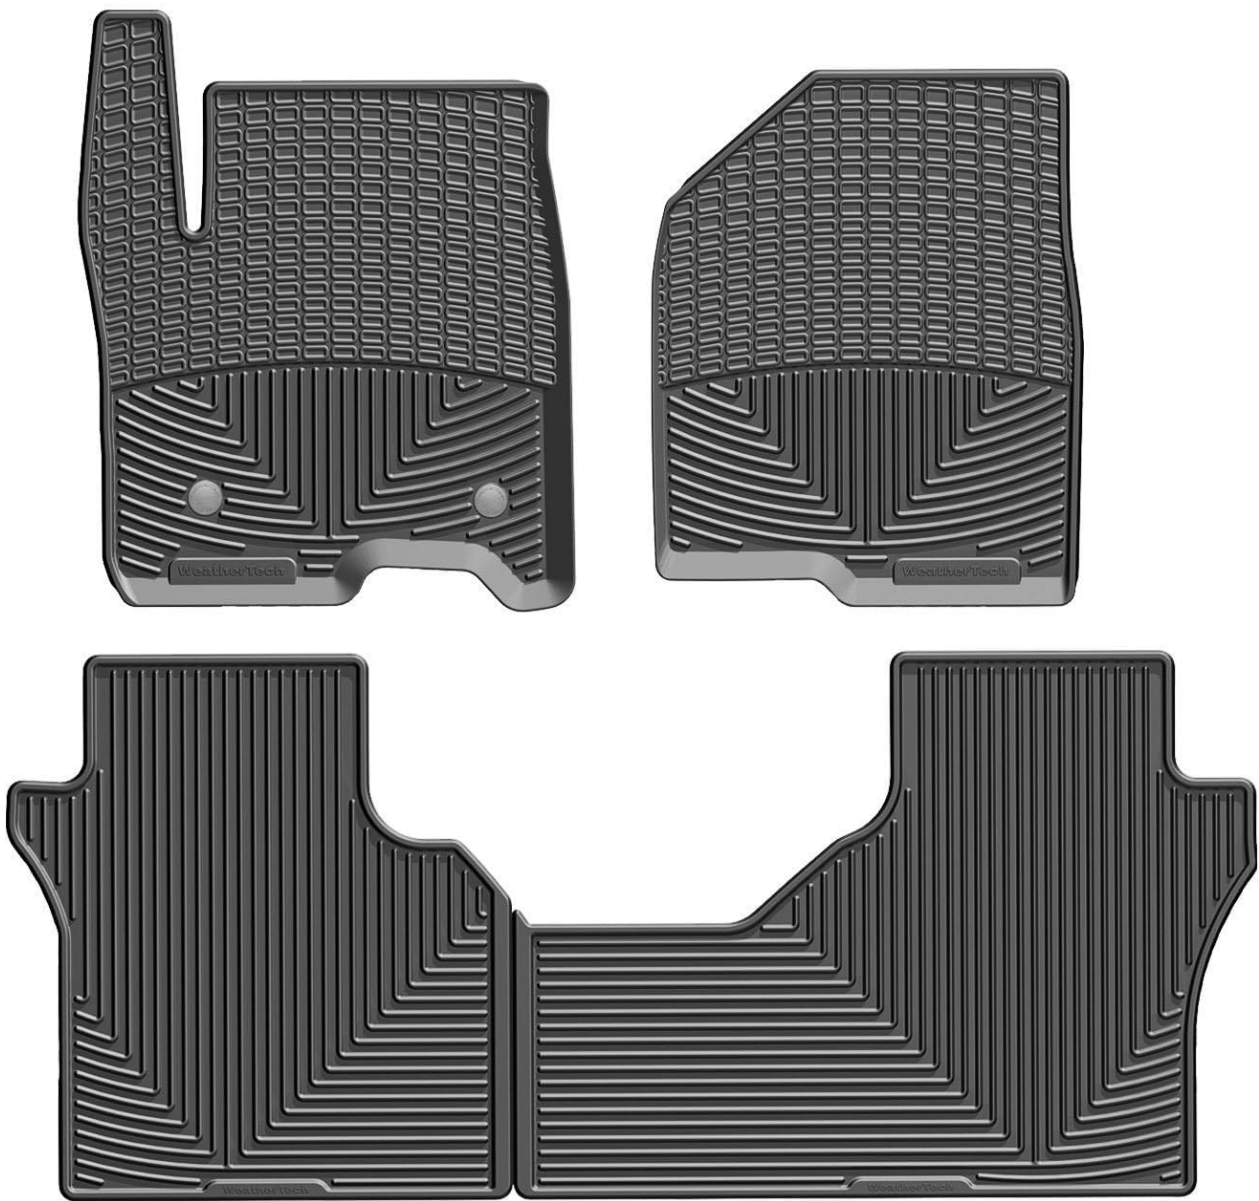

Image 1.1: Set of WeatherTech All-Weather Floor Mats for the first and second rows.

