## Setup

### 1. Charging Your Earphones

Before first use, fully charge your iFrogz Neckband 2 earphones. Connect the provided USB charging cable to the charging port on the neckband and plug the other end into a USB power source. The LED indicator will show charging status.

- Charging Time: Approximately 1-2 hours for a full charge.
- Battery Life: Up to 8 hours of playback time.

## 2. Bluetooth Pairing

1. Ensure your earphones are charged and turned off.
2. Press and hold the multi-function button (usually the power button) until the LED indicator flashes red and blue, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "iFrogz Neckband 2" from the list of devices.
5. Once connected, the LED indicator will turn solid blue or flash slowly.

## 3. Adjusting the Fit

For optimal sound quality and comfort, choose the earbud tips and sport wings that best fit your ears. The iFrogz Neckband 2 comes with three sizes of earbud tips and one set of removable sport wings.

- Experiment with different tip sizes to find a snug seal in your ear canal.
- Attach the sport wings if you need extra stability during active use.

## Magnetic Earbuds

The iFrogz Neckband 2 features magnetic earbuds. When not in use, the earbuds can be magnetically attached together, helping to keep them secure around your neck and prevent tangling.

## Maintenance

### Cleaning

To maintain the performance and hygiene of your earphones:

- Gently wipe the earbuds and neckband with a soft, dry, lint-free cloth.
- Remove earbud tips and clean them with mild soap and water if necessary. Ensure they are completely dry before reattaching.

- Avoid using harsh chemicals or abrasive materials.

## Storage

Store your earphones in a cool, dry place away from direct sunlight and extreme temperatures. When storing, you can use the magnetic feature to keep the earbuds together.

## Battery Care

To prolong battery life:

- Avoid fully discharging the battery frequently.
- Charge the earphones regularly, even if not in frequent use.
- Do not expose the earphones to extreme heat or cold.

## Troubleshooting

Problem	Possible Solution
<b>Earphones do not power on.</b>	Ensure the earphones are fully charged. Connect to a power source and check the charging indicator.
<b>Cannot pair with device.</b>	Ensure earphones are in pairing mode (flashing red/blue LED). Make sure Bluetooth is enabled on your device. Move earphones closer to your device. Forget "iFrogz Neckband 2" from your device's Bluetooth list and try pairing again. Restart both the earphones and your device.
<b>No sound or low volume.</b>	Increase volume on both the earphones and your connected device. Ensure earphones are properly connected to your device. Check if the audio source is playing.
<b>Poor sound quality.</b>	Ensure earbuds are properly seated in your ears for a good seal. Try different sized earbud tips. Move closer to your connected device to avoid interference.
<b>Short battery life.</b>	Ensure earphones are fully charged before use. Battery life can vary based on volume level and usage. If battery life significantly degrades, contact support.