2. COMPATIBILITY

These WeatherTech All-Weather Floor Mats (Model W489-W490) are compatible with the following vehicles:

- 2019-2026 Chevrolet Silverado 1500
- 2022-2022 GMC Sierra 1500 Limited
- 2022-2022 Chevrolet Silverado 1500 LTD
- 2020-2025 GMC Sierra 2500HD / 3500HD
- 2019-2026 GMC Sierra 1500 Models

Please verify fitment for your specific year, make, and model prior to installation.

3. PRODUCT FEATURES

- **Material:** Advanced rubber-like Thermoplastic Elastomer (TPE) compound. This material is OEM approved, virtually odorless, latex-free, and contains no harmful PVCs, cadmium, or lead. It is 100% recyclable.
- **Design:** Deeply sculpted channels are engineered to trap water, road salt, mud, and sand, preventing them from reaching your vehicle's carpet.
- **Fit:** Custom-fit to the contours of your vehicle's floor for optimal coverage.
- **Anti-Skid:** Anti-skid nubs on the underside help prevent shifting and keep the mats securely in place.
- **Durability:** Designed for all-weather protection and long-lasting performance.
- **Origin:** Proudly made in the USA.

4. SETUP AND INSTALLATION

1. **Remove Old Mats:** Before installing your new WeatherTech All-Weather Floor Mats, remove any existing floor mats from your vehicle's floor.
2. **Clean Vehicle Floor:** Ensure the vehicle's carpeted floor is clean and dry before placement.
3. **Position Mats:** Carefully place the WeatherTech mats into the corresponding footwells (driver's side, passenger's side, and rear row).
4. **Secure Mats:** Press down firmly on the mats, especially around any factory retention hooks or posts, to engage the anti-skid nubs and secure them in place. Ensure the mats lie flat and do not interfere with pedal operation.

Important: Never place WeatherTech Floor Mats over existing floor mats, as this may interfere with pedal operation and create a safety hazard.

5. OPERATING (USAGE)

WeatherTech All-Weather Floor Mats are designed for continuous use in all seasons and conditions. Their deep channels effectively contain spills, dirt, and debris, keeping your vehicle's carpet clean and protected.

6. MAINTENANCE AND CLEANING

Cleaning your WeatherTech All-Weather Floor Mats is simple and helps maintain their appearance and protective qualities.

1. **Remove Mats:** Carefully remove the mats from your vehicle, taking care not to spill any contained debris.
2. **Shake Out Debris:** Shake out any loose dirt, sand, or debris.
3. **Wash:** Use a hose or pressure washer to rinse the mats. For stubborn dirt or stains, use a mild soap and a soft brush. WeatherTech also offers specialized cleaning products.
4. **Rinse Thoroughly:** Rinse all soap residue completely from the mats.
5. **Dry:** Allow the mats to air dry completely before placing them back in your vehicle. Do not use harsh chemicals or abrasive cleaners, as these may damage the material.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Mats do not fit correctly.	Incorrect model/year selected; existing mats not removed.	Verify vehicle compatibility. Ensure all original floor mats are removed before installation.
Mats are shifting or sliding.	Retention hooks not engaged; debris under mat.	Press firmly to engage anti-skid nibs and retention hooks. Clean any debris from under the mat.
Odor from mats.	New product odor (temporary); trapped moisture/debris.	Allow mats to air out in a well-ventilated area. Clean mats thoroughly and ensure they are dry before re-installing. WeatherTech mats are virtually odorless.

8. SPECIFICATIONS

- **Model Number:** W489-W490
- **Coverage Area:** 1st & 2nd Row
- **Color:** Black (as per this specific product variant)
- **Material:** Thermoplastic Elastomer (TPE)
- **Item Weight:** Approximately 14.33 pounds
- **UPC:** 787765535892
- **Manufacturer:** WeatherTech
